STATEMENTS ON INTRODUCED
BILLS AND JOINT RESOLUTIONS

By Mr. CORZINE (for himself and Mr. LAUTENBERG):

S. 825. A bill to establish the Crossroads of the American Revolution Na-

tional Heritage Area in the State of New Jersey, and for other purposes; to the Committee on Energy and Natural Resources.

Mr. CORZINE. Mr. President, today, along with Senator LAUTENBERG, I am introducing legislation, the Crossroads of the American Revolution National Heritage Area Act, to establish the Crossroads of the American Revolution National Heritage Area in the State of New Jersey. I am proud to be joining my New Jersey colleagues, Representatives RODNEY FREILINGHUYSEN and RUSH HOLT, who have introduced this legislation in the House of Representatives, with the support of the entire New Jersey delegation.

This legislation recognizes the critical role that New Jersey played during the American Revolution. In fact, New Jersey was the site of nearly 300 military engagements that helped determine the course of our history as a Nation. Many of these locations, like the site where George Washington made his historic crossing of the Delaware River, are well known and preserved. Others, such as the Monmouth Battlefield State Park in Manalapan and Freehold, and New Bridge Landing in River Edge, are less well known and are threatened by development or in critical need of funding for rehabilitation.

To help preserve New Jersey's Revolutionary War sites, this legislation would establish a Crossroads of the American Revolution National Heritage Area, linking about 250 sites in 15 counties. This designation would authorize \$10 million to assist preservation, recreational and educational efforts by the State, county and local governments as well as private cultural and tourism groups. The program would be managed by the non-profit Crossroads of the American Revolution Association.

Simply put, we are the Nation that we are today because of the critical events that occurred in New Jersey during the American Revolution and the many who died fighting there. By enacting the Crossroads of the American Revolution National Heritage Area Act of 2005, we will pay tribute to the patriots who fought and died in New Jersey so that we might become a Nation free from tyranny.

In the 107th Congress, I was proud to see the Senate approve this legislation as part of a bipartisan package of heritage area bills. Unfortunately, the bill was not approved in the House of Representatives. I will work even harder in the 109th Congress to see that this important legislation passes both houses and goes to the President's desk for his signature. I hope my colleagues will support this legislation, and I ask unanimous consent that the text of the bill be printed in the RECORD.

There being no objection, the bill was ordered to be printed in the RECORD, as follows:
