PRIVILEGE OF THE FLOOR

ASSISTANCE FOR ORPHANS AND OTHER VULNERABLE CHILDREN IN DEVELOPING COUNTRIES

Mr. FRIST. Mr. President, I ask unanimous consent the Senate proceed to the immediate consideration of H.R. 1409, which was received from the House.

The PRESIDING OFFICER. The clerk will report the bill by title.

The assistant legislative clerk read as follows:

A bill (H.R. 1409) to amend the Foreign Assistance Act of 1961 to provide assistance for orphans and other vulnerable children in developing countries, and for other purposes.

There being no objection, the Senate proceeded to consider the bill.

Mr. LUGAR. Mr. President, I rise to comment on H.R. 1409, a companion bill to S. 350, the Assistance for Orphans and Other Vulnerable Children in Developing Countries Act of 2005, which I introduced earlier this year. Prior to its passage, I want to address a concern that the administration has raised about the bill.

I want to clarify that this legislation is in no way intended to undercut the existing authority of the Global AIDS Coordinator over all U.S. Government resources and programs relating to international HIV/AIDS. The Office of the Global AIDS Coordinator has made tremendous progress in bringing together U.S. Government resources in addressing orphans and vulnerable children as part of the President's Emergency Plan for AIDS Relief. In accordance with section 102 of Public Law 108-25, the U.S. Leadership Against HIV/AIDS, Tuberculosis and Malaria Act of 2003, the Global AIDS Coordinator has primary responsibility for programming and directing funds for all international HIV/AIDS activities carried out by the U.S. Government.

This legislation is not intended to create new or separate authorities in programming or funding under the emergency plan regarding orphans and vulnerable children and HIV/AIDS programs, but rather provides for an advisory position to ensure that the best approaches to addressing the needs of this population are employed in our foreign HIV/AIDS programs. I would expect that the position created by this new legislation would work within the processes developed by the Office of the Global AIDS Coordinator to ensure that planning and implementation of any orphans and vulnerable children programs relating to international HIV/AIDS are consistent with the goals of the emergency plan. In fact, it is possible that this position may indeed be within the Office of the Global AIDS Coordinator, at the discretion of the Secretary of State, because of the close

relationship of HIV/AIDS and its effect on orphans and vulnerable children.

The AIDS orphan crisis in sub-Saharan Africa has implications for political stability, development, and human welfare that extend far beyond the region, affecting governments and people worldwide. Every 14 seconds another child is orphaned by AIDS. Turning the tide on this crisis will require a coordinated, comprehensive, and swift response. I am hopeful that Senators will join me in backing this important legislation.

Mr. FRIST. I ask unanimous consent the bill be read a third time and passed, the motion to reconsider be laid on the table, and any statements be printed in the RECORD.

The PRESIDING OFFICER. Without objection, it is so ordered.

The bill (H.R. 1409) was read the third time and passed.
