

## EXTENSIONS OF REMARKS

### INTRODUCING THE SOUTHERN NEVADA READINESS CENTER ACT

**HON. JON C. PORTER**

OF NEVADA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 17, 2005*

Mr. PORTER. Mr. Speaker, I rise today along with my colleagues, Representative JIM GIBBONS and Representative SHELLEY BERKLEY, to introduce the Southern Nevada Readiness Center Act.

The purpose of the Southern Nevada Readiness Center Act is to convey 35–50 acres of land from the McCarran Airport Cooperative Management Area Boundary to the Nevada National Guard for the purpose of building the Nevada National Guard Readiness Center. This Readiness Center will serve Henderson and southwest Las Vegas, and will allow the Nevada National Guard to have better access to the facilities and equipment they need for training.

The National Guard is our Nation's first line of defense in an ever-changing world. As the Guard's role expands, it is important that they are given the facilities and equipment they need to protect both Nevada and America at large. This Readiness Center will help Nevada's National Guard to achieve this goal, and I look forward to working with Congress to pass this bill into law.

### RECOGNIZING THE 60TH ANNIVERSARY OF THE DISAPPEARANCE OF THE 5 NAVAL AVENGER TORPEDO BOMBERS OF FLIGHT 19

SPEECH OF

**HON. SHEILA JACKSON-LEE**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, November 16, 2005*

Ms. JACKSON-LEE of Texas. Mr. Speaker, I rise in support of H. Res. 500, recognizing the 60th anniversary of the disappearance of five Avenger warplanes and one of the rescue aircraft sent to retrieve the lost pilots. The six planes flying out of the Naval Air Station of Banana River on December 5, 1945 contained a total of 27 men. These brave men have never been recovered. Their planes and all of their equipment have never been found, either.

As an interesting point, the disappearance of the planes happened somewhere off the eastern coast of Florida. The strange disappearance of these aircraft was the first incident in the lore of what became the story of the Bermuda Triangle. To date, the incident which we are acknowledging today is still the most cited example of strange occurrences in the Bermuda Triangle.

Mr. Speaker, we should remember the bravery of these 27 men by acknowledging the anniversary of their disappearance. It is a tragedy that for so many years, the cause of the

disappearance has remained unknown, leaving the families of the fallen pilots without answers.

For over 225 years, the freedom of America has been maintained by the fighting men and women of our Nation's Armed Forces. These courageous soldiers, sailors and marines put their lives on the line every day to preserve the safety and security of our Nation. In honoring the 27 men lost on December 5, 1945, we also honor the hundreds of thousands of men and women of America's Armed Forces whose heroic actions go unheralded every day.

In passing this resolution, we also honor the families of the fallen pilots, whose sacrifices on behalf of our country will never be forgotten.

I strongly support H. Res. 500, and I encourage my colleagues to do the same.

### PERSONAL EXPLANATION

**HON. JIM KOLBE**

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 17, 2005*

Mr. KOLBE. Mr. Speaker, on November 16, I missed the vote H. Con. Res. 268, expressing the sense of the Congress regarding oversight of the Internet Corporation for Assigned Names and Numbers (#594). I intended to vote "aye."

### CONGRATULATING DR. ULYSSES S. CURRY

**HON. JIM COSTA**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 17, 2005*

Mr. COSTA. Mr. Speaker, I rise today to congratulate Dr. Ulysses S. Curry of Fresno, as the honored recipient of the Community Health Champion Award from West Fresno Health Care Coalition.

Dr. Curry has dedicated over 30 years of continuous medical service to Fresno and continues to devote his time to the community. Ever a generous doctor, Ulysses has donated much of his time to assist in the progression of the medical community in the Central Valley.

Upon graduation from Central High School in Omaha, Nebraska, Dr. Curry immediately attended the University of Kansas in 1939. Ulysses went on to Howard University to pursue his Master's Degree, followed by Meharry Medical College in Nashville, Tennessee from which he attained his medical degree. He did his internship at Saint Agnes Hospital in Raleigh, North Carolina immediately following medical school.

It was a residency program that originally brought Dr. Curry to California. After completing his residency in pediatrics at Fresno

County General Hospital in Fresno, Dr. Curry moved to Denver, Colorado to finish his residency in internal medicine at Denver Veterans Administrative Hospital. Dr. Ulysses Curry permanently returned to Fresno and opened his General/Family Practice at which he continues to practice medicine.

Dr. Curry is affiliated with many hospitals in the Central Valley, such as Fresno Community Hospital, Clovis Community Hospital and Sierra Community. Ulysses also has memberships with many professional medical associations. He is an active member of Fresno-Madera Medical Society, John Hale Medical Forum, California Medical Association as well as a lifetime membership to the California Academy of Family Physicians and the American Academy of Family Physicians.

It is obvious from his extensive career that Dr. Ulysses S. Curry is worthy of such recognition from the West Fresno Health Care Coalition. It is with great pleasure that I stand today and congratulate Dr. Curry for all of his achievements.

### HONORING RICHARD H. SHAPIRO

**HON. ROBERT W. NEY**

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 17, 2005*

Mr. NEY. Mr. Speaker, I rise today to honor Richard H. Shapiro, Executive Director of the Congressional Management Foundation, CMF. Since 1988, Rick has tirelessly provided important and needed services in support of the institution of Congress. As Executive Director, Rick has become a leading expert on improving operations in the U.S. Congress. He has utilized that expertise in support of individual Member offices, in the training of literally thousands of Congressional staff, in providing research and best-practices information to House Administration, Committee and Member offices, and in writing landmark books and studies on Congressional management.

Mr. Speaker, Rick's involvement with Congress began in 1978, when he was a staff investigator at the former U.S. Senate Permanent Subcommittee on Investigations. While investigating Department of Defense procurement practices, Rick came to understand the importance of Congressional oversight. Effective oversight requires effective management, and as Rick came to understand this relationship, he came to appreciate the importance of good management in Congress.

Following graduate school, Rick returned to Congress as the Staff Director of the former House Post Office and Civil Service Subcommittee on Investigations, and subsequently as Staff Director at the House Small Business Subcommittee on Regulation and Business Opportunities. In those positions, he managed congressional staff and workload, laying the groundwork for his move to the Congressional Management Foundation as Deputy Executive Director in 1988. One year later, he became its Executive Director.

● This "bullet" symbol identifies statements or insertions which are not spoken by a Member of the Senate on the floor.

Rick is a management consultant with unparalleled expertise in how to provide management and leadership assistance in the unique environment of Congress. He conducts organizational assessments for individual offices, committee offices, leadership organizations and ultimately for Congress itself. He prepares and conducts surveys in support of change processes for congressional organizations; facilitates strategic planning sessions and develops written organization plans; facilitates group problem solving for House and Senate offices; and provides individual assessment and coaching to senior managers and Members of Congress. During his tenure at CMF, Rick has delivered dozens of training programs to address the needs of legislative and support staff. He has authored and supervised the production of several books and reports, including the biannual House and Senate Staff Salary Surveys, Frontline Management, a guide for state office staff, and Setting Course, A Congressional Management Guide, which most new members of Congress find an absolutely indispensable tool as they face the daunting task of setting up their offices after being elected. Most recently, Rick and CMF have gotten deeply involved in information technology related issues, such as website design and managing internet communication.

Mr. Speaker, CMF is not a large institution, nor is it a well-endowed one. It is, in fact, a small group of dedicated people whose sole goal is to help Congress become a more productive and effective institution through good management practices. There is a great deal of work to be done toward that end, and the staff at CMF, led by Rick, works very hard at reaching that goal. Under Rick's leadership, the range and quality of services CMF provides has grown significantly, and the institution of Congress has benefited greatly from this growth.

Mr. Speaker, for 16 years, Rick has worked tirelessly with staff on both sides of the aisle to improve the management of Congress. I believe that his contribution to the functioning of this body has been extraordinarily valuable, and my purpose in rising today is to express my appreciation for his years of good work.

Mr. Speaker, it is a great honor for me to recognize one of the most important contributors to the effective management of Congress, Mr. Richard H. Shapiro.

**HON. JIM COSTA**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 17, 2005

Mr. COSTA. Mr. Speaker, I rise today to congratulate Police Chief Jerry Dyer of Fresno, California for receiving the 2005 Excellence In Public Service Award. The Fresno Bee, The Fresno Business Council and the Maddy Institute at California State University, Fresno, sponsor this prestigious award.

A dedicated advocate of justice, Jerry Dyer has devoted his entire professional career to safeguarding his community. The honor of receiving recognition for public service is long overdue and well deserved.

Mr. Dyer received his Bachelor's Degree in Criminology from California State University,

Fresno and his Master's Degree in Management from California Polytechnic University at Pomona. He is a graduate of the California Command College, where his peers chose him as the Most Inspirational Student.

Chief Dyer has served with the Fresno Police Department for 26 years. His hard work and dedication to public safety did not go unrecognized and on August 1, 2001 he was named Chief of Police. During his tenure as Police Chief, the Fresno community has experienced three consecutive years of a decrease in crime, which resulted in a 33-year-low in crime for the year 2004.

Traffic safety has also been made a top priority of the Fresno Police Department since the appointment of Mr. Dyer as the Chief of Police; guided by the wisdom of Chief Dyer, the Fresno Police Department has received national and state recognition for its traffic safety efforts, which include the prestigious California Highway Patrol Commissioner's Award. The department has also received many other honors, such as first place in the International Association of Chiefs of Police "Law Enforcement Chief's Challenge" and "Impaired Driving Enforcement Award," as well as three consecutive first place awards in the "California Law Enforcement Chiefs Challenge."

Chief Jerry Dyer has worked tirelessly to make the Fresno Police Department one of the state's outstanding law enforcement organizations. He has initiated rigorous processes to have the Department nationally accredited through the Commission on Accreditation for Law Enforcement Agencies. In 2005 the Fresno Police Department was awarded accreditation status; less than 4 percent of law enforcement agencies in the United States have achieved this honor.

Chief Jerry Dyer personifies a hero in every aspect of the term. His sacrifices and belief in justice are admirable. The community of Fresno is honored to have a loyal, honest, and trustworthy leader of our police force and we applaud his dedication to providing a safe environment for our community.
