CONGRATULATING MOBILE COUNTY PUBLIC SCHOOLS SUPERINTENDENT HAROLD DODGE FOR BEING NAMED ALABAMA'S SUPERINTENDENT OF THE YEAR

HON. JO BONNER

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 9, 2005

Mr. BONNER. Mr. Speaker, it is with great pride and pleasure that I rise to honor Mobile County schools Superintendent Harold Dodge on the occasion of being named Alabama's 2006 Superintendent of the Year.

Dr. Dodge has been a distinguished member of the Mobile, AL, community and a tremendous advocate for the county school system. He came to Mobile in 1998 to be the superintendent of the Mobile County public school system, the State's largest with over 65,000 students and 8,000 employees.

Under the leadership of Dr. Dodge, the Mobile County public school system has implemented a nationally recognized strategic plan that encourages sustained parental and community involvement while focusing on making children proficient in learning. His objectives for the next year include increasing the number of seniors who pass the High School Graduation Exam and increasing the number of Highly Qualified Teachers all while operating below budget projections. I have full confidence that these objectives will be met under the leadership of Dr. Dodge in 2006. During the last year, the Mobile County public school system received State and national attention for the transformation process of its five lowest-performing schools.

Mr. Speaker, there are few individuals more dedicated or more committed to our students

than Harold Dodge, and I would like to offer my congratulations for being named Alabama's 2006 Superintendent of the Year and for his many professional achievements. I know his wife, Jean, and his many family and friends join with me in praising his accomplishments and extending thanks for his many efforts on behalf of the students of Mobile County and the State of Alabama.

RECOGNITION OF THE GLENWOOD HIGH SCHOOL BOYS SOCCER TEAM

HON. JOHN SHIMKUS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 9, 2005

Mr. SHIMKUS. Mr. Speaker, I rise today to pay tribute to an outstanding group of young men from Central Illinois. The Glenwood High School boys soccer team from Chatham, Illinois, won the Class AA state championship on November 5, with a 2-1 win over Rockford Boylan. This win followed a thrilling, double-overtime semifinal win, and continues a 19-game winning streak for the Titans, who finished the year with a record of 26-1.

Mr. Speaker, I want to congratulate Head Coach Jay Lipe, who also achieved his 100th career victory this season, and assistant coaches Greg Lipe, Tom Johnson and B.J. Moore on a truly outstanding season. Most of all, I want to recognize the members of the 2005 state champion Chatham Glenwood Titans soccer team: Brandon Lex, Trevor Noonan, Tim Johnson, James Dice, Jaron Stretch, Neil Wilmarth, Ryan South, Paul Hummel, Derek Schilson, Bryan Curry, Blair Spencer, Hunter Schad, Dennis McIlhaney, Blake Vorreyer, Dan Short, Brett Dickson, Paul South, Dominick Traina, Kevin Hopkins, Bobak Hadidi, Trevor Kohlrus and Dustin Curtis.

These young men did an exceptional job of representing themselves, their school and their community, and I wish them best of luck in all of their future endeavors.

INTRODUCTION OF THE "WINDFALL PROFITS AND CONSUMER ASSISTANCE ACT OF 2005"

HON. EDWARD J. MARKEY

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 9, 2005

Mr. MARKEY. Mr. Speaker, in the coming weeks, Democrats will be laying out a comprehensive energy strategy and a vision for America's energy future. Today, Representative RAHM EMANUEL and I are beginning that process by introducing a bill that would impose a windfall profits tax on the oil industry.

The Windfall Profits and Consumer Assistance Act of 2005 would impose a windfall profits tax on oil companies on oil sold above \$40 a barrel. Our bill would then use half of the revenue generated by this tax to fund a tax rebate for all American consumers to help them deal with their high gas and energy costs. Our bill would use the other half of the tax revenue to supplement funding for the Low-Income Home Energy Assistance Program that helps poor families and seniors of fixed incomes pay their energy bills.

Now, more than ever, huge sums of money are gushing into the pockets of the oil and gas industry. Exxon and Shell recently reported third quarter profits that were \$2 and \$3 billion more than the greatest quarterly profits we have ever seen, from any company, in the history of the world. These historic profits are coming as the result of oil prices that are currently around \$60 a barrel and have recently been near \$70 a barrel.

Meanwhile, American consumers are facing astronomical prices at the pump and with winter coming, an impending home heating crisis. According to projections in the Energy Information Administration's recently released "Short-Term Energy Outlook and Winter Fuels Outlook," home heating oil prices are likely to be 31.5 percent higher than they were last year. This increase translates into an average consumer expenditure of \$1,577—an increase of \$378 over last winter. Moreover, last year only 15.6 percent of households eligible for the Low Income Home Energy Assistance Program nationwide were served. We can and must do better in addressing the additional burden that both average consumers and low-income consumers will face as a result of the current price increases.

Our bill would take a portion of the historic high profits that oil companies are making and use it to help the millions of American consumers who are bearing the brunt of high energy costs. Our bill will help reverse the Bush Administration's policy to "Leave No Oil Company Behind" and would provide relief to American consumers who are paying the price for the Republican Party's energy mistakes.

TRIBUTE TO THE LIFE OF SISTER ANNE LOUISE STOELZEL

HON. MARCY KAPTUR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 9, 2005

Ms. KAPTUR. Mr. Speaker, it is with a sense of deep gratitude and sorrow that I rise to pay tribute to the life of Sister Anne Louise Stoelzel, an Ursuline sister of Toledo, Ohio who passed from this life on Nov. 19. Sister Anne Louise dedicated her life to the education of young women and men, and helped build St. Ursula Academy in our community into a premier institution of advanced learning at the high school level. She tutored students even into her 80's and remained a smiling and vibrant presence to all who knew her.

Sister Anne Louise took on the task of moderating the school's large, and growing alumnae association for 30 years, no small task, after having taught mathematics for two decades. In 1990, she received the Alumna of the Year Award and was sought out and loved by the school's graduates. She remembered them, followed their lives, amazingly, kept in touch with thousands of girls, their families, and their lives.

She was an avid fan of St. Ursula sports teams and a regular attendee at games as St. Ursula's winning teams rose to fame locally and statewide. She rooted on the bench with all she had in her.

Sister Anne Louise was a Toledoan through and through. She carried its values. She grew up in the Old West End, a parishioner at Rosary Cathedral, and a woman in service to Christ throughout her most generous life. She held bachelor of arts and science degrees from the former Mary Manse College in Toledo, and received a master's degree from the Catholic University of America. Her pursuit of lifelong learning took her to many universities—Notre Dame, St. Louis University, Bowling Green, Ohio State, and the University of Toledo.

No measure can be placed on the gift of the life of one woman to her community. The life of Sister Anne Louise stands as living testament to a woman who loved others more than herself, who believed in the education and potential of young women to excel and make contributions to life beyond what we know today. It was to that future that she gave herself long before even the laws in the United States afforded women equal opportunity in education.

Our entire community sends its sympathies to the sisters of St. Ursula and the loving community of women and men that surrounded her, and St. Ursula's ongoing mission toward education of young women, and the advancement of learning for the betterment of human-

kind. Sister Anne Louise lived with distinction the legacy of St. Angela Merici, the foundress of the Order of St. Ursula. May Sister Anne Louise rest in peace, a beloved daughter of the Lord who served with love and faith throughout her precious life.

ST. URSULA GRAD TAUGHT MATH AT ALMA MATER

SISTER ANNE LOUISE STOELZEL, 1922–2005

Sister Anne Louise Stoelzel, 83, a graduate of St. Ursula Academy who taught mathematics at her alma mater for 20 years and was moderator of the school's alumnae association for 30 years, died Tuesday of congestive heart failure in the Ursuline Center.

Sister Anne Louise retired from classroom teaching in 1991, but she continued to tutor math students until about two years ago.

"She was a very good teacher and very patient," Sister Kathleen Padden said. "As a tutor, she taught not only the girls from the academy, but boys from St. Francis [de Sales High School] and students from the public schools whose mothers might have been alumnae."

She was a strict teacher, "but an excellent teacher," said Fran Sears, whose daughter, Ellen, was a student of Sister Anne Louise's. "She knew and understood math perfectly," Mrs. Sears said.

Sister Anne Louise was moderator of the St. Ursula Alumnae Association from 1971 to 2001 and was moderator emerita afterward. She received the Alumna of the Year Award in 1990.

Not only was she a regular at St. Ursula reunions, she kept in touch with alumnae and followed the events of their lives.

"She knew all the grads, all the alumnae. She knew their families and their daughters and granddaughters," Mrs. Sears said. "You mentioned somebody, she could tell you about her."

Sister Anne Louise was a fan of St. Ursula sports teams and followed local high school sports, Mrs. Sears said.

She was born Marie Kathryn Stoelzel and grew up in the Old West End. She was a parishioner of Rosary Cathedral when she entered the Ursuline Community in 1943.

Sister Anne Louise received bachelor of arts and bachelor of science in education degrees from the former Mary Manse College. She received a master's degree from Catholic University of America in Washington.

She was awarded National Science Foundation grants to pursue her post-graduate education during summer breaks. Her studies took her to the University of Notre Dame, St. Louis University, DePauw University, Bowling Green State University, the University of Toledo, and Ohio State University.

Sister Anne Louise previously taught at the elementary schools of St. Teresa and St. Thomas Aquinas in Toledo and at Lima, Ohio, Central Catholic High School.

She and her sister, Gertrude Trompeter, were close, and she visited the Trompeter home on holidays and other occasions, her brother-in-law, Carl Trompeter, said. She also took a keen interest in her four nephews—they called her Aunt Marie—and their families.

Her sister died Nov. 19, 2003.

There are no immediate survivors.

Visitation will begin at 3 p.m. today in the Ursuline Center, where there will be a vigil service at 7 tonight. Funeral services will be at 10 a.m. tomorrow in the Ursuline Center. Arrangements are by the Coyle Funeral Home.

It is suggested that tributes be to the Ursuline Sisters Retirement Fund.

THE HIPAA RECREATIONAL INJURY TECHNICAL CORRECTION ACT OF 2005

HON. MARK UDALL

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 9, 2005

Mr. UDALL of Colorado. Mr. Speaker, today I am introducing the Health Care Parity for Participation for Legal Transportation and Recreational Activities Act. This bill would protect those individuals who participate in legal recreational activities from being discriminated against by their employers for health insurance purposes.

In 1996, Congress passed and the President signed into law the Health Insurance Portability and Accountability Act (HIPAA). This legislation was enacted so that employees could continue health care coverage if they switched jobs and so that employees would not be denied health care coverage based on a pre-existing medical condition or participation in legal recreational activities.

On January 5, 2001, the Center for Medicare and Medicaid Services (CMS) released a Final Rule for Nondiscrimination in Health Coverage in a Group Market, which was required under HIPAA. Under the rule, employers are prohibited from refusing coverage based simply on an employee's participation in a legal recreational activity, such as motorcycling, skiing, snowmobiling, horseback riding and all-terrain vehicle riding. However, CMS, in its interpretation of the word "participation" effectively legalized the denial of benefits for any injuries sustained while participating in these activities. Clearly, Congress did not include specific language in HIPAA to provide coverage for people who engage in these activities, only to be denied coverage in the event they sustain an injury. The rule is counter to the intent of Congress and should be corrected.

In 2001, I joined with several of my House colleagues in sending a letter to HHS Secretary Tommy Thompson asking him to reverse the CMS ruling, but he said it would take an act of Congress. I cosponsored legislation that addressed this issue in the 108th Congress. There is legislation that has been introduced in the 109th Congress but that bill excludes individuals who participate in skiing and snowboarding. That excludes a large number of people in my district and throughout the country who are winter sports enthusiasts, and I think it's critical that they be covered for any injuries they sustain from participating in winter sports.

Mr. Speaker, this bill, which is identical to legislation introduced by Senator SUSAN COLLINS, is about fairness in health coverage for the millions of Americans who enjoy skiing, motorcycle riding, horseback riding, ORV riding, or any other legal recreational activity. It also further clarifies Congress' intent when it passed this landmark law, which has helped so many Americans keep or obtain health insurance. I look forward to working with my colleagues on both sides of the aisle to pass this important legislation.
