STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. INHOFE (for himself and Mr. COBURN):

S. 1820. A bill to designate the facility of the United States Postal Service located at 6110 East 51st Place in Tulsa, Oklahoma, as the “Dewey F. Bartlett Post Office”; to the Committee on Homeland Security and Governmental Affairs.

Mr. INHOFE. Mr. President, I rise today along with my colleague, TOM COBURN, to proudly introduce legislation to designate the facility of the United States Postal Service located at 6110 East 51st Place in Tulsa, OK as the “Dewey F. Bartlett Post Office”.

Dewey Follett Bartlett, former Governor and distinguished alumnus of this Senate body, emulated the Oklahoma spirit of innovative leadership, hard work, and public service. In his honor, I proudly seek to name a post office in his hometown of Tulsa, OK. We commemorate an outstanding public servant so that posterity will be challenged by his example, just as we have been.

Although he was not actually born in Oklahoma, Dewey Bartlett naturalized as fast as he could. While studying at Princeton University, he came home during summers to work in Oklahoma oil fields just as I did. He moved to my hometown, Tulsa, in 1945 to assume a managing role in his family’s business after his military service during World War II.

Dewey Bartlett shared my dedication to a strong national defense. As a member of the Senate Armed Services Committee and a pilot myself, I appreciate Mr. Bartlett for his military service to our country. He was awarded the Air Medal for his distinguished efforts in the Pacific Theater during World War II. Not only did he serve in the U.S. Marine Corps as a combat dive-bomber pilot, he championed the military during his service in the Senate.

During his tenure in the Senate, Bartlett was more than once deemed the most conservative member of the Senate. It is an Oklahoma distinction that I have sought to uphold. Last year, the American Conservative Union ranked me as the most conservative

member of the Senate. I share his vision of advocating common sense Oklahoma values including less government bureaucracy, less regulation, lower taxes and fiscal responsibility.

Dewey Bartlett’s political philosophy was consistent with the Constitutional intention to not encumber Americans with layers of bureaucracy, but to promote individual liberty, freedom and justice. I am pleased that we can honor albeit in a small way, his service to our country by naming a post office in Tulsa, OK after him.

I encourage my colleagues to join me in support of this legislation as we commemorate an outstanding citizen so that future generations will be challenged by his example.

By Mr. REID (for himself, Mr. OBAMA, Mr. BAYH, Mr. KENNEDY, Mr. HARKIN, Mr. DURBIN, Mr. REED, Mr. DODD, Mrs. MURRAY, Ms. MIKULSKI, Mrs. CLINTON, Mr. KOHL, and Mr. DAYTON):

S. 1821. A bill to amend the Public Health Service Act with respect to preparation for an influenza pandemic, including an avian influenza pandemic, and for other purposes; to the Committee on Health, Education, Labor, and Pensions.

Mr. REID. Mr. President, four years after 9/11, the government was supposed to be prepared for a crisis like Hurricane Katrina. Yet as we all saw, the government was not. We owe it to the American people to do better in the future.

Once again, the experts are warning us. This time, it’s not about levees or terrorists. It’s about another pandemic flu.

According to the experts, another pandemic flu is not a matter of if but a question of when. As Dr. Julie Gerberding of the Centers for Disease Control put it: “. . . many influenza experts, including those at CDC, consider the threat of a serious influenza pandemic to the United States to be high. Although the timing and impact of an influenza pandemic is unpredictable, the occurrence is inevitable and potentially devastating.”

The devastation caused by Hurricane Katrina would pale in comparison to the potential consequences of a global pandemic. A respected U.S. health expert has concluded that 1.7 million Americans would die in the first year alone of an outbreak. A pandemic flu outbreak in the Untied States today could cost our economy hundreds of billions of dollars due to death, lost productivity and disruptions to commerce and society.

Perhaps the only thing more troubling than contemplating the possible consequences of an avian flu pandemic is recognizing that neither this Nation nor the world are prepared to deal with it.

Our National Pandemic Plan is still in draft stages. We lack the capacity to rapidly manufacture vaccines in mass
