STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Ms. SNOWE (for herself, Mr. TALENT, and Mr. BOND):

S. 1923. A bill to address small business investment companies licensed to issue participating debentures, and for other purposes; to the Committee on Small Business and Entrepreneurship.

Ms. SNOWE. Mr. President, I rise to support the "Small Business Investment and Growth Act of 2005," which I have introduced today to facilitate increased investments in small businesses throughout this country. I am pleased to be joined by my esteemed colleagues from Missouri, Senator Jim Talent and Senator Kit Bond, in sponsoring this bill.

As Chair of the Senate Committee on Small Business and Entrepreneurship, I am committed to supporting our Nation's small businesses by increasing their access to capital. Small businesses comprise 99.7 percent of all businesses in the United States. Moreover, small businesses employ more than half, 57 percent, of the total private-sector workforce, and are responsible for the creation of more than two-thirds of all new jobs. Clearly, increasing investments in small businesses is crucial to our on-going economic success.

This bill will reform and enhance the Small Business Administration's SBIC program, a program that is vital to fostering innovation, growth, and job creation in small businesses throughout our country. Small Business Investment Companies (SBICs) are privately-owned and managed venture capital investment companies that are licensed and regulated by the SBA. SBICs use their own capital, combined with funds borrowed from other private investors and supported by an SBA guarantee, to make equity and debt investments in qualifying small businesses. The SBA shares in the profits of SBICs. The structure of the program is unique and has been a model for similar public-private partnerships around the world.
