AUTHORITY TO SIGN ENROLLED BILLS OR JOINT RESOLUTIONS

Mr. FRIST. Mr. President, I ask unanimous consent that during the adjournment of the Senate, the majority leader and majority whip and both Senators from Virginia be authorized to sign duly enrolled bills or joint resolutions.

The PRESIDING OFFICER. Without objection, it is so ordered.

NATIVE HAWAIIAN GOVERNMENT REORGANIZATION ACT OF 2005—MOTION TO PROCEED

Mr. FRIST. Mr. President, I now move to proceed to Calendar No. 101, S. 147, the Native Hawaiians bill, and I send a cloture motion to the desk.

The PRESIDING OFFICER. The cloture motion having been presented under rule XXII, the Chair directs the clerk to read the motion.

The legislative clerk read as follows:

CLOTURE MOTION

We the undersigned Senators, in accordance with the provisions of rule XXII of the Standing Rules of the Senate, do hereby move to bring to a close debate on the motion to proceed to Calendar No. 101, S. 147: A bill to express the policy of the United States regarding the United States relationship with Native Hawaiians and to provide a process for the recognition by the United States of the Native Hawaiian governing entity.

Bill Frist, Jon Kyl, Gordon Smith, Orrin Hatch, Lincoln Chafee, Chuck Grassley, Lindsey Graham, Norm Coleman, Daniel Inouye, Daniel K. Akaka, Patrick Leahy, Harry Reid, Dick Durbin, Patty Murray, Jack Reed, Dianne Feinstein, Herb Kohl.

Mr. FRIST. Mr. President, I am happy to yield to the Senator from Hawaii for a comment on the Native Hawaiians bill.

Mr. AKAKA. Mr. President, I thank the Majority Leader. I rise today to express my thanks to the Majority Leader for laying down the cloture petition on the motion to proceed to S. 147. As many of my colleagues are aware, I have worked closely with Hawaii's senior senator to bring the Native Hawaiian Government Reorganization Act to the Senate floor for debate and vote. We have struggled for five years to bring this bill to the floor.

I applaud the Majority Leader and the Democratic Leader for their efforts to uphold a commitment that was made last year for a debate and vote on the Native Hawaiian Government Reorganization Act prior to the August recess. While I am very disappointed that we were not able to consider the bill, I look forward to action on S. 147 when we return in September.

This is a bipartisan bill which is widely supported in Hawaii. The bill is supported by Hawaii's Governor, Linda Lingle, the first Republican governor in Hawaii in 40 years, who testified in strong support of the bill before the Senate Committee on Indian Affairs. The bill is also supported by the Hawaii State Legislature which passed resolutions in support of the bill in 2000, 2001, and 2005. The bill is cosponsored by Senators CANTWELL, COLEMAN, DODD, DORGAN, GRAHAM, INOUE, MURKOWSKI, SMITH, and STEVENS. I want to especially thank the bill cosponsors who have actively worked with us to try to get this bill before the Senate.

S. 147 sets up a process for the reorganization of the Native Hawaiian governing entity for the purposes of a fed-

erally recognized government-to-government relationship. Congress has always treated Native Hawaiians in a manner similar to that of American Indians and Alaska Natives because of its recognition of Native Hawaiians as indigenous peoples.

Some have argued that Native Hawaiians are not native "enough" for a government-to-government relationship. There is no doubt that Native Hawaiians are indigenous to Hawaii. There is no doubt that Native Hawaiians exercised sovereignty over the Hawaiian archipelago. There is no doubt that Native Hawaiians had a governing structure and entered into treaties with the United States, similar to that of their American Indian and Alaska Native brethren.

Where we differ is that whereas most tribes have been allowed to retain their governing structure, Native Hawaiians, following the overthrow of the Hawaiian Kingdom, were forbidden from maintaining their government. Native Hawaiians did, however, maintain distinct communities, and retained their language, customs, tradition, and culture despite efforts to extinguish these "native" practices.

The bill does not create a new relationship—Congress has long recognized its legal and political relationship with Native Hawaiians as evidenced by the many statutes enacted to address the conditions of Native Hawaiians. This bill does not create a new group of natives—we have always been here, in fact we were here before the United States. Rather, this bill establishes parity in federal policies towards native peoples in the United States by formally extending the federal policy of self-governance and self-determination to Native Hawaiians.
