SENATE RESOLUTION 167—RECOGNIZING THE IMPORTANCE OF SUN SAFETY, AND FOR OTHER PURPOSES

Mr. MCCAIN (for himself and Mr. SUNUNU) submitted the following resolution; which was considered and agreed to:

S. RES. 167

Whereas Americans of all ages cherish the pleasures of outdoor activities, and too few recognize that overexposure to the sun and its ultraviolet radiation, classified by the Department of Health and Human Services as a known carcinogen, is the leading cause of skin cancer;

Whereas it is critically important to be safe in the sun because skin cancer is the fastest growing cancer in our country today, affecting 1 in 5 Americans during their lifetimes and killing 1 person every hour of every day;

Whereas more than 1,000,000 new cases of skin cancer will be diagnosed in the United States this year, accounting for nearly half of all new cases of cancer and exceeding the incidence of breast, prostate, lung, and colon cancer combined;

Whereas most people receive approximately 80 percent of their lifetime sun exposure by age 18, setting the stage for skin cancer later in life;

Whereas skin cancer is highly preventable by taking simple precautions when engaged in outdoor activities;

Whereas research demonstrates that practicing good sun safety has the potential to significantly reduce the risk of skin cancer;

Whereas the Sun Safety Alliance and its members have dedicated themselves to promoting sun safety, eliminating skin cancer from excessive sun exposure, and encouraging sun protection practices, especially among children; and

Whereas the Sun Safety Alliance has designated the week of June 5, 2005, to June 11, 2005, as National Sun Safety Week: Now, therefore, be it

Resolved, That the Senate—

- (1) recognizes
 - (A) the importance of sun safety; and
 - (B) the need for school-based sun safety education programs;
- (2) encourages all Americans to protect themselves and their children from the dangers of excessive sun exposure;
- (3) congratulates the Sun Safety Alliance for its efforts to promote sun safety and prevent skin cancer; and
- (4) supports the goals and ideas of National Sun Safety Week.

SENATE CONCURRENT RESOLUTION 41—RECOGNIZING THE SACRIFICES BEING MADE BY THE FAMILIES OF MEMBERS OF THE ARMED FORCES AND SUPPORTING THE DESIGNATION OF A WEEK AS NATIONAL MILITARY FAMILIES WEEK

Mr. HAGEL (for himself and Mr. MARTINEZ) submitted the following concurrent resolution; which was referred to the Committee on Armed Services:

S. CON. RES. 41

Whereas the people of the United States have a sincere appreciation for the sacrifices being made by the families of members of the Armed Forces while their loved ones are deployed in the service of their country;

Whereas military families face unique challenges while their loved ones are deployed because of the lengthy and dangerous nature of these deployments;

Whereas the strain on military family life is further increased when these deployments become more frequent;

Whereas military families on the home front remain resilient because of their comprehensive and responsive support system;

Whereas the brave members of the Armed Forces who have defended the United States since September 11, 2001, continue to have incredible, unending support from their families; and

Whereas the week of June 12, 2005, has been proposed to be designated as National Military Families Week: Now, therefore be it

Resolved by the Senate (the House of Representatives concurring), That Congress—

- (1) recognizes the sacrifices of military families and the support they provide for their loved ones serving as members of the Armed Forces; and
- (2) supports the designation of a week as National Military Families Week.
