#### STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. KYL (for himself, Mr. CORNYN, and Mr. COBURN):

S. 783. A bill to repeal the sunset on the 2004 material-support enhancements, to increase penalties for providing material support to terrorist groups, to bar from the United States aliens who have received terrorist training, and for other purposes; to the Committee on the Judiciary.

Mr. KYL. Mr. President, I rise today to introduce the Material Support to Terrorism Prohibition Improvements Act of 2005.

Mr. Barry Sabin, the Chief of the Counterterrorism Section of the Justice Department's Criminal Division, testified as to the importance of the material support statute at a September 13 hearing before the Terrorism Subcommittee last year. He emphasized that:

A key element of the [Justice] Department's strategy for winning the war against terrorism has been to use the material support statutes to prosecute aggressively those individuals who supply terrorists with the support and resources they need to survive. The Department seeks to identify and apprehend terrorists before they can carry out their plans, and the material support statutes are a valuable tool for prosecutors seeking to bring charges against and incapacitate terrorists before they are able to cause death and destruction.

The bill that I introduce today expands current law's exclusion from the United States of persons who give material support to terrorism by training at a terrorist camp. The bill makes such persons inadmissible to the United States, they now only are deportable, and applies these exclusions to pre-enactment terrorist training. Mr. Sabin described at last year's hearing the threat posed by persons who have received training at a terrorist camp:

A danger is posed to the vital foreign policy interests and national security of the United States whenever a person knowingly receives military-type training from a designated terrorist organization or persons acting on its behalf. Such an individual stands ready to further the malicious intent of the terrorist organization through terrorist activity that threatens the security of United States nationals or the national security of the United States.

My bill would ensure that such persons not only are removed from the United States once they are found
