

and Canada. The United States and Canada trade \$1.2 billion worth of goods and services each day that supports 5.2 million jobs. Trade between the United States and Canada is valued over \$400 billion per year. Michigan's trade with Canada represents 19 percent of the United States land-based trade and supports 174,000 Michigan jobs.

The Detroit Windsor Tunnel is a crucial link between the U.S. and Canadian economies. The tunnel is one of the 15 busiest border crossings nationally, with more than 9 million vehicles passing through the tunnel each year. Additionally, at least 850 trucks and 5,000 commuters pass through the tunnel for business, entertainment, and shopping each day.

In recent years, all U.S. ports of entry have balanced increased border security requirements with the needs of tourists and business travelers to quickly enter and leave the United States. The Detroit Windsor Tunnel has enthusiastically responded to these challenges and worked with local, State and Federal officials to meet these urgent needs.

Mr. President, I commend the Detroit Windsor Tunnel on its 75th anniversary, for its service to the people of the United States and Canada, and for its continuous innovation to serve those who rely on it.●
