SENSE OF CONGRESS ON MEMBERSHIP OF ISRAEL IN THE WESTERN EUROPEAN AND OTHERS GROUP AT THE UNITED NATIONS

SEC. 6047. (a) Congress makes the following findings:

(1) The election of member states of the United Nations to the major bodies of the United Nations is determined by groups organized within the United Nations, most of which are organized on a regional basis.

(2) Israel has been refused admission to the group comprised of member states from the Asian geographical region of the United Nations and is the only member state of the United Nations that remains outside its appropriate geographical region, and is thus denied full participation in the day-to-day work of the United Nations.

(3) On May 30, 2000, Israel accepted an invitation to become a temporary member of the Western European and Others Group of the United Nations.

(4) On May 21, 2004, Israel's membership to the Western European and Others Group was extended indefinitely.

(5) Israel is only allowed to participate in limited activities of the Western European and Others Group in the New York office of the United Nations, is excluded from discussions and consultations of the Group at the United Nations offices in Geneva, Nairobi, Rome, and Vienna, and, may not participate in United Nations conferences on human rights, racism, or other issues held in such locations.

(6) Membership in the Western European and Others Group includes the non-European countries of Canada, Australia, and the United States.

(7) Israel is linked to the member states of the Western European and Others Group by strong economic, political, and cultural ties.

(8) The Western European and Others Group, the only regional group of the United Nations that is not purely geographical, is comprised of countries that share a western democratic tradition.

(9) Israel is a free and democratic country and its voting pattern in the United Nations is consistent with that of the member states of the Western European and Others Group.

(b) It is the sense of Congress that—

(1) the President should direct the United States Permanent Representative to the

United Nations to seek an immediate end to the persistent and deplorable inequality experienced by Israel in the United Nations;

(2) Israel should be afforded the benefits of full membership in the Western European and Others Group at the United Nations and such membership would permit Israel to participate fully in the United Nations system and would serve the interests of the United States; and

(3) the Secretary should submit to Congress, on a regular basis, a report that describes actions taken by the United States Government to encourage the member states of the Western European and Others Group to accept Israel as a full member of such Group and the responses of such member states to those actions.

NEPAL

SEC. (a) FINDINGS.—The Senate makes the following findings—

That, on February 1, 2005, Nepal's King Gyanendra dissolved the multi-party government, suspended constitutional liberties, and arrested political party leaders, human rights activists and representatives of civil society organizations.

That, despite condemnation of the King's actions and the suspension of military aid to Nepal by India and Great Britain, and similar steps by the United States, the King has refused to restore constitutional liberties and democracy.

That, there are concerns that the King's actions will strengthen Nepal's Maoist Insurgency.

That, while some political leaders have been released from custody, there have been new arrests of human rights activists and representatives of other civil society organizations.

That, the King has thwarted efforts of members of the National Human Rights Commission to conduct monitoring activities, but recently agreed to permit the United Nations High Commissioner for Human Rights to open an office in Katmandu to monitor and investigate violations.

That, the Maoists have committed atrocities against civilians and poses a threat to democracy in Nepal.

That, the Nepalese Army has also committed gross violations of human rights.

That, King Gyanendra has said that he intends to pursue a military strategy against the Maoists.

That, Nepal needs an effective military strategy to counter the Maoists and pressure them to negotiate an end to the conflict, but such a strategy must include the Nepalese Army's respect for the human rights and dignity of the Nepalese people.

That, an effective strategy to counter the Maoists also requires a political process that

is inclusive and democratic in which constitutional rights are protected, and government policies that improve the lives of the Nepalese people.

(b) Now therefore, be it

Resolved, that it is the Sense of the Senate that King Gyanendra should immediately release all political detainees, restore constitutional liberties, and undertake good faith negotiations with the leaders of Nepal's political parties to restore democracy.

SEC. 712. SMALL BUSINESS CONTRACTING IN OVERSEAS PROCUREMENTS.

(a) CONGRESSIONAL FINDINGS AND REAFFIRMATION OF EXISTING POLICY.—

(1) FINDINGS.—Congress finds that—  
(A) small business contracting in support of overseas activities of the Federal Government strengthens the trade posture of the United States in the global marketplace;

(B) small business contractors are a vital component of the civilian and defense industrial base, and they have provided outstanding value in support of the activities of the Federal Government domestically and internationally, especially in the international reconstruction, stabilization, and assistance activities in the Global War on Terror;

(C) maintaining a vital small business industrial base protects the Federal Government from higher costs and reduced innovation that accompany undue consolidation of Government contracts;

(D) Congress has a strong interest in preserving the competitive nature of the Government contracting marketplace, particularly with regard to performance of Federal contracts and subcontracts overseas;

(E) small business contractors suffer competitive harm and the Federal Government suffers a needless reduction in competition and a needless shrinkage of its industrial base when Federal agencies exempt contracts and subcontracts awarded for performance overseas from the application of the Small Business Act;

(F) small businesses desiring to support the troops deployed in the Global War on Terror and the reconstruction of Iraq and Afghanistan have faced needless hurdles to meaningful participation in Government contracts and subcontracts; and

(G) Congress has a strong interest in holding large prime contractors accountable for fulfilling their subcontracting plans on overseas assistance and reconstruction projects.

(2) REAFFIRMATION OF POLICY.—In light of the findings in subparagraph (A), Congress reaffirms its policy contained in sections 2 and 15 of the Small Business Act (15 U.S.C. 631, 644) and section 302 of the Small Business Economic Policy Act of 1980 (15 U.S.C. 631a) to promote international competitiveness of United States small businesses and to ensure that small business concerns are awarded a fair portion of all Federal prime contracts, and subcontracts, regardless of geographic area.

(b) COMPLIANCE.—Not later than 270 days after the date of enactment of this Act, the head of each Federal agency, office, and department having jurisdiction over acquisition regulations shall conduct regulatory reviews to ensure that such regulations require compliance with the Small Business Act in Federal prime contracts and subcontracts, regardless of the geographic place of award or performance, and shall promulgate any necessary conforming changes to such regulations.

(c) COOPERATION WITH THE SMALL BUSINESS ADMINISTRATION.—The Administrator and the Chief Counsel for Advocacy of the Small Business Administration shall be consulted for recommendations concerning regulatory reviews and changes required by this section.

(d) CONFLICTING PROVISIONS OF LAW.—In conducting any regulatory review or promulgating any changes required by this section, due note and recognition shall be given to the specific requirements and procedures of any other Federal statute or treaty which may exempt any Federal prime contract or subcontract from the application of the Small Business Act in whole or in part.

(e) REPORT TO CONGRESSIONAL COMMITTEES.—Not later than 1 year after the date of enactment of this Act, the Administrator and the Chief Counsel for Advocacy of the Small Business Administration shall submit to the Committee on Small Business and Entrepreneurship of the Senate and to the Committee on Small Business of the House of Representatives a report containing their views on the compliance status of Federal agencies, offices, and departments in carrying out this section.

“(B) TIMING.—The size standards established under subparagraph (A) shall become effective not later than 12 months after the date of enactment of this subsection.

“(C) CRITERIA.—The Administrator shall develop size standards under subparagraph (A) with the purpose of reducing the burdens on small business concerns, in connection with the need—

“(iii) to hire additional employees in order to successfully perform contracts or subcontracts in or near a zone of military conflict.

“(2) PROVISIONAL RULE.—Notwithstanding any other provision of law, until the rule, regulation or order established under paragraph (1)(A) becomes effective, the Administrator may not consider, in determining whether a business concern performing services in a qualified area qualifies as a small business concern for purposes of this Act—

“(A) receipts received under a qualified contract or subcontract; or

“(B) QUALIFIED CONTRACT OR SUBCONTRACT.—In this subsection, the term ‘qualified contract or subcontract’ means any contract, portion of a contract, subcontract, or portion of a subcontract awarded by an agency or instrumentality of the United States, or using funds made available through an appropriations Act, requiring the business concern to perform services in a qualified area.

“(o) DEFINITIONS RELATING TO CONSOLIDATION OF CONTRACT REQUIREMENTS.—In this Act—

“(2) the term ‘multiple award contract’ means—

“(A) a contract that is entered into by the Administrator of General Services under the multiple award schedule program referred to in section 2302(2)(C) of title 10, United States Code;

“(B) a multiple award task order contract or delivery order contract that is entered into under the authority of sections 2304a through 2304d of title 10, United States Code, or sections 303H through 303K of the Federal Property and Administrative Services Act of 1949 (41 U.S.C. 253h through 253k); and

“(C) with respect to a Federal department or agency other than those referred to in

subparagraphs (A) and (B), the official so designated by that department or agency.”.

(b) Section 15(e) of the Small Business Act (15 U.S.C. 644(e)) is amended—

(1) in paragraph (2)—  
 (A) by striking “RESEARCH.—  
 (A) IN GENERAL.—Before” and inserting “RESEARCH.—Before”; and  
 (B) by striking subparagraphs (B) and (C); and

(2) by striking paragraph (3) and inserting the following:

“(3) LIMITATION ON USE OF ACQUISITION STRATEGIES INVOLVING CONSOLIDATION.—

“(A) CERTAIN DEFENSE CONTRACT REQUIREMENTS.—An official of a military department, defense agency, or Department of Defense Field Activity shall not execute an acquisition strategy that includes a consolidation of contract requirements of the military department, agency, or activity with a total value in excess of \$5,000,000, unless the senior procurement executive first—

“(i) conducts market research;  
 “(ii) identifies any alternative contracting approaches that would involve a lesser degree of consolidation of contract requirements; and  
 “(iii) determines that the consolidation is necessary and justified.

“(B) CERTAIN CIVILIAN AGENCY CONTRACT REQUIREMENTS.—The head of a Federal agency not covered under subparagraph (A) that has contracting authority shall not execute an acquisition strategy that includes a consolidation of contract requirements of the agency with a total value in excess of \$2,000,000, unless the senior procurement executive of the agency first—

“(i) conducts market research;  
 “(ii) identifies any alternative contracting approaches that would involve a lesser degree of consolidation of contract requirements; and

“(C) ADDITIONAL REQUIREMENTS FOR HIGHER VALUE CONSOLIDATED CONTRACTS.—In addition to meeting the requirements under subparagraph (A) or (B), a procurement strategy by a civilian agency that includes a consolidated contract with a total value in excess of \$5,000,000, or by a defense agency that includes a consolidated contract with a total value in excess of \$7,000,000 shall include—

“(i) an assessment of the specific impediments to participation by small business concerns as prime contractors that will result from the consolidation;

“(ii) actions designed to maximize small business participation as prime contractors, including provisions that encourage small business teaming for the consolidated requirement;

“(iii) actions designed to maximize small business participation as subcontractors (including suppliers) at any tier under the contract or contracts that may be awarded to meet the requirements; and

“(iv) the identification of the alternative strategies that would reduce or minimize the scope of the consolidation and the rationale for not choosing those alternatives.

“(D) NECESSARY AND JUSTIFIED.—A senior procurement executive may determine that an acquisition strategy involving a consolidation of contract requirements is necessary and justified for purposes of subparagraph (A), (B), or (C), if the benefits of the acquisition strategy substantially exceed the benefits of each of the possible alternative contracting approaches identified under clause (ii) of any of those subparagraphs, as applicable. However, savings in administrative or personnel costs alone do not constitute, for such purpose, a sufficient justification for a consolidation of contract requirements in a procurement, unless the total amount of the

cost savings is expected to be substantial in relation to the total cost of the procurement.

“(E) BENEFITS.—Benefits considered for purposes of this paragraph may include cost and, regardless of whether quantifiable in dollar amounts—

“(i) quality;  
 “(ii) acquisition cycle;  
 “(iii) terms and conditions; and

Mr. President, I am pleased that the Senate is going to pass S. 289, a bill to reauthorize the Mental Health Court Program and provide \$10 million in grant funding annually for mental health courts through fiscal year 2011. I am the lead Democratic sponsor of this bill, and cosponsored similar legislation in the last Congress.

Senator DEWINE and I have worked together on a number of mental health issues. Last year, we worked together to enact the Mentally Ill Offender Treatment and Crime Reduction Act, which authorizes \$50 million annually

for a range of State and local projects designed to reduce the number of crimes committed by mentally ill individuals. We are now working together to obtain appropriations to fund the new law.

As former prosecutors, Senator DEWINE and I both realize the tremendous impact of mental illness on our criminal justice system. We need to stop the "revolving door" whereby mentally ill offenders cycle in and out of the criminal justice system for relatively minor offenses, taking up the time and resources of law enforcement officers, judges, and the community as a whole. My State of Vermont has benefited from funding under the Mental Health Court Program, and I know firsthand the good that mental health courts can do.

I hope the House will take up this bipartisan and uncontroversial legislation promptly and ensure that Federal support for mental health courts will continue.

Mr. FRIST. Mr. President, I ask unanimous consent that the bill be read a third time and passed, the motion to reconsider be laid upon the table, and that any statements relating to the measure be printed in the RECORD.

The PRESIDING OFFICER. Without objection, it is so ordered.

The bill (S. 289) was read the third time and passed, as follows:

S. 289

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled.*
