

Olympics, and Teenager of the Month and Year. Education is another area that the Elks are firm in their support. The Lewiston club offers yearly scholarships to local youth ranging from \$100 to \$1,000.

Perhaps one of the greatest contributions from this organization is the support it offers to the Idaho State Elks Rehabilitation Hospital. The modern hospital, located in Boise, serves nearly 12,000 patients a year and is working on a proposal to provide rehabilitation services to military veterans returning from war zones. With the support of the Lewiston Elks and other organizations, the hospital plans to open a new Hearing and Balance Center in the next few months.

On behalf of the citizens of the Lewiston area, and the entire State of Idaho, I thank Lodge No. 896 for their commitment to their community. It is the standard set by the Lewiston Elks that encourages local youth to strive to improve themselves, and for neighbors to help one another. Their selflessness has allowed everyone in the community to benefit. Congratulations to the Lewiston Elks for their endurance and dedication for the past 100 years.●

MESSAGE FROM THE PRESIDENT

A message from the President of the United States was communicated to the Senate by Ms. Evans, one of his secretaries.

EXECUTIVE MESSAGE REFERRED

As in executive session the Presiding Officer laid before the Senate a message from the President of the United States submitting a nomination which was referred to the Committee on Environment and Public Works.

(The nomination received today is printed at the end of the Senate proceedings.)

NOTIFICATION OF THE CONTINUATION OF THE NATIONAL EMERGENCY BLOCKING PROPERTY OF PERSONS UNDERMINING DEMOCRATIC PROCESSES OR INSTITUTIONS IN ZIMBABWE—PM 69

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Banking, Housing, and Urban Affairs:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent the enclosed notice

to the *Federal Register* for publication. It states that the national emergency blocking the property of persons undermining the democratic processes or institutions in Zimbabwe is to continue in effect beyond March 6, 2004.

The crisis caused by the actions and policies of certain members of the Government of Zimbabwe and other persons to undermine Zimbabwe's democratic processes or institutions has not been resolved. These actions and policies pose a continuing, unusual, and extraordinary threat to the foreign policy of the United States. For these reasons, I have determined that it is necessary to continue the national emergency declared on March 6, 2003, blocking the property of persons undermining democratic processes or institutions in Zimbabwe and to maintain in force the sanctions to respond to this threat.

GEORGE W. BUSH,
THE WHITE HOUSE, March 2, 2004.
