Mr. REGULA. Mr. Chairman, I move that the Committee do now rise.

The motion was agreed to.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. SHIMKUS) having assumed the chair, Mr. PUTNAM, Chairman of the Committee of the Whole House on the State of the Union, reported that that Committee, having had under consideration the bill (H.R. 3010), making appropriations for the Departments of Labor, Health and Human Services, and Education, and Related Agencies for the fiscal year ending September 30, 2006, and for other purposes, had come to no resolution thereon.

LIMITATION ON AMENDMENTS DURING FURTHER CONSIDERATION OF H.R. 3010, DEPARTMENTS OF LABOR, HEALTH AND HUMAN SERVICES, AND EDUCATION, AND RELATED AGENCIES APPROPRIATIONS ACT, 2006

Mr. REGULA. Mr. Speaker, I ask unanimous consent that, during fur-

ther consideration in the Committee of the Whole of H.R. 3010 pursuant to House Resolution 337, notwithstanding clause 11 of rule XVIII, no further amendment to the bill, as amended, may be offered except pro forma amendments offered at any point in the reading by the chairman or ranking minority member of the Committee on Appropriations or their designees for the purpose of debate, the additional amendments specified in this order, and amendments en bloc specified in this order; it shall be in order at any time for the chairman of the Committee on Appropriations or a designee, after consultation with the ranking minority member of the Committee on Appropriations, to offer amendments en bloc as follows: Amendments en bloc shall consist of amendments that may be offered under this order, or germane modifications of any such amendment; such amendments en bloc shall be considered as read, except that modifications shall be reported, shall be debatable for 10 minutes equally divided and controlled by the chairman and ranking minority member of the Committee on Appropriations or their designees, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole; all points of order against such amendments en bloc are waived; the original proponent of an amendment included in such amendments en bloc may insert a statement in the CONGRESSIONAL RECORD immediately before the disposition of the amendments en bloc.

The additional amendments specified in this order are as follows:

amendments printed in the CONGRESSIONAL RECORD and numbered 1, 2, 4, 5, 8, 10, 11, 14, 15, 16, 17, and 24;

an amendment by the gentleman from Iowa (Mr. KING) regarding coverage of certain drugs;

an amendment by the gentlewoman from Connecticut (Ms. DELAURO) regarding enforcement of certain compliance agreements;

an amendment by the gentleman from New York (Mr. ENGEL) regarding grants under the Public Health Service Act;

an amendment by the gentleman from Wisconsin (Mr. KIND) regarding designations of critical access hospitals;

an amendment by the gentleman from California (Mr. WAXMAN) regarding certain appointments to Federal advisory committees;

an amendment by the gentleman from California (Mr. GEORGE MILLER) regarding United Airline pension plans;

an amendment by the gentleman from New York (Mr. HINCHEY) regarding the content or distribution of public telecommunications programs and services under the Communications Act of 1934;

an amendment by the gentleman from California (Mr. HONDA) regarding military recruiters;

an amendment by the gentleman from Wisconsin (Mr. OBEY) regarding funding levels and income tax rates;

an amendment by the gentleman from Maryland (Mr. VAN HOLLEN) regarding special allowances under the Higher Education Act;

an amendment by the gentleman from Massachusetts (Mr. MARKEY) regarding interoperable information technology;

an amendment by the gentleman from Ohio (Mr. BROWN) regarding funding for the Medicaid Commission;

amendments by the gentleman from Ohio (Mr. REGULA) regarding veterans programs of the Department of Labor, LIHEAP, section 503 of H.R. 3010, or a limitation on the use of certain education funds; and

an amendment by the gentleman from Georgia (Mr. PRICE) regarding funding for certain education programs.

Each additional amendment may be offered only by the Member named in this request or a designee, or by the Member who caused it to be printed in the RECORD or a designee, shall be considered as read, shall be debatable for 10 minutes equally divided and controlled by the proponent and an opponent, shall not be subject to amendment except that the chairman and ranking minority member of the Committee on Appropriations and the Subcommittee on Labor, Health and Human Services, Education, and Related Agencies each may offer one pro forma amendment for the purpose of debate; and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole; and an amendment shall be considered to fit the description stated in this request if it addresses in whole or in part the object described.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Ohio?

Mr. OBEY. Reserving the right to object, Mr. Speaker, I think the Members need to understand what is happening. As we indicated at the beginning of the debate, the gentleman from Ohio and I were trying to work things out so that we could finish debate on this bill this afternoon. That, unfortunately, has not been possible. We have had quite a bit of cooperation from some Members and quite a bit less from others. As a result, it appears that at this moment we still have 26 amendments to consider. As you know, there is an event which some Members of the Congress feel required to attend tonight, not the gentleman from Ohio and not the gentleman from Wisconsin, but because of that event, we are going to be required to begin voting very shortly. An offer was made to continue to debate this bill throughout that event, allowing Members to return afterwards, but that offer was not accepted, and so the problem we have now is that, despite our best efforts, we will be here tomorrow, and, if this unanimous consent agreement is accepted, we might be finished by 3 or 4 o'clock.

Mr. Speaker, I want to say one other thing. I would ask Members in the future if they are offering amendments

to any appropriations bill to please be attentive enough to what is going on on the floor so that we do not pass their amendment in the reading of the bill. If we do that, then there are misunderstandings, somebody thinks somebody else was double-crossed or misled, and we wind up with frayed tempers. The committee cannot be expected to take care of Members who do not take care of their own interests.

Mr. Speaker, I withdraw my reservation of objection.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Ohio?

There was no objection.
