

that the average American would acknowledge to be torture is more than disappointing. It is dangerous, and it is shameful.

I also want to restate my view that the President's foreign policy over the last 4 years has been, on many fronts, misguided and self-defeating. I have discussed these issues in much greater detail on the Senate floor and in the Foreign Relations Committee. I am troubled by the damage done to our image around the world, I am concerned by our loss of focus in fighting terrorism, I am angry about the use of shifting justifications and faulty information to sell the war in Iraq, I am angry about the failure to plan for the fact that overthrowing a regime leads to disorder and disorder leads to looting, I am angry about the official insistence on grossly underestimating the bill that would be handed to the American taxpayer and then declining to budget for this massive expense once its parameters became more clear, I am angry about the mismanagement of efforts to put a competent Iraqi security force in place, I am angry about the woefully slow pace of reconstruction, and I am angry about this administration's failure to ensure that our troops were adequately equipped for the circumstances in which they found themselves. Many people in this country and in this Congress are troubled not only by the mistakes, but by the fact that there appears to be no real accountability for these failures.

At one point in the course of the hearing, Dr. Rice expressed some indignation regarding questions or remarks that she felt impugned her credibility. Her credibility is a legitimate question. Dr. Rice made sweeping, public characterizations about aluminum tubes sought by Iraq before the war began that were, quite plainly, misleading. She permitted a reference to Iraq seeking uranium from Africa, a reference that she knew the intelligence did not support, to be included in a major presidential address. She has a credibility problem, not just among skeptics in this country, but around the world. Once confirmed, Dr. Rice will be accountable to Congress in a way that she was not as the President's National Security Advisor. I hope that Dr. Rice fully understands her obligations to tell the duly elected representatives of the American people the whole truth.

President Bush, like any President, is entitled to a Cabinet that reflects his views. But I will continue to oppose every bad policy, to question every baseless assertion, and to advocate for a wiser course that will make our country more secure. The stakes for the current and future generations of Americans are far too high to do anything else.

Ms. CANTWELL. Mr. President, I want to detail for the Senate the reasons why I voted to support the nomination of Condoleezza Rice to be our Nation's next Secretary of State. Her di-

verse professional background as a Professor at Stanford University specializing in Russian affairs, her time as President Bush's National Security Advisor, and her demonstrated understanding of world affairs and diplomacy qualify her to run the Department of State.

My support for Dr. Rice does not come without reservations about the direction this administration has taken with regard to foreign policy. We confront an enormous responsibility with respect to world affairs. The individual charged with the running of the State Department will set the direction for our country's policies around the world. This person will have the power to decide whether to nurture and develop, or halt our Nation's great diplomatic efforts.

I hope Dr. Rice works to promote democracy throughout the world, not just by employing our ample military force, but that we seek to develop democracy organically, where it has not taken hold. Democracies will be more receptive to our products, ideas and people, and our Nation should approach its foreign policy decisions with these long-term goals in mind. My State of Washington is heavily reliant on international trade, and we also create and circulate information in this age of high technology, which should be a principal part of our foreign policy strategy.

The Senate does not, by confirming Dr. Rice, place the responsibility for this country's diplomacy in the hands of a single individual. I do not believe that the American people are ready to ignore the voices of our humanitarian community who remind us how fragile and vulnerable our international relationship can be. I am hopeful that these voices will be heard by Dr. Rice. I am placing my trust in her that she will embrace her duty to take into account the future and foreseeable consequences of her actions, and that she will be guided by the knowledge that this Senator will raise those consequences at all appropriate occasions.

(C) PRESIDING OFFICER:

(1) The chair shall preside at all meetings of the committee. If the chair is not present, the ranking majority member shall preside.

(2) Subcommittee chairs shall preside at all meetings of their subcommittees. If the subcommittee chair is not present, the ranking majority member of the subcommittee shall preside.

A portion of a meeting may be closed to the public if the committee determines by roll call vote of a majority of the members present that the matters to be discussed or the testimony to be taken—

(1) will disclose matters necessary to be kept secret in the interests of national defense or the confidential conduct of the foreign relations of the United States;

(2) relate solely to matters of committee staff personnel or internal staff management or procedure; or

(3) constitute any other grounds for closure under paragraph 5(b) of Senate Rule XXVI.

(e) BROADCASTING:

(1) Public meetings of the committee or a subcommittee may be televised, broadcast, or recorded by a member of the Senate press gallery or an employee of the Senate.

(2) Any member of the Senate Press Gallery or employee of the Senate wishing to

(b) SUBCOMMITTEE MEETINGS: At subcommittee business meetings, a majority of the subcommittee members, at least one of whom is a member of the minority party, constitutes a quorum for conducting business.

(c) CONTINUING QUORUM: Once a quorum as prescribed in subsections (a) and (b) has been established, the committee or subcommittee may continue to conduct business.

The announcement and notice shall be issued at least one week in advance of the hearing, unless the chair of the committee or subcommittee, with the concurrence of the ranking minority member of the committee or subcommittee, determines that there is good cause to provide a shorter period, in which event the announcement and notice shall be issued at least twenty-four hours in advance of the hearing.

(b) STATEMENTS OF WITNESSES:

(1) A witness who is scheduled to testify at a hearing of the committee or a subcommittee shall file 100 copies of the written testimony at least 48 hours before the hearing. If a witness fails to comply with this requirement, the presiding officer may preclude the witness' testimony. This rule may be waived for field hearings, except for witnesses from the Federal Government.

(2) Any witness planning to use at a hearing any exhibit such as a chart, graph, diagram, photo, map, slide, or model must submit one identical copy of the exhibit (or representation of the exhibit in the case of a model) and 100 copies reduced to letter or legal paper size at least 48 hours before the hearing. Any exhibit described above that is not provided to the committee at least 48 hours prior to the hearing cannot be used for purpose of presenting testimony to the committee and will not be included in the hearing record.

(3) The presiding officer at a hearing may have a witness confine the oral presentation to a summary of the written testimony.

(4) Notwithstanding a request that a document be embargoed, any document that is to be discussed at a hearing, including, but not limited to, those produced by the General Accounting Office, Congressional Budget Office, Congressional Research Service, a Federal agency, an Inspector General, or a non-governmental entity, shall be provided to all members of the committee at least 72 hours before the hearing.

RULE 4. BUSINESS MEETINGS: NOTICE AND FILING REQUIREMENTS

(a) NOTICE: The chair of the committee or the subcommittee shall provide notice, the agenda of business to be discussed, and the text of agenda items to members of the committee or subcommittee at least 72 hours before a business meeting. If the 72 hours falls over a weekend, all materials will be provided by close of business on Friday.

(b) AMENDMENTS: First-degree amendments must be filed with the chair of the committee or the subcommittee at least 24 hours before a business meeting. After the filing deadline, the chair shall promptly distribute all filed amendments to the members of the committee or subcommittee.

(2) A member who is unable to attend a business meeting may submit a proxy vote on any matter, in writing, orally, or through personal instructions.

(3) A proxy given in writing is valid until revoked. A proxy given orally or by personal instructions is valid only on the day given.

(b) SUBSEQUENT VOTING: Members who were not present at a business meeting and were unable to cast their votes by proxy may record their votes later, so long as they do so that same business day and their vote does not change the outcome.

(c) PUBLIC ANNOUNCEMENT:

(1) Whenever the committee conducts a rollcall vote, the chair shall announce the results of the vote, including a tabulation of the votes cast in favor and the votes cast against the proposition by each member of the committee.

(2) Whenever the committee reports any measure or matter by rollcall vote, the report shall include a tabulation of the votes cast in favor of and the votes cast in opposition to the measure or matter by each member of the committee.

RULE 6. SUBCOMMITTEES

(a) REGULARLY ESTABLISHED SUBCOMMITTEES: The committee has four subcommittees: Transportation and Infrastructure; Clean Air, Climate Change, and Nuclear Safety; Fisheries, Wildlife, and Water; and Superfund and Waste Management.

(b) MEMBERSHIP: The committee chair, after consulting with the ranking minority member, shall select members of the subcommittees.

RULE 7. STATUTORY RESPONSIBILITIES AND OTHER MATTERS

(a) ENVIRONMENTAL IMPACT STATEMENTS: No project or legislation proposed by any executive branch agency may be approved or otherwise acted upon unless the committee has received a final environmental impact statement relative to it, in accordance with section 102(2)(C) of the National Environmental Policy Act, and the written comments of the Administrator of the Environmental Protection Agency, in accordance with section 309 of the Clean Air Act. This rule is not intended to broaden, narrow, or otherwise modify the class of projects or legislative proposals for which environmental impact statements are required under section 102(2)(C).

(b) PROJECT APPROVALS:

(1) Whenever the committee authorizes a project under Public Law 89-298, the Rivers

and Harbors Act of 1965; Public Law 83-566, the Watershed Protection and Flood Prevention Act; or Public Law 86-249, the Public Buildings Act of 1959, as amended; the chairman shall submit for printing in the Congressional Record, and the committee shall publish periodically as a committee print, a report that describes the project and the reasons for its approval, together with any dissenting or individual views.

(2) Proponents of a committee resolution shall submit appropriate evidence in favor of the resolution.

(c) BUILDING PROSPECTUSES:

(1) When the General Services Administration submits a prospectus, pursuant to section 7(a) of the Public Buildings Act of 1959, as amended, for construction (including construction of buildings for lease by the government), alteration and repair, or acquisition, the committee shall act with respect to the prospectus during the same session in which the prospectus is submitted.

A prospectus rejected by majority vote of the committee or not reported to the Senate during the session in which it was submitted shall be returned to the General Services Administration and must then be resubmitted in order to be considered by the committee during the next session of the Congress.

(2) A report of a building project survey submitted by the General Services Administration to the committee under section 11(b) of the Public Buildings Act of 1959, as amended, may not be considered by the committee as being a prospectus subject to approval by committee resolution in accordance with section 7(a) of that Act. A project described in the report may be considered for committee action only if it is submitted as a prospectus in accordance with section 7(a) and is subject to the provisions of paragraph (1) of this rule.

(d) NAMING PUBLIC FACILITIES: The committee may not name a building, structure or facility for any living person, except former Presidents or former Vice Presidents of the United States, former Members of Congress over 70 years of age, or former Justices of the United States Supreme Court over 70 years of age.

RULE 8. AMENDING THE RULES

The rules may be added to, modified, amended, or suspended by vote of a majority of committee members at a business meeting if a quorum is present.

STANDING RULES OF THE SENATE

RULE XVII

REFERENCE TO COMMITTEES; MOTIONS TO DISCHARGE; REPORTS OF COMMITTEES; AND HEARINGS AVAILABLE

1. Except as provided in paragraph 3, in any case in which a controversy arises as to the jurisdiction of any committee with respect to any proposed legislation, the question of jurisdiction shall be decided by the presiding officer, without debate, in favor of the committee which has jurisdiction over the subject matter which predominates in such proposed legislation; but such decision shall be subject to an appeal.

2. A motion simply to refer shall not be open to amendment, except to add instructions.

3. (a) Upon motion by both the majority leader or his designee and the minority leader or his designee, proposed legislation may be referred to two or more committees jointly or sequentially. Notice of such motion and the proposed legislation to which it relates shall be printed in the Congressional Record. The motion shall be privileged, but it shall not be in order until the Congressional Record in which the notice is printed has been available to Senators for at least twenty-four hours. No amendment to any such

motion shall be in order except amendments to any instructions contained therein. Debate on any such motion, and all amendments thereto and debatable motions and appeals in connection therewith, shall be limited to not more than two hours, the time to be equally divided between, and controlled by, the majority leader and the minority leader or their designees.

(b) Proposed legislation which is referred to two or more committees jointly may be reported only by such committees jointly and only one report may accompany any proposed legislation so jointly reported.

(c) A motion to refer any proposed legislation to two or more committees sequentially shall specify the order of referral.

(d) Any motion under this paragraph may specify the portion or portions of proposed legislation to be considered by the committees, or any of them, to which such proposed legislation is referred, and such committees or committee shall be limited, in the consideration of such proposed legislation, to the portion or portions so specified.

(e) Any motion under this subparagraph may contain instructions with respect to the time allowed for consideration by the committees, or any of them, to which proposed legislation is referred and the discharge of such committees, or any of them, from further consideration of such proposed legislation.

4. (a) All reports of committees and motions to discharge a committee from the consideration of a subject, and all subjects from which a committee shall be discharged, shall lie over one day for consideration, unless by unanimous consent the Senate shall otherwise direct.

(b) Whenever any committee (except the Committee on Appropriations) has reported any measure, by action taken in conformity with the requirements of paragraph 7 of rule XXVI, no point of order shall lie with respect to that measure on the ground that hearings upon that measure by the committee were not conducted in accordance with the provisions of paragraph 4 of rule XXVI.

5. Any measure or matter reported by any standing committee shall not be considered in the Senate unless the report of that committee upon that measure or matter has been available to Members for at least two calendar days (excluding Sundays and legal holidays) prior to the consideration of that measure or matter. If hearings have been held on any such measure or matter so reported, the committee reporting the measure or matter shall make every reasonable effort to have such hearings printed and available for distribution to the Members of the Senate prior to the consideration of such measure or matter in the Senate. This paragraph

(1) may be waived by joint agreement of the Majority Leader and the Minority Leader of the Senate; and (2) shall not apply to

(A) any measure for the declaration of war, or the declaration of a national emergency, by the Congress, and

(B) any executive decision, determination, or action which would become, or continue to be, effective unless disapproved or otherwise invalidated by one or both Houses of Congress.

RULE XXVI

COMMITTEE PROCEDURE

1. Each standing committee, including any subcommittee of any such committee, is authorized to hold such hearings, to sit and act at such times and places during the sessions, recesses, and adjourned periods of the Senate, to require by subpoena or otherwise the attendance of such witnesses and the production of such correspondence, books, papers,

and documents, to take such testimony and to make such expenditures out of the contingent fund of the Senate as may be authorized by resolutions of the Senate. Each such committee may make investigations into any matter within its jurisdiction, may report such hearings as may be had by it, and may employ stenographic assistance at a cost not exceeding the amount prescribed by the Committee on Rules and Administration. The expenses of the committee shall be paid from the contingent fund of the Senate upon vouchers approved by the chairman.

2. Each committee shall adopt rules (not inconsistent with the Rules of the Senate) governing the procedure of such committee. The rules of each committee shall be published in the Congressional Record not later than March 1 of the first year of each Congress, except that if any such committee is established on or after February 1 of a year, the rules of that committee during the year of establishment shall be published in the Congressional Record not later than sixty days after such establishment. Any amendment to the rules of a committee shall not take effect until the amendment is published in the Congressional Record.

3. Each standing committee (except the Committee on Appropriations) shall fix regular weekly, biweekly, or monthly meeting days for the transaction of business before the committee and additional meetings may be called by the chairman as he may deem necessary. If at least three members of any such committee desire that a special meeting of the committee be called by the chairman, those members may file in the offices of the committee their written request to the chairman for that special meeting. Immediately upon the filing of the request, the clerk of the committee shall notify the chairman of the filing of the request. If, within three calendar days after the filing of the request, the chairman does not call the requested special meeting, to be held within seven calendar days after the filing of the request, a majority of the members of the committee may file in the offices of the committee their written notice that a special meeting of the committee will be held, specifying the date and hour of that special meeting. The committee shall meet on that date and hour. Immediately upon the filing of the notice, the clerk of the committee shall notify all members of the committee that such special meeting will be held and inform them of its date and hour. If the chairman of any such committee is not present at any regular, additional, or special meeting of the committee, the ranking member of the majority party on the committee who is present shall preside at that meeting.

4. (a) Each committee (except the Committee on Appropriations and the Committee on the Budget) shall make public announcement of the date, place, and subject matter of any hearing to be conducted by the committee on any measure or matter at least one week before the commencement of that hearing unless the committee determines that there is good cause to begin such hearing at an earlier date.

(b) Each committee (except the Committee on Appropriations) shall require each witness who is to appear before the committee in any hearing to file with the clerk of the committee, at least one day before the date of the appearance of that witness, a written statement of his proposed testimony unless the committee chairman and the ranking minority member determine that there is good cause for noncompliance. If so requested by any committee, the staff of the committee shall prepare for the use of the members of the committee before each day of hearing before the committee a digest of the statements which have been so filed by

witnesses who are to appear before the committee on that day.

(c) After the conclusion of each day of hearing, if so requested by any committee, the staff shall prepare for the use of the members of the committee a summary of the testimony given before the committee on that day. After approval by the chairman and the ranking minority member of the committee, each such summary may be printed as a part of the committee hearings if such hearings are ordered by the committee to be printed.

(d) Whenever any hearing is conducted by a committee (except the Committee on Appropriations) upon any measure or matter, the minority on the committee shall be entitled, upon request made by a majority of the minority members to the chairman before the completion of such hearing, to call witnesses selected by the minority to testify with respect to the measure or matter during at least one day of hearing thereon.

5. (a) Notwithstanding any other provision of the rules, when the Senate is in session, no committee of the Senate or any subcommittee thereof may meet, without special leave, after the conclusion of the first two hours after the meeting of the Senate commenced and in no case after two o'clock postmeridian unless consent therefor has been obtained from the majority leader and the minority leader (or in the event of the absence of either of such leaders, from his designee). The prohibition contained in the preceding sentence shall not apply to the Committee on Appropriations or the Committee on the Budget. The majority leader or his designee shall announce to the Senate whenever consent has been given under this subparagraph and shall state the time and place of such meeting. The right to make such announcement of consent shall have the same priority as the filing of a cloture motion.

(b) Each meeting of a committee, or any subcommittee thereof, including meetings to conduct hearings, shall be open to the public, except that a meeting or series of meetings by a committee or a subcommittee thereof on the same subject for a period of no more than fourteen calendar days may be closed to the public on a motion made and seconded to go into closed session to discuss only whether the matters enumerated in clauses (1) through (6) would require the meeting to be closed, followed immediately by a record vote in open session by a majority of the members of the committee or subcommittee when it is determined that the matters to be discussed or the testimony to be taken at such meeting or meetings—

(1) will disclose matters necessary to be kept secret in the interests of national defense or the confidential conduct of the foreign relations of the United States;

(2) will relate solely to matters of committee staff personnel or internal staff management or procedure;

(3) will tend to charge an individual with crime or misconduct, to disgrace or injure the professional standing of an individual, or otherwise to expose an individual to public contempt or obloquy, or will represent a clearly unwarranted invasion of the privacy of an individual;

(4) will disclose the identity of any informer or law enforcement agent or will disclose any information relating to the investigation or prosecution of a criminal offense that is required to be kept secret in the interests of effective law enforcement;

(5) will disclose information relating to the trade secrets of financial or commercial information pertaining specifically to a given person if—

(A) an Act of Congress requires the information to be kept confidential by Government officers and employees; or

(B) the information has been obtained by the Government on a confidential basis, other than through an application by such person for a specific Government financial or other benefit, and is required to be kept secret in order to prevent undue injury to the competitive position of such person; or

(6) may divulge matters required to be kept confidential under other provisions of law or Government regulations.

(c) Whenever any hearing conducted by any such committee or subcommittee is open to the public, that hearing may be broadcast by radio or television, or both, under such rules as the committee or subcommittee may adopt.

(d) Whenever disorder arises during a committee meeting that is open to the public, or any demonstration of approval or disapproval is indulged in by any person in attendance at any such meeting, it shall be the duty of the Chair to enforce order on his own initiative and without any point of order being made by a Senator. When the Chair finds it necessary to maintain order, he shall have the power to clear the room, and the committee may act in closed session for so long as there is doubt of the assurance of order.

(e) Each committee shall prepare and keep a complete transcript or electronic recording adequate to fully record the proceeding of each meeting or conference whether or not such meeting or any part thereof is closed under this paragraph, unless a majority of its members vote to forgo such a record.

6. Morning meetings of committees and subcommittees thereof shall be scheduled for one or both of the periods prescribed in this paragraph. The first period shall end at eleven o'clock antemeridian. The second period shall begin at eleven o'clock antemeridian and end at two o'clock postmeridian.

7. (a)(1) Except as provided in this paragraph, each committee, and each subcommittee thereof is authorized to fix the number of its members (but not less than one-third of its entire membership) who shall constitute a quorum thereof for the transaction of such business as may be considered by said committee, except that no measure or matter or recommendation shall be reported from any committee unless a majority of the committee were physically present.

(2) Each such committee, or subcommittee, is authorized to fix a lesser number than one-third of its entire membership who shall constitute a quorum thereof for the purpose of taking sworn testimony.

(3) The vote of any committee to report a measure or matter shall require the concurrence of a majority of the members of the committee who are present. No vote of any member of any committee to report a measure or matter may be cast by proxy if rules adopted by such committee forbid the casting of votes for that purpose by proxy; however, proxies may not be voted when the absent committee member has not been informed of the matter on which he is being recorded and has not affirmatively requested that he be so recorded. Action by any committee in reporting any measure or matter in accordance with the requirements of this subparagraph shall constitute the ratification by the committee of all action theretofore taken by the committee with respect to that measure or matter, including votes taken upon the measure or matter or any amendment thereto, and no point of order shall lie with respect to that measure or matter on the ground that such previous action with respect thereto by such committee was not taken in compliance with such requirements.

(b) Each committee (except the Committee on Appropriations) shall keep a complete

record of all committee action. Such record shall include a record of the votes on any question on which a record vote is demanded. The results of rollcall votes taken in any meeting of any committee upon any measure, or any amendment thereto, shall be announced in the committee report on that measure unless previously announced by the committee, and such announcement shall include a tabulation of the votes cast in favor of and the votes cast in opposition to each such measure and amendment by each member of the committee who was present at that meeting.

(c) Whenever any committee by rollcall vote reports any measure or matter, the report of the committee upon such measure or matter shall include a tabulation of the votes cast by each member of the committee in favor of and in opposition to such measure or matter. Nothing contained in this subparagraph shall abrogate the power of any committee to adopt rules—

(1) providing for proxy voting on all matters other than the reporting of a measure or matter, or

(2) providing in accordance with subparagraph (a) for a lesser number as a quorum for any action other than the reporting of a measure or matter.

8. (a) In order to assist the Senate in—

(1) its analysis, appraisal, and evaluation of the application, administration, and execution of the laws enacted by the Congress, and

(2) its formulation, consideration, and enactment of such modifications of or changes in those laws, and of such additional legislation, as may be necessary or appropriate,

each standing committee (except the Committees on Appropriations and the Budget), shall review and study, on a continuing basis the application, administration, and execution of those laws, or parts of laws, the subject matter of which is within the legislative jurisdiction of that committee. Such committees may carry out the required analysis, appraisal, and evaluation themselves, or by contract, or may require a Government agency to do so and furnish a report thereon to the Senate. Such committees may rely on such techniques as pilot testing, analysis of costs in comparison with benefits, or provision for evaluation after a defined period of time.

(b) In each odd-numbered year, each such committee shall submit, not later than March 31, to the Senate, a report on the activities of that committee under this paragraph during the Congress ending at noon on January 3 of such year.

9. (a) Except as provided in subparagraph (b), each committee shall report one authorization resolution each year authorizing the committee to make expenditures out of the contingent fund of the Senate to defray its expenses, including the compensation of members of its staff and agency contributions related to such compensation, during the period beginning on March 1 of such year and ending on the last day of February of the following year. Such annual authorization resolution shall be reported not later than January 31 of each year, except that, whenever the designation of members of standing committees of the Senate occurs during the first session of a Congress at a date later than January 20, such resolution may be reported at any time within thirty days after the date on which the designation of such members is completed. After the annual authorization resolution of a committee for a year has been agreed to, such committee may procure authorization to make additional expenditures out of the contingent fund of the Senate during that year only by reporting a supplemental authorization reso-

lution. Each supplemental authorization resolution reported by a committee shall amend the annual authorization resolution of such committee for that year and shall be accompanied by a report specifying with particularity the purpose for which such authorization is sought and the reason why such authorization could not have been sought at the time of the submission by such committee of its annual authorization resolution for that year.

(b) In lieu of the procedure provided in subparagraph (a), the Committee on Rules and Administration may—

(1) direct each committee to report an authorization resolution for a two-year budget period beginning on March 1 of the first session of a Congress; and

(2) report one authorization resolution containing more than one committee authorization resolution for a one-year or two-year budget period.

10. (a) All committee hearings, records, data, charts, and files shall be kept separate and distinct from the congressional office records of the Member serving as chairman of the committee; and such records shall be the property of the Senate and all members of the committee and the Senate shall have access to such records. Each committee is authorized to have printed and bound such testimony and other data presented at hearings held by the committee.

(b) It shall be the duty of the chairman of each committee to report or cause to be reported promptly to the Senate any measure approved by his committee and to take or cause to be taken necessary steps to bring the matter to a vote. In any event, the report of any committee upon a measure which has been approved by the committee shall be filed within seven calendar days (exclusive of days on which the Senate is not in session) after the day on which there has been filed with the clerk of the committee a written and signed request of a majority of the committee for the reporting of that measure. Upon the filing of any such request, the clerk of the committee shall transmit immediately to the chairman of the committee notice of the filing of that request. This subparagraph does not apply to the Committee on Appropriations.

(c) If at the time of approval of a measure or matter by any committee (except for the Committee on Appropriations), any member of the committee gives notice of intention to file supplemental, minority, or additional views, that member shall be entitled to not less than three calendar days in which to file such views, in writing, with the clerk of the committee. All such views so filed by one or more members of the committee shall be included within, and shall be a part of, the report filed by the committee with respect to that measure or matter. The report of the committee upon that measure or matter shall be printed in a single volume which—

(1) shall include all supplemental, minority, or additional views which have been submitted by the time of the filing of the report, and

(2) shall bear upon its cover a recital that supplemental, minority, or additional views are included as part of the report.

This subparagraph does not preclude—

(A) the immediate filing and printing of a committee report unless timely request for the opportunity to file supplemental, minority, or additional views has been made as provided by this subparagraph; or

(B) the filing by any such committee of any supplemental report upon any measure or matter which may be required for the correction of any technical error in a previous report made by that committee upon that measure or matter.

11. (a) The report accompanying each bill or joint resolution of a public character reported by any committee (except the Committee on Appropriations and the Committee on the Budget) shall contain—

(1) an estimate, made by such committee, of the costs which would be incurred in carrying out such bill or joint resolution in the fiscal year in which it is reported and in each of the five fiscal years following such fiscal year (or for the authorized duration of any program authorized by such bill or joint resolution, if less than five years), except that, in the case of measures affecting the revenues, such reports shall require only an estimate of the gain or loss in revenues for a one year period; and

(2) a comparison of the estimate of costs described in subparagraph (1) made by such committee with any estimate of costs made by any Federal agency; or

(3) in lieu of such estimate or comparison, or both, a statement of the reasons why compliance by the committee with the requirements of subparagraph (1) or (2), or both, is impracticable.

(b) Each such report (except those by the Committee on Appropriations) shall also contain—

(1) an evaluation, made by such committee, of the regulatory impact which would be incurred in carrying out the bill or joint resolution. The evaluation shall include (A) an estimate of the numbers of individuals and businesses who would be regulated and a determination of the groups and classes of such individuals and businesses, (B) a determination of the economic impact of such regulation on the individuals, consumers, and businesses affected, (C) a determination of the impact on the personal privacy of the individuals affected, and (D) a determination of the amount of additional paperwork that will result from the regulations to be promulgated pursuant to the bill or joint resolution, which determination may include, but need not be limited to, estimates of the amount of time and financial costs required of affected parties, showing whether the effects of the bill or joint resolution could be substantial, as well as reasonable estimates of the recordkeeping requirements that may be associated with the bill or joint resolution; or

(2) in lieu of such evaluation, a statement of the reasons why compliance by the committee with the requirements of clause (1) is impracticable.

(c) It shall not be in order for the Senate to consider any such bill or joint resolution if the report of the committee on such bill or joint resolution does not comply with the provisions of subparagraphs (a) and (b) on the objection of any Senator.

12. Whenever a committee reports a bill or a joint resolution repealing or amending any statute or part thereof it shall make a report thereon and shall include in such report or in an accompanying document (to be prepared by the staff of such committee) (a) the text of the statute or part thereof which is proposed to be repealed; and (b) a comparative print of that part of the bill or joint resolution making the amendment and of the statute or part thereof proposed to be amended, showing by stricken through type and italics, parallel columns, or other appropriate typographical devices the omissions and insertions which would be made by the bill or joint resolution if enacted in the form recommended by the committee. This paragraph shall not apply to any such report in which it is stated that, in the opinion of the committee, it is necessary to dispense with the requirements of this subsection to expedite the business of the Senate.

13. (a) Each committee (except the Committee on Appropriations) which has legisla-

tive jurisdiction shall, in its consideration of all bills and joint resolutions of a public character within its jurisdiction, endeavor to insure that—

(1) all continuing programs of the Federal Government and of the government of the District of Columbia, within the jurisdiction of such committee or joint committee, are designed; and

(2) all continuing activities of Federal agencies, within the jurisdiction of such committee or joint committee, are carried on;

so that, to the extent consistent with the nature, requirements, and objectives of those programs and activities, appropriations therefor will be made annually.

(b) Each committee (except the Committee on Appropriations) shall with respect to any continuing program within its jurisdiction for which appropriations are not made annually, review such program, from time to time, in order to ascertain whether such program could be modified so that appropriations therefor would be made annually.
