

This spring, Democrats attempted to add \$1.2 billion for veterans' health care on the \$82 billion Iraqi supplemental. And last September, Democrats sought to provide a \$2.5 billion increase over the Bush budget for veterans' health care. Over the last month, House Republicans have voted four times to block consideration of amendments offered by Democrats to add the needed funds for VA health care. It is time that we as a body unite to defend those brave Americans who risked their lives to defend our great nation. I urge all Members to support the Motion to Instruct.

Ms. BORDALLO. Mr. Speaker, I rise today in support of the gentleman from Wisconsin's (Mr. OBEY's) Motion to Instruct Conferees on Veterans Health Care on H.R. 2361, the Interior Appropriations Bill. Our servicemen and women are making daily sacrifices for our Nation in far off lands. Many will return home scarred by combat wounds, many others scarred by the face of war. Having completed their service to our Nation overseas, these servicemen and women have earned more than a debt of gratitude from their Nation but a debt of care. In order to do this, we must properly fund the organization dedicated to their care, the Veterans Administration.

I am pleased that the gentleman from Wisconsin, Mr. OBEY, has offered a motion to highlight the inadequacy of the House passed appropriations measures for our Veterans. This motion instructs conferees to accept the Senate position on Veterans' medical care by adding a desperately needed \$1.5 billion to the Veterans Administration budget.

Guam recently welcomed home a company of the Guam Army National Guard following the unit's combat tour in Djibouti, Africa. Many other sons and daughters of Guam have served on active duty in units across the Armed Services. I have an obligation to do everything possible for these heroes in ensuring that Congress has made a commitment to their care equivalent to the commitment they made to the care of our Nation.

It is time for the rhetoric of supporting our Soldiers and our Veterans to be met by our actions. I urge my colleagues to support the motion to instruct.

Mr. OBEY. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore (Mr. LINDER). Without objection, the previous question is ordered on the motion to instruct.

There was no objection.

The SPEAKER pro tempore. The question is on the motion to instruct offered by the gentleman from Wisconsin (Mr. OBEY).

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

Mr. OBEY. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX and the Chair's prior announcement, further proceedings on this question will be postponed.

APPOINTMENT OF CONFEREES ON H.R. 2985, LEGISLATIVE BRANCH APPROPRIATIONS ACT, 2006

Mr. TAYLOR of North Carolina. Mr. Speaker, I ask unanimous consent to

take from the Speaker's table the bill (H.R. 2985) making appropriations for the Legislative Branch for the fiscal year ending September 30, 2006, and for other purposes, with Senate amendments thereto, disagree to the Senate amendments, and agree to the conference asked by the Senate.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from North Carolina?

Mr. OBEY. Mr. Speaker, I reserve the right to object.

Mr. Speaker, I express this reservation in order to take a couple of moments to again express my disquiet about this legislative appropriation bill. I had originally intended to offer a motion to instruct conferees, but in the interest of time and comity, I will not do that. But I, under my reservation, want to make a number of points about funding contained in this bill.

This bill contains another large amount of taxpayers' dollars to pay for what is euphemistically referred to as the Capitol Visitors Center now being constructed on this end of the Capitol. In my view, that project has become a story of spectacular mismanagement and colossal government waste, and I feel obligated, as often as I have the opportunity, to object to the way this project has been handled and to object to what it is going to produce.

The cost of the Capitol Visitors Center, which was first estimated at \$95 million, has now ballooned to well over \$500 million, and there is no end in sight to the escalation in cost.

My second objection is that, for this money, we are getting a pitiful allocation of space to the major needs of the Congress and an outrageous, wasteful allocation of space to areas that I think represent far lower-grade needs. The current design of that Capitol Visitors Center, the House space under that project, provides for approximately 87,000 square feet of space, of which only 3,200 square feet is for hearing rooms where public business can be conducted. The major need of this Congress, if we are going to expand the size of this building, is to have rooms that are sufficiently large so that we can have conferences with the Senate and do our legislative business. Instead, the primary usable space in the House portion of this project is for, in essence, a media center or a propaganda center. It is to make the Congress comfortable with television. So we are going to have this elaborate, two-floor, ornate, state-of-the-art media center, communication center, propaganda center, whatever you want to call it, but we will have tiny rooms for conference committees and very little additional usable space. In short, what I think we will have in the end is an opulent Taj Mahal, abundance of show space, but we will have a shortage of usable working space. I think that is regrettable given what the taxpayer is going to be asked to spend.

I would also say again that I find it incredible to hear the changing jus-

tifications for the new theater which is going to be in the visitors center. There is a huge 450-seat theater which is being built at a cost of many millions of dollars. When I asked why we need another room of that size, I was told, well, because it is a place where Members of Congress can bring large constituency groups. I do not know how many Members of Congress bring 450 people into a room in the Capitol, but if there is a Member who has ever tried to do that, I have never met him.

Secondly, we were then told, well, actually this will be good space for the House of Representatives to meet in when its existing House Chamber, the room that we are in now, is refurbished and reengineered and redecorated. The only problem with that, Mr. Speaker, is that we already have a room, the Ways and Means Committee room in the Longworth Building, which was built for that purpose, to serve as a backup House Chamber, and which was just redecorated at a cost of many, many dollars. It is beautiful. It ought to be sufficient. In addition to that, there is yet another Chamber being built for the House off-campus, which I cannot talk about because it is classified. So we are going to have two backup Chambers at a cost of an enormous amount.

□ 1300

And when we really dig into what this room is really supposed to be for, we discover that in the original budget justifications, what it was designated as, is being an additional theater for the Library of Congress.

So those are some of my objections to this bill, and I believe that this is the last chance that we have to get the leadership of this House and the Architect of the Capitol to at least change the way the space is being designed so that it is more usable, more efficient, and more useful to produce legislative products rather than propaganda press releases out of a media center.

Mr. Speaker, I withdraw my reservation of objection.

The SPEAKER pro tempore (Mr. LINDER). Is there objection the request of the gentleman from North Carolina?

There was no objection.

The SPEAKER pro tempore. Without objection, the Chair appoints the following conferees: Mr. LEWIS of California, Mr. KINGSTON, Ms. GRANGER, and Messrs. DOOLITTLE, LAHOOD, OBEY, HOYER, and MORAN of Virginia.

There was no objection.
