The Clerk read as follows:

H.R. 1564

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "Yakima-Tieton Irrigation District Conveyance Act of 2005".

SEC. 2. CONVEYANCE OF CERTAIN BUILDINGS AND LANDS OF THE YAKIMA PROJECT, WASHINGTON.

(a) **CONVEYANCE REQUIRED.**—The Secretary of the Interior shall convey to the Yakima-Tieton Irrigation District, located in Yakima County, Washington, all right, title, and interest of the United States in and to the buildings and lands of the Yakima Project, Washington, in accordance with the terms and conditions set forth in the agreement titled "Agreement Between the United States and the Yakima-Tieton Irrigation District to Transfer Title to Certain Federally Owned Buildings and Lands, With Certain Property Rights, Title, and Interest, to the Yakima-Tieton Irrigation District" (Contract No. 5-07-10-L1658).

(b) **LIABILITY.**—Effective upon the date of conveyance under this section, the United States shall not be held liable by any court for damages of any kind arising out of any act, omission, or occurrence relating to the conveyed buildings and lands, except for damages caused by acts of negligence committed by the United States or by its employees or agents before the date of conveyance. Nothing in this section increases the liability of the United States beyond that provided in chapter 171 of title 28, United States Code (popularly known as the Federal Tort Claims Act), on the date of the enactment of this Act.

(c) **BENEFITS.**—After conveyance of the buildings and lands to the Yakima-Tieton Irrigation District under this section—

(1) such buildings and lands shall not be considered to be a part of a Federal reclamation project; and

(2) such irrigation district shall not be eligible to receive any benefits with respect to any buildings and lands conveyed, except benefits that would be available to a similarly situated person with respect to such buildings and lands that are not part of a Federal reclamation project.

(d) **REPORT.**—If the Secretary of the Interior has not completed the conveyance required under subsection (a) within 12 months after the date of the enactment of this Act, the Secretary shall submit to Congress a report that explains the reason such conveyance has not been completed and stating the date by which the conveyance will be completed.

The SPEAKER pro tempore. Pursuant to the rule, the gentlewoman from Colorado (Mrs. MUSGRAVE) and the gentlewoman from the Virgin Islands (Mrs. CHRISTENSEN) each will control 20 minutes.

The Chair recognizes the gentlewoman from Colorado (Mrs. MUSGRAVE).

GENERAL LEAVE

Mrs. MUSGRAVE. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks and include extraneous material on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentlewoman from Colorado?

There was no objection.

Mrs. MUSGRAVE. Mr. Speaker, I yield myself such time as I may consume.

H.R. 1564, sponsored by our colleague DOC HASTINGS, conveys 9 acres of federally owned land and administrative buildings to the Yakima-Tieton Irrigation District in Washington State. No project facilities such as dams, diversion structures, or canals are included in this title transfer.

The transfer has been in the works for almost a decade. This legislation, also introduced by the junior Senator from Washington, will enhance more private ownership and decrease the Federal Government's liability. It is a win for the local community and a win for the American taxpayer. I urge my colleagues to support this important bipartisan legislation.

Mr. Speaker, I reserve the balance of my time.

Mrs. CHRISTENSEN. Mr. Speaker, I yield myself such time as I may consume.

(Mrs. CHRISTENSEN asked and was given permission to revise and extend her remarks.)

Mrs. CHRISTENSEN. Mr. Speaker, the majority has already explained the legislation. I would only add that we on this side of the aisle have no objection to its passage.

Mr. Speaker, I yield back the balance of my time.

Mrs. MUSGRAVE. Mr. Speaker, I yield such time as he may consume to the gentleman from Washington (Mr. HASTINGS).

Mr. HASTINGS of Washington. I thank the gentlewoman for yielding.

Mr. Speaker, my legislation would enable a long-awaited transfer of property from the Bureau of Reclamation to the Yakima-Tieton Irrigation District in central Washington. This transfer involves the conveyance of approximately 9 acres of Federal property as well as a few associated structures. These facilities are already dedicated to purposes related to the irrigation district. With this conveyance, the district will be able to use district funds to make needed improvements for the future. The irrigation district has fully repaid its obligations to the United States related to these properties, and the bureau is no longer interested in their day-to-day management and upkeep.

During hearings before the Resources Committee earlier this year, the administration expressed its support for this legislation and noted that this transfer allowed the bureau to focus its limited resources where they are more urgently needed. In my view, this is an example of local problem-solving at its best.

Mr. Speaker, I commend the staff of the irrigation district and the Bureau of Reclamation for their work on this. This legislation would not be before us today without their cooperative efforts over the last few years to negotiate this agreement. I also want to thank

Resources Chairman POMBO and Water and Power Subcommittee Chairman RADANOVICH for moving this legislation through the process, as well as Kiel Weaver and other members of the committee staff for their work on this bill.

Again, this is a noncontroversial conveyance of property agreed to by the irrigation district and the Bureau of Reclamation. I urge my colleagues to support the bill.

Mrs. MUSGRAVE. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentlewoman from Colorado (Mrs. MUSGRAVE) that the House suspend the rules and pass the bill, H.R. 1564.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds of those present have voted in the affirmative.

Mrs. MUSGRAVE. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX and the Chair's prior announcement, further proceedings on this question will be postponed.

FRANKLIN NATIONAL BATTLEFIELD STUDY ACT

Mrs. MUSGRAVE. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 1972) to direct the Secretary of the Interior to conduct a special resource study to determine the suitability and feasibility of including in the National Park System certain sites in Williamson County, Tennessee, relating to the Battle of Franklin, as amended.

The Clerk read as follows:

H.R. 1972

There are authorized to be appropriated such sums as are necessary to carry out this Act.

The SPEAKER pro tempore. Pursuant to the rule, the gentlewoman from Colorado (Mrs. MUSGRAVE) and the gentleman from the Virgin Islands (Mrs. CHRISTENSEN) each will control 20 minutes.

The Chair recognizes the gentlewoman from Colorado (Mrs. MUSGRAVE).

GENERAL LEAVE

Mrs. MUSGRAVE. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks and include extraneous material on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentlewoman from Colorado?

There was no objection.

Mrs. MUSGRAVE. Mr. Speaker, I yield myself such time as I may consume.

H.R. 1972, introduced by Congresswoman MARSHA BLACKBURN, would direct the Secretary of the Interior to determine the suitability and feasibility of including sites related to the Battle of Franklin into the National Park System. This study area will include the cities of Brentwood, Franklin, Triune, Thompson's Station and Spring Hill, Tennessee. The Secretary will determine if the sites within the study area have national significance and if they may be included in an existing national park or another federally designated unit.

I urge adoption of the bill.

Mr. Speaker, I reserve the balance of my time.

Mrs. CHRISTENSEN. Mr. Speaker, I yield myself such time as I may consume.

I want to congratulate both sponsors, including the cosponsor on this side, Congressman LINCOLN DAVIS, for their leadership in getting this bill to the floor today. The majority has already explained this legislation. I would only add that we on this side of the aisle also support it.

Mr. Speaker, I reserve the balance of my time.

Mrs. MUSGRAVE. Mr. Speaker, I yield such time as she may consume to the gentlewoman from Tennessee (Mrs. BLACKBURN).

Mrs. BLACKBURN. Mr. Speaker, I would like to begin by thanking my

colleague, Congressman DAVIS, for his diligence and his attention to this matter. This addresses Williamson County, Tennessee, which he and I share the representation of. He and his staff have worked very closely with us to address this issue of looking at the Franklin battlefield.

By way of history, Mr. Speaker, on the afternoon of November 30, 1864, General Hood's Army of Tennessee marched down Winstead Hill in Franklin, Tennessee, and charged the Union forces of General Schofield. Fighting continued until late in the evening as both sides sustained heavy casualties. The following morning revealed the terrible consequences of the fighting that took place and how the battle became the darkest day of the Civil War. With over 9,000 dead soldiers and six dead Confederate generals, the battle would be the bloodiest battle of the Civil War and would sound the death knell of the Confederacy. The battle is known as the Battle of Franklin.

Mr. Speaker, the Battle of Franklin was one of the last significant battles leading to the Union victory over the Confederacy in the Civil War and has tremendous significance not only to our community but to American history. Yet there is neither a national cemetery nor a national battlefield park commemorating the battle. This bill is a first step toward preserving and protecting sites that contributed to this important Civil War landscape and achieving a solution to save the area as a national heritage through partnerships with the local communities.

It does, as the gentlewoman from Colorado said, direct the Secretary of the Interior to study sites in Williamson County, Tennessee, where portions of the Battle of Franklin took place or were related to the battle. The battlefield will serve as a memorial of the American citizens who fought and died for what they believed was right. I urge my colleagues' consideration on this bill. Again, I thank the gentleman from Tennessee for his support and assistance.

Mrs. CHRISTENSEN. Mr. Speaker, I yield such time as he may consume to the distinguished gentleman from Tennessee (Mr. DAVIS), the cosponsor of the legislation.

Mr. DAVIS of Tennessee. Mr. Speaker, I rise today in strong support of H.R. 1972, the Franklin National Battlefield Study Act. It is fitting that we protect this piece of American history by preserving this battlefield, home to the Battle of Franklin. As Roberts Hicks and Julian Bibb of Franklin's Charge put it best:

"What happened on the late afternoon and evening of November 30, 1864, was an epic display of courage and valor as troops on both sides gave their lives for causes they believed worthy and just. But the battle was much more. In essence, the Battle of Franklin was one of the most significant events in national unity, peace, and the end of slavery."

The Franklin battlefield might be one of the smallest battlefields in the United States, but it is also among the bloodiest. A staggering 9,000 soldiers were killed or wounded at Franklin, including the largest number of generals ever lost in any American battle. It was the largest infantry charge ever conducted in North America. In the 5 tragic hours that make up the Battle of Franklin, more men died in those 5 hours than the 19 hours on D-Day. Eleven Congressional Medals of Honor were earned at the Battle of Franklin.

The Civil War Sites Advisory Commission designated Franklin as one of just 45 principal battles having a direct, observable impact on the direction, duration, conduct, or outcome of the war. Marking the beginning of the end for the Western Theater of the Civil War, it is now listed among the country's Top 10 Most Endangered Civil War Battlefields by the Civil War Preservation Trust. I strongly support Representative BLACKBURN's legislation to correct this injustice. The Battle of Franklin is considered the beginning of the defeat of the Confederacy.

I applaud the efforts of Save the Franklin Battlefield, Incorporated; Mayor Miller of Franklin; Franklin's Charge; the Williamson County Historical Society; interested city and county leaders; and leading preservationists and conservation organizations that have sought to make this legislation a reality. It has been a delight to work with the gentlewoman from Tennessee on this particular issue, which is in her home district, a county that we both share.

I believe it is our duty to preserve this historical battlefield, and we are bound by the respect and homage we must pay for those who died to preserve the Nation we hold so dear and revere today. But this is also for our children and grandchildren who will now be able to experience a chapter in our Nation's history in a way that a textbook cannot provide.

Mrs. CHRISTENSEN. Mr. Speaker, I yield back the balance of my time.

Mrs. MUSGRAVE. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentlewoman from Colorado (Mrs. MUSGRAVE) that the House suspend the rules and pass the bill, H.R. 1972, as amended.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.
