Whereas 12,000,000 individuals in the United States experience tinnitus to an incessant and debilitating degree, such that the sounds in their ears and heads never abate, forcing them to seek assistance from a health care professional;

Whereas tinnitus is frequently caused by exposure to loud noises in the workplace, where an estimated 30,000,000 individuals in the United States are exposed to injurious levels of noise each day, and where noise-induced hearing loss is the most common occupational injury;

Whereas tinnitus is also caused by exposure to loud noises in recreational settings, where levels of sound can reach traumatic levels, and where individuals frequently are not aware that temporary ringing in the ears can become permanent after continued exposure to loud levels of sound;

Whereas in many cases, simply wearing proper hearing protection would protect individuals from damaging their hearing;

Whereas many individuals with tinnitus are told that the only solution to their condition is to learn to live with it, even though treatments for tinnitus are available that can help reduce the stress of the incessant ringing and increase the coping skills and quality of life for individuals who experience this condition; and

Whereas the American Tinnitus Association has designated the week beginning May 15, 2004, as the first National Tinnitus Awareness Week, in order to raise public awareness and to further its mission to silence tinnitus through education, advocacy, research, and support: Now, therefore, be it

ORDERS FOR THURSDAY, MAY 13, 2004

Mr. FRIST. I ask unanimous consent that when the Senate completes its business today, it adjourn until 9:30 a.m., on Thursday, May 13. I further ask that following the prayer and the pledge, the morning hour be deemed expired, the Journal of proceedings be approved to date, the time for the two leaders be reserved for their use later in the day, and the Senate then begin a period for morning business for up to 60 minutes, with the first half under the control of the Democratic leader or his designee and the second half hour under the control of the majority leader or his designee; provided that following morning business, the Senate resume consideration of S. 1248, the IDEA reauthorization bill, as provided under the previous order.

PROGRAM

Mr. FRIST. Mr. President, tomorrow following morning business, the Senate will resume consideration of the Individuals with Disabilities Education Act reauthorization bill. Earlier today, we secured an agreement for finishing the IDEA bill tomorrow.

There is one outstanding issue that may require a vote or two, but it is also possible that the language will be worked out.

We, therefore, expect a vote on passage of the IDEA reauthorization bill by around 12 to 12:30 tomorrow. Additional votes are anticipated tomorrow as the Senate may consider other Legislative or Executive Calendar items that can be cleared for action.

We have a number of Members working on a range of issues, including bio- shield and the mental health parity bill. I have repeated our desire to move some of the pending nominations. That is a priority that we must begin to address as well.

ADJOURNMENT UNTIL 9:30 A.M. TOMORROW

Mr. FRIST. If there is no further business to come before the Senate, I ask unanimous consent that the Senate stand in adjournment under the previous order.

There being no objection, the Senate, at 6:31 p.m., adjourned until Thursday, May 13, 2004, at 9:30 a.m.
