AUTHORIZING RECORD PRODUCTION BY PERMANENT SUBCOMMITTEE ON INVESTIGATIONS

Mr. FRIST. I ask unanimous consent that the Senate proceed to the immediate consideration of S. Res. 415, which was submitted earlier today.

The PRESIDING OFFICER. The clerk will report the resolution by title.

The legislative clerk read as follows:

A resolution (S. Res. 415) to authorize production of records by the Permanent Sub-

committee on Investigations of the Committee on Governmental Affairs.

There being no objection, the Senate proceeded to consider the resolution.

Mr. FRIST. Mr. President, from 1999 to 2001, the Permanent Subcommittee on Investigations of the Committee on Governmental Affairs conducted an investigation into money laundering activities in the U.S. financial services sector, including private banking, correspondent banking, and the securities industry.

Following its investigation, the subcommittee received requests from various law enforcement and regulatory agencies, legislative bodies, and court-appointed officers, both here and abroad, for assistance in connection with their pending investigations into the use of correspondent banks for money laundering. By Senate Resolution 77 of the 107th Congress, agreed to on April 26, 2001, the Senate authorized the chairman and ranking member of the subcommittee, acting jointly, to provide investigative records, obtained by the subcommittee in the course of its investigation, in response to these requests.

Last year, the permanent subcommittee initiated a followup to its earlier investigation to evaluate the enforcement and effectiveness of key statutory anti-money laundering provisions, using Riggs Bank of the District of Columbia as a case history. The subcommittee held a hearing on the results of its investigation on July 15 of this year.

The subcommittee is seeking authority, like that granted in the 107th Congress, to respond to requests from law enforcement and other government agencies for access to investigative records obtained by the Subcommittee in the course of its recent investigation. This resolution would accordingly authorize the chairman and ranking member of the subcommittee, acting jointly, to provide copies of its investigative records from the Riggs Bank investigation in response to such requests.

Mr. President, I ask unanimous consent that the resolution be agreed to, the preamble be agreed to, the motion to reconsider be laid upon the table, and any statements relating to this matter be printed in the RECORD.

The PRESIDING OFFICER. Without objection, it is so ordered.

The resolution (S. Res. 415) was agreed to.

The preamble was agreed to.

The resolution, with its preamble, reads as follows:

S. RES. 415

Whereas, during the 106th and 107th Congresses, the Permanent Subcommittee on Investigations of the Committee on Governmental Affairs conducted an investigation into money laundering activities in the U.S. financial services sector, including examinations of money laundering activities in private banking, correspondent banking, and the securities industry;

Whereas, by agreement to Senate Resolution 77, 107th Congress, the Senate author-

ized the Chairman and Ranking Minority Member of the Subcommittee, acting jointly, to provide to law enforcement officials, legislative bodies, regulatory agencies, and other entities or individuals duly authorized by federal, state, or foreign governments, records of the Subcommittee's investigation into the use of correspondent banking for the purpose of money laundering;

Whereas, during the present Congress, the Subcommittee has been conducting a followup to its earlier money laundering investigation to evaluate the enforcement and effectiveness of key statutory anti-money laundering provisions, using Riggs Bank of the District of Columbia as a case history;

Whereas, the Subcommittee is seeking authorization to provide records of its followup investigation in response to requests from law enforcement officials, legislative bodies, regulatory agencies, and foreign agencies and officials;

Whereas, by the privileges of the Senate of the United States and Rule XI of the Standing Rules of the Senate, no evidence under the control or in the possession of the Senate can, by administrative or judicial process, be taken from such control or possession but by permission of the Senate;

Whereas, when it appears that evidence under the control or in the possession of the Senate is needed for the promotion of justice, the Senate will take such action as will promote the ends of justice consistent with the privileges of the Senate: Now, therefore, be it

Resolved, That the Chairman and Ranking Minority Member of the Permanent Subcommittee on Investigations of the Committee on Governmental Affairs, acting jointly, are authorized to provide to law enforcement officials, legislative bodies, regulatory agencies, and other entities or individuals duly authorized by federal, state, or foreign governments, records of the Subcommittee's case study investigation into the enforcement and effectiveness of statutory anti-money laundering provisions.
