UNANIMOUS CONSENT AGREEMENT—EXECUTIVE CALENDAR

Mr. McCONNELL. Mr. President, as in executive session, I ask unanimous consent that when the nomination for the Assistant Secretary for Civil Works is received by the Senate, it be referred to the Committee on Armed Services; provided that when the Committee on Armed Services reports the nomination it be referred to the Committee on Environment and Public Works for a period of 20 days of session; provided further that if the Committee on Environment and Public Works does not report the nomination within those 20 days, the committee be discharged from further consideration of the nomination and the nomination be placed on the Calendar.

The PRESIDING OFFICER. Is there objection?

Without objection, it is so ordered.

Mr. INHOFE. This order is a joint request by the chairmen and ranking members of the Committee on Armed Services and the Committee on Environment and Public Works. As Chairman of the Environment and Public Works Committee, and as a member of the Armed Services Committee, I want

to thank Chairman WARNER and Senator LEVIN for working together with Senator JEFFORDS and myself on this order.

Mr. WARNER. I thank Chairman INHOFE and as Chairman of the Committee on Armed Services, I am pleased to join him and our Committees' ranking members in supporting this order. I note that the issues for which the Assistant Secretary of the Army for Civil Works is responsible fall within the jurisdiction of both the Armed Services Committee and the Committee on Environment and Public Works.

Since the attacks of September 11, 2001, the Assistant Secretary of the Army for Civil Works has played an increasingly important role within the Department of Defense and the Department of the Army for homeland defense and homeland security. The Army protects and supports the American people in the event of natural and man-made disasters and emergencies. Army programs provide public works and engineering assistance to protect human life, reduce suffering, and mitigate damage, and Army response activities supplement State and local efforts. The Assistant Secretary of the Army for Civil Works also has responsibilities, in concert with the Chief of Staff of the Army, in directing the foreign activities of the U.S. Army Corps of Engineers and formulating and overseeing the budget of the Arlington National Cemetery, matters of great concern to the Armed Services Committee.

I note, as well, that there are matters under the Assistant Secretary of the Army for Civil Works' purview which are of concern to the Committee on Environment and Public Works. Army programs for conservation and development of national water resources, including flood control, navigation, and shore protection, come to mind. Consequently, I fully support this initiative noting that the order is identical to orders by the Senate in the 107th and 108th Congress.

Mr. JEFFORDS. I too support this order and I want to thank my colleagues on both the EPW Committee and Armed Services for working together on this joint request.

Mr. LEVIN. I want to thank my colleagues and I am pleased to join them in supporting this joint request.

Whereas the OSCE is the largest regional security organization in the world with 55 participating States from Europe, Central Asia, and North America;

Whereas the 1975 Helsinki Final Act, the 1990 Charter of Paris, and the 1999 Charter for European Security adopted in Istanbul are the principal documents of OSCE, defining a steadily evolving and maturing set of political commitments based on a broad understanding of security;

Whereas the OSCE is active in early warning, conflict prevention, crisis management, and post-conflict rehabilitation;

Whereas Russia and Georgia agreed at the 1999 OSCE Summit in Istanbul on specific steps regarding the withdrawal from Georgia of Russian forces, including military equipment limited by the Treaty on Conventional Armed Forces in Europe (CFE), and committed to resolve other key issues relating to the status and duration of the Russian military presence in Georgia;
