AMENDMENT PROCESS FOR H.R. 4128, PRIVATE PROPERTY RIGHTS PROTECTION ACT OF 2005

(Mr. DREIER asked and was given permission to address the House for 1 minute.)

Mr. DREIER. Mr. Speaker, the Rules Committee may meet next week to grant a rule which could limit the amendment process for floor consideration of H.R. 4128, the Private Property Rights Protection Act of 2005.

Any Member wishing to offer an amendment should submit 55 copies of the amendment and one copy of a brief explanation of the amendment to the Rules Committee in room H-312 of the Capitol by 10 a.m. on Wednesday, November 2, 2005. Members should draft their amendments to the bill as reported by the Judiciary Committee on Thursday, October 27, which is expected to be filed with the House early next week. Members are also advised that the text should be available for their review on the Web sites of the Judiciary and Rules Committees by today, October 28.

Members should use the Office of Legislative Counsel to ensure that their amendments are drafted in the most appropriate format and should check with the Office of the Parliamentarian to be certain that their amendments comply with the rules of the House.

LEGISLATIVE PROGRAM

(Mr. HOYER asked and was given permission to address the House for 1 minute.)

Mr. HOYER. Mr. Speaker, I yield to the gentleman from California, chairman of the Rules Committee, I am not sure what the other titles are, for the purposes of informing us of the schedule for the week to come.

Mr. DREIER. Mr. Speaker, I thank my friend for yielding, and I will tell the gentleman that my title is just that of a humble servant to try and make sure that this institution works as well as possible in a bipartisan way.

Mr. HOYER. Mr. Speaker, I think most of the public believes that we hopefully are servants. The adjective I am not sure that they always agree with.

Mr. DREIER. Well, humble is the one I put there, and I am proud to have it there.

Mr. Speaker, let me say that the House will convene on Tuesday at 12:30 p.m. As you know, we are going to be proceeding today with the resolution on Rosa Parks, which is a very important item for us. But when we adjourn and complete our business today, we will adjourn to meet on Tuesday at 12:30 for morning hour and at 2 p.m. for legislative business. We will consider several measures under suspension of the rules. A final list of those measures to be considered under suspension will be sent to Members' offices by the end of today. Any votes called on those measures will be rolled until 6:30 p.m. on Tuesday.

For Wednesday and the balance of the week, the House will consider additional legislation under suspension of the rules, as well as H.R. 4128, the Private Property Rights Protection Act of 2005, which I just mentioned and asked for submission of amendments on that. We will be making a rule in order for that. We also anticipate that the House will consider additional appropriations conference reports as they become available.

Mr. HOYER. Mr. Chairman, you do not mention Friday. There is one bill mentioned, plus perhaps conference reports on appropriations bills. Do you anticipate that we will be meeting Friday next, or that Members can be reasonably confident that we will complete our work for the week by Thursday night?

Mr. DREIER. Mr. Speaker, let me just say that obviously we are working very hard on the appropriations work. Chairman LEWIS is moving through that agenda very well, and it is our hope that we will be able to complete work. But just as we found today we had the opportunity to consider the Agriculture appropriations conference report, we may, next Friday, have a conference report that would come forward.

Obviously, we will try to get our work completed as expeditiously as possible, and if we can complete it by Thursday, we would like to. But I do think that Members should look at the prospect of being here at least part of the day on Friday of next week, if we do have another conference report from the Appropriations Committee.

Mr. HOYER. Reclaiming my time, I thank the gentleman for that information.

Regarding Wednesday's schedule, which I know has become somewhat complicated, first of all, it is my understanding that the majority has some meetings on that morning. In addition, as you know, and you mentioned the resolution that we are going to consider on Rosa Parks, Rosa Parks'

funeral in Detroit is on Wednesday. Obviously, therefore, many, many Members will want to be attending that funeral, I am sure, on both sides perhaps. And we are wondering whether or not we can structure Wednesday's schedule to accommodate attendance at the funeral so that Members will not miss votes. It is my understanding that the funeral is at 11 o'clock.

I might yield to the ranking member of the Judiciary Committee, who was very, very close to Mrs. Parks, to perhaps give us a thought on the time frame in which Members could be back from the funeral.

Mr. CONYERS. I thank the gentleman very much for yielding.

Saturday, Montgomery, Alabama, St. Paul AME Church. Sunday, St. Paul AME Church, 10:30, Montgomery, Alabama. Lying in honor at the Rotunda, Capitol, Sunday, from 6:00 p.m. to 9 a.m., which is what we are going to be looking into very shortly. And then Monday, services in Washington, D.C., at the Metropolitan AME Church; Tuesday, Detroit, where her body lies in state at the Wright African American Museum; with a service Wednesday, November 2, at 11 a.m.

Mr. HOYER. Could the gentleman give some idea as to when you believe that Members who attend the 11 o'clock funeral would be able to get back to Washington vis-a-vis votes?

Mr. CONYERS. It would be a 2- to 3-hour service, and we are trying to arrange military craft. We are talking with the Pentagon right now. The Speaker's Office has been very cooperative on this, and we are hoping that there would be a plane for Members to leave here from Washington to Detroit, and back to Washington.

Mr. HOYER. And then given the fact that the Speaker's Office obviously is making these arrangements, I yield to my friend.

Mr. DREIER. I thank my friend for yielding. And let me thank Mr. CONYERS for outlining the schedule for the Nation to remember an extraordinary life.

I, of course, remember very well when we honored Rosa Parks here, and, having learned so many things about her that I frankly did not know just within the last few days, her level of political activism in the 1940s and the kinds of things that she had done, it is very appropriate, and I know the Speaker has done everything that he possibly can to ensure that we do recognize this great life and, of course, by having Rosa Parks' body lie in state here in the Capitol. I think that is a great testament to an extraordinary life.

As we look at our legislative schedule, Mr. Speaker, let me say that we have the very important goal of dealing with legislation that is emerging from the committee chaired by Mr. SENSENBRENNER, and Mr. CONYERS is the ranking minority member. And that legislation which I mentioned earlier, dealing with the issue of eminent
