TRIBUTE TO REVEREND T. F. TENNEY

• Mr. VITTER. Mr. President, today I recognize Reverend T. F. Tenney, United Pentecostal Church District Superintendent for the State of Louisiana. Reverend Tenney retired on March 31, 2005, after 26 years of service in central Louisiana and throughout the State. More than 4,000 people attended a celebration of his service to offer heartfelt appreciation and best wishes at his retirement ceremony, and I join in their sentiments today.

Through his role as district superintendent he was responsible for overseeing all of Louisiana's United Pentecostal Churches. Reverend Tenney created a level of stability in the church and brought the United Pentecostal Church to a new level during his 26 years of service. His professionalism and guidance in handling Louisiana's churches and their congregations will be missed, as will his great wisdom and leadership.●

I personally commend, honor and thank Reverend Tenney on the occasion of his retirement from service to the people of Louisiana after 26 years as United Pentecostal Church District Superintendent for the State of Louisiana.●

IN MEMORY OF CLARENCE EDWARD "BIG HOUSE" GAINES

• Mr. BURR. Mr. President, today I mourn the passing of a great North Carolinian. Clarence "Big House" Gaines of Winston-Salem, NC passed away yesterday at the age of 81. He is survived by his lovely wife, Clara, and by his two children, Lisa and Clarence, Jr. All of North Carolina mourns his passing and our thoughts, prayers, and blessings are with his family.

Clarence "Big House" Gaines was an institution in Winston-Salem, where he coached at Winston-Salem State University for 47 years. Coach Gaines won 828 basketball games during his 47 years, fifth best of all time. To understand just how successful a coach he was, Gaines won more games than legends John Wooden and Phog Allen, and finished not too far behind Dean Smith. Perhaps Gaines' most successful season came in 1967 when he coached the Rams to a 31-1 record and an NCAA Division II National Championship.

His was the first predominantly black college team to win an NCAA title and he became the first black coach to be named NCAA Coach of the Year. He went on to win eight Central Intercollegiate Athletic Association titles and was named the CIAA's Coach

of the Year five times. Coach Gaines was named to the Naismith Memorial Hall of Fame in 1982. Winston-Salem State University honored Clarence Gaines by naming the Athletic Department facility and the school's Hall of Fame for him.

It would be a mistake, however, to merely list his coaching accomplishments. Clarence "Big House" Gaines was more than a coach. He was a community leader, an educator, a mentor and a father figure. His most important achievement was the near 80 percent graduation rate of his student athletes, a legacy that all college coaches should look to emulate.

Coach Gaines taught school up to his retirement from coaching in 1993 and continued to involve himself in the lives of the young people at Winston-Salem State. His marriage and family served as an example to the young people he coached. In his memoirs, published last year, Clarence Gaines wrote that "When these boys, most growing into old men themselves, continue to call their old coach and thank him for helping them get a college degree, it makes me proud to answer to the nickname of Big House." He will not be forgotten in North Carolina or in the hearts and memories of the many young lives he touched.●

LEXINGTON CATHOLIC HIGH SCHOOL GIRLS BASKETBALL TEAM

• Mr. BUNNING. Mr. President, I pay tribute in the Senate to the Lexington Catholic Girls' Basketball Team. The team won the Kentucky State Girls Basketball State Championship.

Lexington Catholic's Lady Knights finished the most successful season in school history by capturing the program's third State championship in seven seasons with a 59-54 victory over Clinton County. The team finished the season with a 36-1 record and ranked No. 6 nationally.

The Commonwealth of Kentucky should be very proud of this team. Their example of hard work and determination should be followed by all in the Commonwealth.

Congratulation to the members of the team for their success. But also, I want to congratulate their coach, Greg Todd, along with their peers, faculty, administrators, and parents for their support and sacrifices they have made to help the Lady Knights meet their achievements and dreams. Keep up the good work.●

JOINT RESOLUTION

Whereas within the year, Secretary of Defense Donald Rumsfeld, through the Base Realignment and Closure (BRAC) Commission, will make recommendations about which military installations are to be considered for closure in cost-cutting measure for the military and has indicated that reduction may total 25% or an estimated 100 bases; and

Whereas the State of Maine has a distinct and important military installation that is at risk of closure, the Brunswick Naval Air Station; and

Whereas Brunswick Naval Air Station is one of 4 remaining bases at the corners of the continental United States that are perfectly situated for maritime interdiction of weapons of mass destruction threats; and

Whereas Brunswick Naval Air Station is the only fully capable active duty military airfield in the northeastern United States and is indispensable in both our current and future efforts to counter threats to our security; and

Whereas Brunswick Naval Air Station has more than 63,000 square miles of unencumbered airspace for training and exercise missions and has plenty of space for expansion, even for housing other branches of the military; and

Whereas Brunswick Naval Air Station is the only airfield in the region with a completely secured perimeter for military operations, and Brunswick's 2 parallel runways allow for the operation of all aircraft the Department of Defense possesses today and anticipates for the future; and

Whereas Brunswick Naval Air Station has an outstanding force protection layout, is on the coast and is easily accessible by all forms of transportation, and aircraft can take off and land there without flying over major centers of population; and

Whereas the Maine National Guard is coordinating an initiative to construct an Armed Forces Reserve Center on Brunswick Naval Air Station. Tenants would include the Maine Army National Guard, the Maine Air National Guard and the Marine Corps Reserves; and

Whereas the Army National Guard has begun the process of replacing its current fixed-wing utility fleet with a fixed-wing cargo fleet; and

Whereas Brunswick Naval Air Station has been selected by the National Guard Bureau as one of its regional cargo hubs, and the bureau's recommendation has been sent to the Department of the Army; and

Whereas the Maine Army National Guard is evaluating the possibility of stationing 2 UH-60 Blackhawk helicopters at Brunswick Naval Air Station to provide search-and-rescue missions along the Maine coast; and

Whereas the people of the State of Maine have long been at the forefront of our Nation's defense, and first to join and send troops in any conflict and have a strong tradition of support and appreciation for the bases within our borders: Now, therefore, be it

Resolved, That we, your Memorialists, take this opportunity to convey our appreciation for the advocacy and support for Brunswick Naval Air Station that the Congress of the United States and the Maine Congressional Delegation have provided over the years, and we strongly urge the Congress of the United States to consider the importance of this installation in this time of war on terrorism and the vital need to protect our Nation; and be it further

Resolved, That suitable copies of this resolution, duly authenticated by the Secretary of State, be transmitted to the President of the United States Senate, to the Speaker of the United States House of Representatives and to each Member of the Maine Congressional Delegation.

POM-39. A Senate concurrent resolution adopted by the Legislature of the State of Kansas relative to the Purple Heart medal; to the Committee on Armed Services.

SENATE CONCURRENT RESOLUTION 1607

Whereas Marine Corporal Travis Eichelberger, a native of Atchison, Kansas, enlisted in the United States Marine Corps in 2000 and was awarded the Purple Heart medal for injuries received while in Iraq. After being hospitalized for some time at the National Naval Medical Center in Bethesda, Maryland, and returning to Kansas awaiting a medical discharge from the medical service, he was notified that the award of his medal was a mistake and would be withdrawn; and

Whereas Corporal Eichelberger is included in a group of 11 marines whose Purple Heart medals have been withdrawn for injuries received while serving in Operation Iraqi Freedom; and

Whereas it is through the patriotic efforts of young men such as Corporal Eichelberger that the United States is able to take military action to bring freedom and democracy to nations such as Iraq. Corporal Eichelberger is very proud of his service in the Marine Corps and would gladly serve again if physically able: Now, therefore, be it

Resolved by the Senate of the State of Kansas, the House of Representatives concurring therein, That the Kansas Legislature memorializes the Congress of the United States to direct that necessary action be taken so that Corporal Eichelberger retain the Purple Heart medal he so richly deserves; and be it further

Resolved, That the Secretary of State provide enrolled copies of this resolution to the President of the United States Senate, to the Speaker of the United States House of Representatives and to each member of the Kansas Congressional delegation.

Whereas Major Winters' extraordinary planning, fighting and commanding on that day 60 years ago in Nazi-occupied Normandy during his regiment's first combat operation saved countless lives and expedited the Allied inland advance; and

Whereas with his company outnumbered by German soldiers, Major Winters destroyed German guns at Brecourt Manor and secured causeways for troops coming off Utah Beach; and

Whereas Major Winters' battle plan for a small-unit assault on German artillery has been taught at the United States Military Academy at West Point; and

Whereas Major Winters accomplished a hazardous mission with valor, inspired his service colleagues through example and effectively organized his company into support and assault teams on the day of invasion in the campaign for European liberation during World War II: Therefore be it
