STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. CORZINE (for himself and Mr. LAUTENBERG):

S. 257. A bill to amend title 23, United States Code, to provide grant eligibility for a State that adopts a program for the impoundment of vehicles operated by persons while under the influence of alcohol; to the Committee on Environment and Public Works.

Mr. CORZINE. Mr. President, this legislation addresses the serious national problem of drunk driving by helping to ensure that when drunken drivers are arrested, they can't simply get back into their car and put the lives of others in jeopardy. This is based on original legislation, known as “John's Law,” that I introduced in the Senate in the 108th Congress and that has already been enacted at the State level in New Jersey. I am proud that Senator LAUTENBERG will be co-sponsoring this legislation.

On July 22, 2000, Navy Ensign John Elliott was driving home from the United States Naval Academy in Annapolis for his mother's birthday when

his car was struck by another car. Both Ensign Elliott and the driver of that car were killed. The driver of the car that caused the collision had a blood alcohol level that exceeded twice the legal limit.

What makes this tragedy especially distressing is that this same driver had been arrested and charged with driving under the influence of alcohol, DUI, just three hours before the crash. After being processed for that offense, he had been released into the custody of a friend who drove him back to his car and allowed him to get behind the wheel, with tragic results.

We need to ensure that drunken drivers do not get back behind the wheel before they sober up. With this legislation, States would be allowed to use some of their drunk driver prevention grant money from the Federal Government to impound the vehicles of drunk drivers for no less than 12 hours. This would help ensure that a drunk driver cannot get back behind the wheel until he is sober. And that would make our roads safer, and prevent the loss of many innocent lives.

Mr. President, I ask unanimous consent that the text of the bill be printed in the RECORD.

There being no objection, the bill was ordered to be printed in the RECORD, as follows:

S. 257

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “John's Law of 2005”.

SEC. 2. ALCOHOL-IMPAIRED DRIVING COUNTER-MEASURES.

Section 410(b)(1) of title 23, United States Code, is amended by adding at the end the following:

“(H) PROGRAM FOR IMPOUNDMENT OF VEHICLES.—A program to impound a vehicle for no less than 12 hours that is operated by a person who is arrested for operating the vehicle while under the influence of alcohol.”

By Mr. DEWINE (for himself and Mr. DODD):

S. 258. A bill to amend the Public Health Service Act to enhance research, training, and health information dissemination with respect to urologic diseases, and for other purposes; to the Committee on Health, Education, Labor, and Pensions.

Mr. DEWINE. Mr. President, I rise along with Senator DODD to introduce the Training and Research in Urology Act—also known as the TRU Act. During my career in the U.S. Senate, I have supported the successful effort to double National Institutes of Health (NIH) research funding and have provided a strong voice for our children. This bill complements these past and continued efforts. It helps provide urologic scientists with the tools they need to find new cures for the many debilitating urologic diseases impacting men, women, and children. This legislation is important to my home state of Ohio and would impact many families in Ohio and nationwide who are afflicted with urologic diseases.
