

this space. Additional classrooms, an enlarged social hall, and a minaret were added to serve the growing membership.

In 1997, Imam Hassan Al-Qazwini, his wife and their three children moved from California to Detroit to join The Islamic Center of America. Under his leadership and guidance, the Center has continued to flourish. Outgrowing the location on Joy Road, the Center began construction of a new religious center on Ford Road in Dearborn in 1999, near the Center's existing grade school, the Muslim American Youth Academy. The new mosque, which is located along a stretch of Ford Road that is home to several churches, including St. Sarkis Armenian Apostolic Church, St. Clement Ohridski Orthodox Church, Warrendale Community Church, St. Thomas Aquinas Roman Catholic Church, and Prince of Peace Lutheran Church, which is also home to People of the Book Arab Christian Church, will be the largest in the United States. At an estimated cost of between \$8,000,000 and \$10,000,000, the new mosque complex will accommodate 1,000 individuals at prayer time, and will house a large auditorium, social hall, and 14 additional rooms for the school.

I know my colleagues join me in congratulating The Islamic Center of America on this significant achievement and in recognizing its many years of service to the Muslim American community in Michigan.●

TRIBUTE TO DR. GERALD "CARTY" MONETTE

● Mr. President, I rise to pay tribute to an extraordinary scholar, leader, and friend, Dr. Gerald "Carty" Monette.

For more than 30 years, Dr. Monette, a member of the Turtle Mountain Band of Chippewa, has been a leader in the tribal college movement nationwide, and more specifically, at Turtle Mountain Community College in Belcourt, ND. When the college opened its doors on the reservation in 1972, Dr. Monette served as its director, and in 1978 he assumed the presidency of the institution.

During his tenure, Dr. Monette spearheaded an incredible transformation of the college with an added result of his determination being a remarkable increase in the ability of all American Indians to gain access to higher education opportunities. In 1973, under his leadership, Turtle Mountain Community College joined with five other tribal colleges to create the American Indian Higher Education Consortium—AIHEC—to provide a support network for member institutions. Today, AIHEC is composed of tribal colleges and universities located in 13 States, serving American Indian students from over 250 federally recognized tribes.

Prior to the opening of Turtle Mountain Community College, those living on the reservation had no access to higher education. Unemployment and

high school dropout rates were both very high. The college started from very humble beginnings, offering its first courses on the third floor of an abandoned Catholic convent, with less than 60 students and only three full-time faculty members. Today, it has grown to serve over 650 students, with more than 150 courses and 65 full- and part-time faculty members, which is due in large part to Dr. Monette's dedication and leadership.

One of the many highlights of Dr. Monette's professional life was realization of his vision for a new campus for the college. He led the effort to secure the needed funds to construct the facility, which is located on a 123-acre site. The 105,000 square-foot facility includes state-of-the-art technology, general classroom space, science and engineering labs, a library, learning resource center, and a gymnasium. This beautiful new campus stands as a shining testament to Dr. Monette's untiring dedication to the cause of increasing access to postsecondary opportunities in Indian Country.

Under Dr. Monette's leadership, Turtle Mountain Community College also expanded from an institution of higher learning to one of the community's pillars of economic development and opportunity through the creation of the Center for New Growth and Economic Development. Working with tribal leadership, the center has embarked on several projects to strengthen the community's ability to grow and become more economically independent. Some of the many projects taken on by the center include a very successful wind energy program, a review of the tribe's constitution, a school reform initiative designed to improve student performance, and a program to reintroduce traditional Native American foods into the diets of tribal members, which will yield tremendously positive health benefits.

Dr. Monette has been a true agent of positive change in the lives of thousands of students who have passed through Turtle Mountain Community College during his tenure. He has been a true champion for higher education and a powerful national advocate for the tribal colleges. His passion is infectious, and he has motivated everyone to reach to their goals no matter how small or large.

Dr. Monette has dedicated his life's work to the greater good. After 27 years as president of Turtle Mountain Community College, he has decided to commence his well-deserved retirement, but he leaves behind a lasting legacy that will stand for many generations. We owe Dr. Monette a debt of gratitude, and I wish him and his family all the very best.●

HONORING HAMILTON SOUTHEASTERN HIGH SCHOOL

● Mr. BAYH. Mr. President, today I pay tribute to an extraordinary class of students from Hamilton Southeastern

High School in Fishers. These outstanding young Hoosiers competed against 50 other schools from across the Nation and won honorable mention as one of the top ten finalists in the We the People: The Citizen and the Constitution national finals in Washington, D.C.

The motivation displayed by these students will no doubt lead them along the path to becoming some of our country's future leaders.

It is my honor to enter the names of Ryan Arnold, Natasha Arora, Kelsey Buckingham, Ricardo Doriott, Eddie Gillham, Worthe Holt III, Carolyn Homer, Kyle Lymberopoulos, Ashley Martin, Michael Matern, Allison Nimtz, Alex Orłowski, Laura Peregrim, Jennifer Wardell, Brian White and Marissa Wills in the official RECORD of the Senate for their remarkable understanding of the fundamental ideals and values of American government.

I also want to take a moment to salute Jill Baisinger, these students' teacher, for her clear commitment to encouraging the curiosity and development of our Hoosier youth and furthering their understanding of American Government.●

A TRIBUTE TO DR. GERALD "CARTY" MONETTE

● Mr. DORGAN. Mr. President, my colleagues have often heard me speak on this floor about tribal colleges that provide higher education to the residents of this country's Indian reservations. For over 30 years, these institutions have brought hope and opportunity to thousands of students who otherwise would not have had the chance to seek an education beyond high school.

There is a reason why the Nation's tribal colleges consistently manage to achieve more with less than any other educational institutions in the United States—talented and committed leadership. One of those leaders, Dr. Gerald "Carty" Monette, has been part of the tribal college movement since its inception. As the president of Turtle Mountain Community College since 1978, he has seen his institution grow from a handful of students gathering in an abandoned convent and a series of trailers in Belcourt, ND, to an enrollment of 650 meeting in a state-of-the-art building in a setting that reflects the sacred grounds of the Turtle Mountain Band of Chippewa.

Dr. Monette's modest and self-effacing manner belies a strong and determined leader who has inspired hundreds of graduates of Turtle Mountain Community College. He had an early understanding of the ... relationship between education, economic development, and community partnerships. As a result, the college today boasts the Center for New Growth that is a regional center for economic development; he wanted the College to have energy independence and today there is a wind and geothermal energy center at the College.

Not only has Dr. Monette been a leader at Turtle Mountain, he has been a national leader as one of the founders of the American Indian Higher Education Consortium, AIHEC, and has served several terms as presidents of the consortium. AIHEC has been the heart and soul of the tribal college movement and under Dr. Monette's leadership it began an aggressive telecommunications initiative that is enhancing communities throughout Indian country.

As Dr. Monette prepares to apply his leadership and vision to other educational pursuits, I wish him and his wife, Dr. Loretta DeLong, a Turtle Mountain Community College graduate, the very best. He has left a lasting legacy for his fellow members of the Turtle Mountain Band of Chippewa and their children. We join them honoring this exceptional man.●

THE MISSOURI MERCHANTS AND MANUFACTURERS ASSOCIATION 25TH ANNIVERSARY

● Mr. BOND. Mr. President, I rise today to pay a special tribute to the Missouri Merchants and Manufacturers Association. I am very pleased to recognize this organization for its 25 years of superior service to the Missouri business community.

The Missouri Merchants and Manufacturers Association was formed in 1980. With hard work and untiring commitment, the MMMA has grown into a strong, well respected voice in the legislative process representing over 5,000 small and mid-sized businesses across the State of Missouri. It is actively involved in educating MMMA members and serving as an advocate on State legislative issues impacting businesses.

While Governor of Missouri, I found that the MMMA's active involvement in State legislative issues provided a vital resource. As chairman of the Committee on Small Business, I highly value the insights they have shared on numerous issues of great importance to America's business. MMMA is a vital link in spearheading the causes of small business.

Over the past 25 years the MMMA has been instrumental in repealing the Merchants and Manufacturers Inventory Tax. The association has assisted in the passage of more than 35 bills in addition to winning three lawsuits before the Missouri Supreme Court. Collectively the MMMA's achievements have saved small and medium sized businesses more than \$400 million.

The quality individuals that comprise the MMMA epitomize the kind of dedication, work ethic and ideals necessary to meet the ongoing challenges and demands of the business community. Their leadership has influenced passage of important legislation and provided dependable resources in many court cases to benefit employers. The Missouri Merchants and Manufacturers Association celebrated its 25th anniversary on January 7, 2005. It is my great

pleasure to congratulate the MMMA for this significant accomplishment.●

HONORING RIVERSIDE MAYOR RON LOVERIDGE

● Mrs. BOXER. Mr. President, I rise today to recognize the leadership and service of Ronald O. Loveridge, mayor of the city of Riverside. Mayor Loveridge has been honored as the 2005 Distinguished Citizen of the Inland Empire by the Inland Empire Council of Boy Scouts of America.

As mayor of the city of Riverside, Ron Loveridge lends his time and leadership to many organizations committed to the vitality and progress of his community. Last year, he served the State of California as president of the League of Cities. Among the organizations that have honored him for his impressive record of service are the American Planning Association, the California Preservation Foundation, the United Way, and the Youth Service Center.

In addition to his thoughtful leadership as mayor, Ron Loveridge has given the city of Riverside his personal commitment for 40 years. A professor of political science at the University of California, Riverside, since 1965, Dr. Ron Loveridge has used his knowledge and expertise to enrich students' understanding of and interest in the inner workings of local government. He has provided a model of conscientious citizenship, volunteering his time to advance the endeavors of the Riverside Arts Foundation, the Riverside County Philharmonic, and the Dickens Festival.

In 1998, Mayor Ron Loveridge was meeting with council members and staff in City Hall when a man entered and shot his gun several times. Given the circumstances, it is a miracle that no one was killed. Mayor Loveridge was hit in the back of the neck, the bullet just missing his spinal cord. I met with him just after the shooting and was amazed at his grace and good will following such an event. He has gone on to lead his city in a similar manner, always showing grace and good will even in the toughest of times.

I applaud Ronald Loveridge for his lifetime of public service and am pleased to invite you to join me in congratulating him as he is honored as the Boy Scouts of America Inland Empire Council's 2005 Distinguished Citizen of the Inland Empire.●

RECOGNIZING THE 75TH ANNIVERSARY OF VFW POST 1881

● Mr. THOMAS. Mr. President, I would like to take a few moments today to recognize a very special milestone that will take place in my home State in the coming days. On June 18, 2005, the Veterans of Foreign Wars Post 1881 in Cheyenne, WY will celebrate its 75th anniversary. In 1930, veterans Harry Leon and Earnest Lissner founded VFW Post 1881. With 69 members and 7 hon-

orary members, the first meeting was conducted in a private home in Cheyenne. After a series of moves and 32 years later, VFW Post 1881 established and built its permanent facility at 2816 East 7th Street in 1962.

Since its founding, Post 1881 has grown in membership and has become a lasting positive fixture in the community. The veterans of the Post are a strong pillar of family support for the Active-Duty, Reserve and Guard personnel of F.E. Warren Air Force Base and the State of Wyoming. The members of VFW Post 1881 remain dedicated to our older and ailing veterans with a large contingency of volunteers who visit patients in the VA Medical Center in Cheyenne and Veterans Homes in Buffalo, Wyoming and Scottsbluff, NE. They are strong supporters of the Army Junior Reserve Officer Training Corps, and through private fundraising efforts have built two outstanding softball fields for the Cheyenne Thunder Girls Softball Association. As an exclusive project of the Post, these dedicated veterans offer new American flags to local businesses and individuals at no cost to replace frayed and damaged flags, while properly disposing of the exchanged flags. The Post's Ladies Auxiliary carries on numerous projects benefiting the environment and the community, and independently raises funds for homeless and hospitalized veterans. So it is a distinct honor to come before the Senate and congratulate the veterans of VFW Post 1881 on their 75th Anniversary. I thank them for their dedicated service to their fellow veterans and community and wish them continued success for many more years to come.●
