

APPOINTMENT

The PRESIDING OFFICER. The Chair, on behalf of the Democratic leader, after consultation with the members of the Committee on Health, Education, Labor, and Pensions, and the Committee on Aging, pursuant to Public Law 100-175, as amended by Public Laws 102-375, 103-171, and 106-501, appoints the following individual as a member of the Policy Committee to the White House Conference on Aging: the Honorable HARRY REID of Nevada.

Mr. REID. Every 10 years, the President convenes a White House Conference on Aging—WHCoA. It conducts extensive work to understand and develop policy recommendations on issues of critical importance to our seniors.

The WHCoA is made up of a Policy Committee recommended by Congress and the President from the public and private sector. The work of the committee culminates in the October WHCoA which will be attended by 12,000 delegates and other officials. The theme of this year's conference, "The Booming Dynamics of Aging: From Awareness to Action" will deal with a broad range of issues from workplace opportunities for older workers to health care and access to affordable prescription drugs.

Following the October meeting, WHCoA formulates a series of policy recommendations for Congress and the President.

Senator Daschle was gracious enough to place me on the policy committee because of my strong interest in the topics it would consider. Many of those issues are of critical importance to Nevadans. In particular, I assumed a position on the Health and Long Living Subcommittee because its work will focus on access to care and affordable prescription drugs, disease prevention and quality of care.

Today, I have decided to pass the torch of this important post to my friend and colleague, Thomas E. Gallagher. These issues are near to his heart. Tom will be an important voice on the WHCoA for Nevadans and all Americans.

Tom's extensive private sector experience will be a great asset to the con-

ference as it works to formulate recommendations to Congress. Through his work as chief executive officer—CEO—chief administrative officer and general counsel of several Fortune 500 Companies, Tom became intimately familiar with the health care challenges facing the business community.

For example, as President and CEO of Park Place Entertainment—now Caesars Entertainment—Mr. Gallagher reached a historic contract with Nevada's Culinary Union resulting in fully paid health care and free prescription drugs for employees, as well as retiree benefits for seniors.

Prior to his corporate management work, Tom was a partner in Gibson, Dunn & Crutcher, specializing in corporate finance, mergers and acquisitions. He graduated magna cum laude from the College of Holy Cross in Worcester, MA in 1966. He graduated from Harvard Law School with honors in 1969 and was the Editor-in-Chief of the Harvard Journal on Legislation.

I plan to work closely with Tom as he works on the WHCoA on meetings to help ensure that the issues and view of Nevadans are explored in the listening sessions, solution meetings and other WHCoA events.
