

had the pleasure of traveling on several of these congressional delegations with Colonel White and was greatly impressed with his service to the Members of the Senate. His strong acumen for social interaction carried over into Colonel White's ability to represent his service at numerous Marine Corps and Joint Service social events on Capitol Hill. Among others, these events included the Marine Corps Birthday Commemoration, the Joint Services Reception, and several Marine Corps fall and spring receptions—all important events that enabled me and my Senate colleagues to maintain relationships with the Marine Corps' senior leadership. His efforts throughout this period not only communicated the commandant's message to the U.S. Senate, but also upheld the Marine Corps' positive image and professional reputation on Capitol Hill.

On behalf of the Senate, I thank Colonel White for his service to the Nation and the U.S. Marine Corps, and I thank his wife, Katherine Ann, and his daughter, Mary Rose, for their steadfast support while he fulfilled this essential duty. We in the U.S. Senate, and I personally, wish them all the best as Colonel White returns to his civilian career and tackles new challenges.●

#### EXECUTIVE ORDER THAT TERMINATES THE EMERGENCY DECLARED IN EXECUTIVE ORDER 12543 WITH RESPECT TO THE POLICIES AND ACTIONS OF THE GOVERNMENT OF LIBYA AND REVOKES RELATED EXECUTIVE ORDERS—PM 94

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Banking, Housing, and Urban Affairs:

*To the Congress of the United States:*

Consistent with subsection 204(b) of the International Emergency Economic Powers Act, 50 U.S.C. 1703(b) (IEEPA), I hereby report that I have issued an Executive Order (the "order") that terminates the national emergency declared in Executive Order

12543 of January 7, 1986, and revokes that Executive Order, Executive Order 12544 of January 8, 1986, Executive Order 12801 of April 15, 1992, and Executive Order 12538 of November 15, 1985. I have determined that the situation that gave rise to this national emergency has been significantly altered by Libya's commitments and actions to eliminate its weapons of mass destruction programs and its Missile Technology Control Regime (MTCR) -class missiles, and by other developments.

Executive Order 12543 of January 7, 1986, imposed sanctions on Libya in response to policies and actions of the Government of Libya that constituted an unusual and extraordinary threat to the national security and foreign policy of the United States. Those sanctions were modified in Executive Order 12544 of January 8, 1986, Executive Order 12801 of April 15, 1992, and supplemented Executive Order 12548 of November 15, 1985.

Based on Libya's recent commitments and actions to implement its December 19, 2003, commitment to eliminate its weapons of mass destruction programs and its MTCR-class missiles, and other developments, I have determined that the situation that gave rise to the national emergency declared in Executive Order 12543 has been significantly altered. My order, therefore, terminates that national emergency with respect to Libya and revokes Executive Orders 12543, 12544, and 12801, and lifts the trade, commercial, and travel sanctions imposed against Libya based on that national emergency. The order also revokes Executive Order 12538, which blocked the import of petroleum products refined in Libya into the United States.

While the order formally lifts sanctions under the national emergency with respect to Libya, it will not lift a wide variety of other sanctions imposed on Libya due to its designation as a state sponsor of terrorism under section 620A of the Foreign Assistance Act (restriction on arms exports), and section 6(j) of the Export Administration Act of 1979 (restriction on exports of certain items on the Commodity Control List), as well as other statutory restrictions applicable to Libya.

I have enclosed a copy of the order, which is effective at 12:01 a.m. eastern daylight time on September 21, 2004.

GEORGE W. BUSH.

THE WHITE HOUSE, September 20, 2004.
