

legal representation in death penalty cases. Some judges have even refused to order relief in cases where the defense lawyer slept through substantial portions of the trial.

I am hopeful that the legislation proposed by our colleagues PATRICK LEAHY and GORDON SMITH in the Senate, and BILL DELAHUNT and RAY LAHOOD in the House, and signed into law by the President last year, will serve to improve the quality of counsel in capital cases.

I am heartened by the strong statement in President Bush's State of the Union Address last month in support of that program. I am also encouraged by the President's pledge to dramatically expand the use of DNA evidence to prevent wrongful convictions.

As we work together to remedy the most flagrant defects in the application of the death penalty, however, we must never lose sight of its basic injustice. Experience shows that continued imposition of the death penalty will inevitably lead to wrongful executions. Many of us are concerned about the racial disparities in the imposition of capital punishment and the wide disparities in the States in its application. The unequal, unfair, arbitrary and discriminatory use of the death penalty is completely contrary to our Nation's commitment to fairness and equal justice for all, and we need to do all we can to correct these fundamental flaws.

I yield the floor.

RULES OF PROCEDURE—PERMANENT SUBCOMMITTEE ON INVESTIGATIONS

Ms. COLLINS. Mr. President, Senate Standing Rule XXVI requires each committee to adopt rules to govern the procedure of the committee and to publish those rules in the RECORD not later than March 1 of the first year of each Congress. On February 28, 2005, a majority of the members of the Committee on Homeland Security and Governmental Affairs' Permanent Subcommittee on Investigations adopted subcommittee rules of procedure.

Consistent with Standing Rule XXVI, today I am submitting for printing in the RECORD a copy of the rules of the Permanent Subcommittee on Investigations.

I ask unanimous consent that the text of the committee rules be printed in the RECORD.

There being no objection, the material was ordered to be printed in the RECORD, as follows:

RULES OF PROCEDURE FOR THE SENATE PERMANENT SUBCOMMITTEE ON INVESTIGATIONS OF THE COMMITTEE ON HOMELAND SECURITY AND GOVERNMENTAL AFFAIRS

1. No public hearing connected with an investigation may be held without the approval of either the Chairman and the Ranking Minority Member or the approval of a majority of the Members of the Subcommittee. In all cases, notification to all Members of the intent to hold hearings must be given at least 7 days in advance to the

date of the hearing. The Ranking Minority Member should be kept fully apprised of preliminary inquiries, investigations, and hearings. Preliminary inquiries may be initiated by the Subcommittee majority staff upon the approval of the Chairman and notice of such approval to the Ranking Minority Member or the minority counsel. Preliminary inquiries may be undertaken by the minority staff upon the approval of the Ranking Minority Member and notice of such approval to the Chairman or Chief Counsel. Investigations may be undertaken upon the approval of the Chairman of the Subcommittee and the Ranking Minority Member with notice of such approval to all members.

No public hearing shall be held if the minority Members unanimously object, unless the full Committee on Homeland Security and Governmental Affairs by a majority vote approves of such public hearing.

Senate Rules will govern all closed sessions convened by the Subcommittee (Rule XXVI, Sec. 5(b), Standing Rules of the Senate).

2. Subpoenas for witnesses, as well as documents and records, may be authorized and issued by the Chairman, or any other Member of the Subcommittee designated by him, with notice to the Ranking Minority Member. A written notice of intent to issue a subpoena shall be provided to the Chairman and Ranking Minority Member of the Committee, or staff officers designated by them, by the Subcommittee Chairman or a staff officer designated by him, immediately upon such authorization, and no subpoena shall issue for at least 48 hours, excluding Saturdays and Sundays, from delivery to the appropriate offices, unless the Chairman and Ranking Minority Member waive the 48 hour waiting period or unless the Subcommittee Chairman certifies in writing to the Chairman and Ranking Minority Member that, in his opinion, it is necessary to issue a subpoena immediately.

3. The Chairman shall have the authority to call meetings of the Subcommittee. This authority may be delegated by the Chairman to any other Member of the Subcommittee when necessary.

4. If at least three Members of the Subcommittee desire the Chairman to call a special meeting, they may file in the office of the Subcommittee, a written request therefor, addressed to the Chairman. Immediately thereafter, the clerk of the Subcommittee shall notify the Chairman of such request. If, within 3 calendar days after the filing of such request, the Chairman fails to call the requested special meeting, which is to be held within 7 calendar days after the filing of such request, a majority of the Subcommittee Members may file in the office of the Subcommittee their written notice that a special Subcommittee meeting will be held, specifying the date and hour thereof, and the Subcommittee shall meet on that date and hour. Immediately upon the filing of such notice, the Subcommittee clerk shall notify all Subcommittee Members that such special meeting will be held and inform them of its dates and hour. If the Chairman is not present at any regular, additional or special meeting, the ranking majority Member present shall preside.

5. For public or executive sessions, one Member of the Subcommittee shall constitute a quorum for the administering of oaths and the taking of testimony in any given case or subject matter.

Five (5) Members of the Subcommittee shall constitute a quorum for the transaction of Subcommittee business other than the administering of oaths and the taking of testimony.

6. All witnesses at public or executive hearings who testify to matters of fact shall be sworn.

7. If, during public or executive sessions, a witness, his counsel, or any spectator conducts himself in such a manner as to prevent, impede, disrupt, obstruct, or interfere with the orderly administration of such hearing, the Chairman or presiding Member of the Subcommittee present during such hearing may request the Sergeant at Arms of the Senate, his representative or any law enforcement official to eject said person from the hearing room.

8. Counsel retained by any witness and accompanying such witness shall be permitted to be present during the testimony of such witness at any public or executive hearing, and to advise such witness while he is testifying, of his legal rights. Provided, however, that in the case of any witness who is an officer or employee of the government, or of a corporation or association, the Subcommittee Chairman may rule that representation by counsel from the government, corporation, or association, or by counsel representing other witnesses, creates a conflict of interest, and that the witness may only be represented during interrogation by staff or during testimony before the Subcommittee by personal counsel not from the government, corporation, or association, or by personal counsel not representing other witnesses. This rule shall not be construed to excuse a witness from testifying in the event his counsel is ejected for conducting himself in such a manner so as to prevent, impede, disrupt, obstruct, or interfere with the orderly administration of the hearings; nor shall this rule be construed as authorizing counsel to coach the witness or answer for the witness. The failure of any witness to secure counsel shall not excuse such witness from complying with a subpoena or deposition notice.

9. Depositions.

9.1 Notice. Notices for the taking of depositions in an investigation authorized by the Subcommittee shall be authorized and issued by the Chairman. The Chairman of the full Committee and the Ranking Minority Member of the Subcommittee shall be kept fully apprised of the authorization for the taking of depositions. Such notices shall specify a time and place of examination, and the name of the Subcommittee Member or Members or staff officer or officers who will take the deposition. The deposition shall be in private. The Subcommittee shall not initiate procedures leading to criminal or civil enforcement proceedings for a witness' failure to appear unless the deposition notice was accompanied by a Subcommittee subpoena.

9.2 Counsel. Witnesses may be accompanied at a deposition by counsel to advise them of their legal rights, subject to the provisions of Rule 8.

9.3 Procedure. Witnesses shall be examined upon oath administered by an individual authorized by local law to administer oaths. Questions shall be propounded orally by Subcommittee Members or staff. Objections by the witness as to the form of questions shall be noted for the record. If a witness objects to a question and refuses to testify on the basis of relevance or privilege, the Subcommittee Members or staff may proceed with the deposition, or may, at that time or at a subsequent time, seek a ruling by telephone or otherwise on the objection from the Chairman or such Subcommittee Member as designated by him. If the Chairman or designated Member overrules the objection, he may refer the matter to the Subcommittee or he may order and direct the witness to answer the question, but the Subcommittee shall not initiate procedures leading to civil or criminal enforcement unless the witness refuses to testify after he has been ordered and directed to answer by a Member of the Subcommittee.

9.4 Filing. The Subcommittee staff shall see that the testimony is transcribed or electronically recorded. If it is transcribed, the witness shall be furnished with a copy for review pursuant to the provisions of Rule 12. The individual administering the oath shall certify on the transcript that the witness was duly sworn in his presence, the transcriber shall certify that the transcript is a true record of the testimony, and the transcript shall then be filed with the Subcommittee clerk. Subcommittee staff may stipulate with the witness to changes in this procedure; deviations from this procedure which do not substantially impair the reliability of the record shall not relieve the witness from his obligation to testify truthfully.

10. Any witness desiring to read a prepared or written statement in executive or public hearings shall file a copy of such statement with the Chief Counsel or Chairman of the Subcommittee 48 hours in advance of the hearings at which the statement is to be presented unless the Chairman and the Ranking Minority Member waive this requirement. The Subcommittee shall determine whether such statement may be read or placed in the record of the hearing.

11. A witness may request, on grounds of distraction, harassment, personal safety, or physical discomfort, that during the testimony, television, motion picture, and other cameras and lights shall not be directed at him. Such requests shall be ruled on by the Subcommittee Members present at the hearing.

12. An accurate stenographic record shall be kept of the testimony of all witnesses in executive and public hearings. The record of his own testimony whether in public or executive session shall be made available for inspection by witness or his counsel under Subcommittee supervision; a copy of any testimony given in public session or that part of the testimony given by the witness in executive session and subsequently quoted or made part of the record in a public session shall be made available to any witness at his expense if he so requests.

13. Interrogation of witnesses at Subcommittee hearings shall be conducted on behalf of the Subcommittee by Members and authorized Subcommittee staff personnel only.

14. Any person who is the subject of an investigation in public hearings may submit to the Chairman of the Subcommittee questions in writing for the cross-examination of other witnesses called by the Subcommittee. With the consent of a majority of the Members of the Subcommittee present and voting, these questions, or paraphrased versions of them, shall be put to the witness by the Chairman, by a Member of the Subcommittee or by counsel of the Subcommittee.

15. Any person whose name is mentioned or who is specifically identified, and who believes that testimony or other evidence presented at a public hearing, or comment made by a Subcommittee Member or counsel, tends to defame him or otherwise adversely affect his reputation, may (a) request to appear personally before the Subcommittee to testify in his own behalf, or, in the alternative, (b) file a sworn statement of facts relevant to the testimony or other evidence or comment complained of. Such request and such statement shall be submitted to the Subcommittee for its consideration and action.

If a person requests to appear personally before the Subcommittee pursuant to alternative (a) referred to herein, said request shall be considered untimely if it is not received by the Chairman of the Subcommittee or its counsel in writing on or before thirty

(30) days subsequent to the day on which said person's name was mentioned or otherwise specifically identified during a public hearing held before the Subcommittee, unless the Chairman and the Ranking Minority Member waive this requirement.

If a person requests the filing of his sworn statement pursuant to alternative (b) referred to herein, the Subcommittee may condition the filing of said sworn statement upon said person agreeing to appear personally before the Subcommittee and to testify concerning the matters contained in his sworn statement, as well as any other matters related to the subject of the investigation before the Subcommittee.

16. All testimony taken in executive session shall be kept secret and will not be released for public information without the approval of a majority of the Subcommittee.

17. No Subcommittee report shall be released to the public unless approved by a majority of the Subcommittee and after no less than 10 days' notice and opportunity for comment by the Members of the Subcommittee unless the need for such notice and opportunity to comment has been waived in writing by a majority of the minority Members.

18. The Ranking Minority Member may select for appointment to the Subcommittee staff a Chief Counsel for the minority and such other professional staff members and clerical assistants as he deems advisable. The total compensation allocated to such minority staff members shall be not less than one-third the total amount allocated for all Subcommittee staff salaries during any given year. The minority staff members shall work under the direction and supervision of the Ranking Minority Member. The Chief Counsel for the minority shall be kept fully informed as to preliminary inquiries, investigations, and hearings, and shall have access to all material in the files of the Subcommittee.

19. When it is determined by the Chairman and Ranking Minority Member, or by a majority of the Subcommittee, that there is reasonable cause to believe that a violation of law may have occurred, the Chairman and Ranking Minority Member by letter, or the Subcommittee by resolution, are authorized to report such violation to the proper State, local and/or Federal authorities. Such letter or report may recite the basis for the determination of reasonable cause. This rule is not authority for release of documents or testimony.

CELEBRATION OF THE 44TH ANNIVERSARY OF THE PEACE CORPS

Mr. SARBANES. Mr. President, today it is my privilege to recognize the outstanding accomplishments of the Peace Corps as it celebrates its 44th anniversary this week.

Throughout the years, the Peace Corps has endured as one of the most important forces in our Nation's public diplomacy. At its founding in 1961, President Kennedy remarked, "The initial reactions to the Peace Corps proposal are convincing proof that we have, in this country, an immense reservoir of such men and women—anxious to sacrifice their energies and time and toil to the cause of world peace and human progress." Forty-four years on, the tireless efforts of thousands of Peace Corps volunteers have borne out President Kennedy's vision of service to the global community.

Today, nearly 8,000 Americans serving in 72 nations around the world play a vital role in the advancement of education, health care, HIV/AIDS education, and community and agricultural development. And because of its volunteers' ability and willingness to fully integrate into their host communities, the Peace Corps has become a leader in implementing new strategies for development, such as promoting community-based small businesses and microenterprise projects. Aided by these innovations, our volunteers continue to succeed in their mission of helping those most in need while promoting goodwill between Americans and the people they serve. In this time of global adversity, we cannot underestimate the contributions of the Peace Corps toward the causes of equality, opportunity, and peace.

As the Peace Corps embarks on its next 44 years, it will no doubt remain in the forefront of our efforts to expand prosperity and mutual understanding. I extend my congratulations to the Peace Corps and wish it every success in the future.

Mr. FEINGOLD. Mr. President, I am pleased to commemorate the 44th anniversary of the Peace Corps. For decades now, Peace Corps volunteers have generously and honorably served our country by working to build an understanding between the U.S. and foreign nations, and to create better lives for people around the world. Peace Corps volunteers reflect many of the very best impulses of the American people, and I am pleased to honor these volunteers of all backgrounds and ages. I am especially proud to commend the 252 sworn-in volunteers from Wisconsin. Since the Peace Corps' inception in 1961, the people of the State of Wisconsin have served as an important foundation for this program. The University of Wisconsin-Madison provided a training camp for new volunteers during the 1960s and over 2,600 of its alumni have participated in this program. UW Madison is second in the Nation in the number of current serving volunteers, 142. Wisconsin has an historic legacy in the Peace Corps, and I commend those who have done Wisconsin proud.

In 1960, President Kennedy challenged Americans to serve their country by living and working in developing countries. His vision continues to inspire generations. Today, over 178,000 Americans have answered his call by joining the Peace Corps. When I have the opportunity to travel abroad, I am amazed by the lasting impact that this organization and these eager men and women have had around the world.

Serving in 138 countries, Peace Corps volunteers contribute to developing countries, as varied as Ecuador, Mauritania, Azerbaijan, Bangladesh, and Tonga, through a range of talents and skills, from serving as teachers to agriculture workers to HIV/AIDS educators. I am particularly impressed that over 3,100 volunteers specifically
