STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. LEAHY:

S. 2619. A bill to designate the annex to the E. Barrett Prettyman Federal Building and United States Courthouse located at 333 Constitution Ave. Northwest in Washington, District of Columbia, as the "Judge William B. Bryant Annex to the E. Barrett Prettyman Federal Building and United States Courthouse"; to the Committee on Environment and Public Works.

Mr. LEAHY. Mr. President, I am pleased to introduce a bill to designate the recently-constructed annex to the E. Barrett Prettyman United States

Courthouse in Washington, DC as the "William B. Bryant Annex."

Thomas F. Hogan, this Court's current Chief Judge, has expressed his support and the unanimous support of the other judges on the District Court for the District of Columbia. I am proud to join with Congresswoman ELEANOR HOLMES NORTON in moving ahead with the Chief Judge's request.

Judge Bryant served with distinction of the U.S. District Court for the District of Columbia since 1965. He was the Chief Judge on that court from March 1977 to September 1981.

Judge Bryant graduated from Howard University in 1932, and from Howard University Law School, receiving an LL.B. in 1936.

Judge Bryant's lengthy public service career is one of great distinction. In addition to the time he spent on the Federal bench, Judge Bryant served in the United States Army during World War II and as an Assistant U.S. Attorney for the District of Columbia. After serving four and one half years as Chief Judge, Judge Bryant took senior status in January of 1982.

Naming the new annex to the E. Barrett Prettyman courthouse after Judge Bryant would be a fitting tribute to this distinguished jurist. Much like Judge Prettyman, Judge Bryant had an illustrious career in public service and on the bench. I am honored to offer this legislation, and I urge my colleagues to join Congresswoman NORTON and me in support of this well-deserved commendation.

By Mr. JEFFORDS (for himself, Mr. LAUTENBERG, Mr. REID, Mr. WYDEN, Mr. CARPER, Mr. HARKIN, Mr. LEAHY, and Mrs. CLINTON):

S. 2620. A bill to provide for the establishment of an Office of High-Performance Green Buildings, and for other purposes; to the Committee on Environment and Public Works.

Mr. JEFFORDS. Mr. President, I rise today to introduce the "High Performance Green Buildings Act of 2004."

I would like to thank Senator LAUTENBERG and the other cosponsors for working with me to introduce this important legislation.

Preliminary studies are showing that high-performance green buildings generate huge savings in operations and maintenance costs due to their efficient operating systems. These studies have also demonstrated that high-performance green buildings provide a healthier work environment for the occupants, resulting in fewer absences due to illness. The outcome is huge savings in health related costs. All of these savings are generated, while sustaining very little impact on their surrounding environment.

In the United States, buildings account for: 36 percent of total energy use; 65 percent of electricity consumption; 30 percent of greenhouse gas emissions; 30 percent of raw materials use; 30 percent of waste output and 12 percent of potable water consumption.
