

IN RECOGNITION OF JOHN GOLDSTEIN, OUTGOING PRESIDENT OF THE MILWAUKEE COUNTY LABOR COUNCIL

**HON. GWEN MOORE**

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

*Thursday, October 6, 2005*

Ms. MOORE of Wisconsin. Mr. Speaker, I rise today to pay tribute to my constituent, Mr. John Goldstein, in thanks for his distinguished record of leadership of Milwaukee's labor movement. John served as president of the Milwaukee County Labor Council for 8 years, capping off a career of local, national and international labor activism that included stints as secretary/treasurer of the Labor Council and president of the Amalgamated Transit Union. He left the Labor Council in September, 2005, to become the new executive director of Partnership for Working Families.

John's leadership and commitment to advancing workers' causes are well known. In his tenure as president of the Labor Council, he spearheaded several major campaigns, among them brokering a resolution with Milwaukee County that improved the climate for workers attempting to organize new unions. He also worked with Milwaukee's Common Council to pass legislation that ensures uniforms needed for city workers are not sweatshop-produced. More recently, John developed a coalition to advocate for the implementation of economic development policies that would benefit a wide array of workers and neighborhoods.

Throughout these efforts, and many others, John's leadership has been marked by a commitment to building broad coalitions to ensure that labor movement victories brought gains for the wider community. He is widely acknowledged as a pioneer in developing labor-community partnerships designed to address problems created by economic and racial disparities throughout the Milwaukee area. His colleagues included faith leaders, a variety of local union activists, and community organizations.

In his role as Labor Council president and through his career, John has prioritized labor organizing, mobilizing for economic justice, and building a strong member-to-member political organization for the benefit of the working people of Milwaukee County. I know he will continue to demonstrate exemplary leadership in his new position as national program director for the Partnership for Working Families. I am thrilled to know that he will be based in Milwaukee, and that while providing technical assistance and leadership to labor-community coalitions across the country, he will continue to enrich our community.

**3RD ANNUAL LATINO AIDS AWARENESS DAY**

**HON. SOLOMON P. ORTIZ**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, October 6, 2005*

Mr. ORTIZ. Mr. Speaker, today, I rise in strong support of designating October 15, 2005 the 3rd Annual Latino AIDS Awareness Day.

HIV and AIDS have wrecked havoc on millions of lives across the globe for over two decades, ending lives before their time. Today in America, over a million Americans, or about 1 in 300, have HIV or AIDS—a statistic that this Congress must acknowledge. For every American living with HIV or AIDS, a family is traumatized.

Even more staggering is the distribution of those victims. While Hispanics are roughly 14 percent of the population of the United States, they account for 20 percent of America's HIV/AIDS population. To date, nearly 100,000 Hispanics have died with AIDS. Since Hispanics are the fastest growing minority group in the United States, our challenge is even greater.

Minority groups have been hardest hit by the disease, adding another burden on families struggling to make ends meet. Another troubling fact is that as many as 1 in 2 people with HIV/AIDS don't even know they have the disease.

And the fastest growing group of people contracting HIV is young people, putting a tenuous hold on their young lives and future. The more attention we place on HIV/AIDS, the closer we get to eradicating this vicious disease. We have to talk about it, the causes and the prevention.

I encourage all of my colleagues to support Latino AIDS Awareness Day and work to educate Hispanics and other constituents about HIV and AIDS. Education and facts are the best way to wipe out ignorance about HIV/AIDS in the Hispanic populations, and every other demographic in our Nation.

**CONGRATULATING UNITED FUND ON 50TH ANNIVERSARY**

**HON. MELISSA A. HART**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, October 6, 2005*

Ms. HART. Mr. Speaker, I would like to take this opportunity to congratulate the United Fund on the 50th anniversary of its founding.

This fall, the organization celebrates the 50th year of its foundation in 1955. The United Fund has helped many people in the community over the years, and is continuing to do so by hosting an auction themed "Support the Troops". The event is a project by Lincoln High School senior Erin Hunter. The event commences the organization's 2005 campaign.

Over the years United Fund has subsidized transportation cost for community members to get to work. Last year the organization also donated money to Hurricane Ivan flood victims in September.

The fundraising goal for 2005 is \$50,000, which gives the organization the ability to make a positive impact. Richard Basile Sr., director of the organization, leads the effort to give 98 percent of the money that is donated to the United Fund back to the community. Basile is also dedicated to the goal of the United Fund, which is to make a positive impact locally.

I ask my colleagues in the United States House of Representatives to join me in honoring the United Fund and its 50 years of service. It is an honor to represent the Fourth Congressional District of Pennsylvania and a pleasure to salute a principled institution like the United Fund.

*Thursday, October 6, 2005*

Mr. BURGESS. Mr. Speaker, I rise today to remember Barry Evans Boesch, the 51-year-old executive editor of the Denton Record-Chronicle, and longtime reporter and editor of the Dallas Morning News.

#### HONORING TWO NAVY VETERANS FROM COLORADO

#### HON. MARILYN N. MUSGRAVE

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 6, 2005

Mrs. MUSGRAVE. Mr. Speaker, I rise today to honor two veterans I know personally from my hometown of Fort Morgan, Colorado. Bob "Pete" Hobbs and Dominick Cardoza. I admire these two gentlemen for their service in the Navy, and their devotion to their families and community.

For 2 years, from 1954 to 1956, Pete and Dominick served together in the U.S. Navy aboard the USS *Badoeng Strait*, CVE 116. Both were assigned to the Second Division. Pete was on the deck and Dominick was in the Captain's Gig. It was during this time their friendship was forged, spending time at sea and taking part in a variety of military exercises.

They were also assigned to a gun crew that carried the responsibility of frequent firing exercises on a 40 mm gun. Because of these drills Dominick and Pete both suffer from tinnitus.

The most noteworthy of drills took place in 1956 while the *Badoeng Strait* operated around the Marshall Islands in the South Pacific during Operation Redwing. During these operations, Pete and Dominick were part of the crew that remained on the ship's deck during "Test Series of Atomic Weapons Devices." In the distance, H-bombs were exploded and this ship and the crew were subjected to the long range effects of the blasts, on numerous occasions.

The sailors were simply told not to look at the blast and to turn their backs. They were exposed to ionizing radiation. Afterwards the crew was checked for radiation and required to take a salt water bath. They were required to remove their clothes before entering the lower decks of the boat, and their garments were destroyed because of the radiation. The ship itself was scrubbed with Tide detergent.

They were told that the worst possible effect of the radiation was sterilization, nothing else!

In 1957, the *Badoeng Strait* was put out of commission in Bremerton, Washington. During the decommissioning process, Dominick and Pete were assigned to the lower deck for maintenance. They used air hammers to chip the paint from the decks and bulkheads. They were given no ear protection and, as a result, they both suffer from hearing loss. They were also exposed to asbestos, which covered much of the ship.

Afterwards, Dominick Cardoza was assigned to the USS *Lexington*, CVA 16, an aircraft carrier. Pete Hobbs was assigned to the USS *Vega*, AF 59, a supply ship.

I am touched by the story of Pete's and Dominick's service and sacrifice. As a direct result of the elements they were exposed to, both men are suffering from serious health complications. Pete has thyroid cancer and Dominick has other personal health problems.

Despite their enormous personal challenges, I find these men to be very uplifting and encouraging. They remain good friends today and live in Fort Morgan, Colorado. In addition, their wives Chris Hobbs and Sue Cardoza deserve respect and admiration for supporting their husbands.

Mr. Speaker, I rise today to honor these two veterans who served our country with such distinctions. They are heroes that walk among us. I ask my colleagues in Congress to recognize their work and their sacrifices on behalf of our Nation, as well as the joy for life they have to this day.

May God bless all of our precious veterans and may he continue to bless this great Nation.

#### HONORING RICHARD E. GUERIN, PRINCIPAL OF SAINT BEDE THE VENERABLE

#### HON. DANIEL LIPINSKI

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 6, 2005

Mr. LIPINSKI. Mr. Speaker, I rise today to honor Richard Guerin, Principal of Saint Bede the Venerable and recipient of the 2005 National Distinguished Principal Award.

The National Distinguished Principals Program was established in 1984 as an annual event to honor exemplary elementary school principals who set the pace, character, and quality of the education children receive during their early school years. One principal is chosen from each of the 50 States and the District of Columbia, and this year Richard Guerin has been selected as a National Distinguished Principal.

St. Bede the Venerable is a Catholic School that serves the parish community and is both an expression of and a witness to the faith of its people. The school's main responsibility is in the area of Catholic education—preschool through eighth grade.

Believing that a child's development best occurs within the framework of a positive and structured environment, St. Bede School offers innovative educational programs of high quality. The aim of these programs is to challenge each student while teaching basic skills, within a Christian atmosphere where mutual respect, order, and values are a high priority. The core of our curriculum is religious education, both content and practice. Christian attitudes and values are the foundation of this developmental process.

Richard Guerin has been serving and teaching in the Archdiocese of Chicago for 34 years, 28 of those spent as principal of St. Bede. Before coming to St. Bede, he taught at Worth Junior High and Christ the King School. However, he fell in love with the job and the people at St. Bede where he has touched countless lives and been influenced by many lives in the community.

It is my honor to recognize Mr. Richard Guerin who serves as an example of one of the best in PreK-8 school leadership and helps to foster a greater understanding of the principal's key role in meeting the challenging responsibility of educating children.

#### IN TRIBUTE TO THE GREATER MILWAUKEE CHAPTER OF THE UNITED NATIONS ASSOCIATION FOR THEIR EFFORTS TO COMBAT GLOBAL POVERTY

#### HON. GWEN MOORE

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 6, 2005

Ms. MOORE of Wisconsin. Mr. Speaker, I rise today to applaud an alliance of dedicated residents of the Fourth Congressional District for their passionate pursuit of peace and justice. On October 8, members of the Greater Milwaukee Chapter of the United Nations Association, together with an array of partner organizations, will host a Call to Action and Celebration of the Global Campaign to Make Poverty History.

This effort is extremely timely. Poverty has a devastating effect on the lives of those in developing countries, and creates structural problems for the global economy that ultimately harm our own economic well-being. The U.N.'s Millennium Development Goals call for progress in eight key sectors, including education, healthcare, environmental sustainability and gender equity. Taken together, these goals comprise a comprehensive strategy for reducing poverty and hunger.

In reality, addressing global poverty requires us to confront the impact of debt on developing countries' ability to invest in the infrastructure and social services needed to improve the quality of their citizens' lives. The weight of the international debt that many developing countries carry poses an enormous obstacle to real progress toward eradicating poverty. Debt payments to international creditors inhibit many countries' efforts to recover from natural disasters, or establish healthcare, education and clean water programs. Impoverished countries in Africa pay on average \$14 per person in debt service payments to international financial institutions, but spend only \$5 per person on healthcare.

In recognition of this fact, I cosponsored the JUBILEE Act, which directs the Secretary of
