In my proclamation (copy attached), I have authorized and directed the Secretary of Homeland Security to make and issue such rules and regulations that the Secretary may find appropriate to prevent unauthorized U.S. vessels from entering Cuban territorial waters.

I have authorized these rules and regulations as a result of the Cuban government's demonstrated willingness to use reckless force, including deadly force, in the ostensible enforcement of its sovereignty. I have also authorized these rules and regulations in an effort to deny resources to the repressive Cuban government that may be used by that government to support terrorist activities and carry out excessive use of force against innocent victims, including U.S. citizens and other persons residing in the United States, and threaten a disturbance of international relations. Accordingly, I have continued and expanded the national emergency in response to these threats.
