STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. ALEXANDER:

S. 2319. A bill to authorize and facilitate hydroelectric power licensing of the Tapoco Project; to the Committee on Energy and Natural Resources.

Mr. ALEXANDER. Madam President, I rise to speak about an issue that concerns the Senator from North Carolina and her constituents. I know of her love for the Great Smoky Mountains and her concern for the outdoors, and while most of what I am about to say affects eastern Tennessee and the Great Smoky Mountains, anything that affects eastern Tennessee and the Great Smoky Mountains has something to do with western North Carolina and the Great Smoky Mountains. This is some good news for the outdoors men and women and all of the people who love the mountains, the valleys, and the rivers of east Tennessee and western North Carolina.

The legislation I have introduced will save thousands of good-paying jobs at the Aluminum Company of America plants in Blount County, which is my hometown, and at the same time provide recreational opportunities on thousands of acres of ALCOA mountain land for canoeists, hikers, and fisher men and women. Of importance to all of us who enjoy the outdoors in east Tennessee and North Carolina, this agreement should help to create fuller lake reservoirs during the summer recreation season.
