

IN RECOGNITION OF THE 45TH ANNIVERSARY OF THE PEACE CORPS AND IN CELEBRATION OF NATIONAL PEACE CORPS WEEK

HON. ELLEN O. TAUSCHER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 28, 2006

Mrs. TAUSCHER. Mr. Speaker, I rise today in celebration of National Peace Corps Week and to congratulate the 7,800 Peace Corp Volunteers—including 31 of my constituents—who are serving their country today in 72 countries around the world.

More than 182,000 Peace Corps Volunteers have served in 138 countries since the organization's inception in 1961. Every year, thousands of selfless volunteers share their time and talents by serving as teachers, business advisors, information technology consultants, health and HIV/AIDS educators, and youth and agriculture workers.

In addition to serving countries around the globe, 272 Peace Corps' Crisis Corps Volunteers were deployed to the Gulf Coast in the wake of Hurricane Katrina and Hurricane Rita. These volunteers assisted the Federal Emergency Management Agency with hurricane response efforts. The deployment of Peace Corps' Volunteers within the United States was a historic first, and a great help in managing this national disaster.

I praise our nation's Peace Corps volunteers who serve their country and the world as humanitarians, devoting themselves to transferring life-changing knowledge and skills to the people of other nations.

Mr. Speaker, I salute the hundreds of thousands of men and women of this nation who have selflessly served abroad as Peace Corps Volunteers. On this 45th Anniversary of the Peace Corps, I am especially proud to represent 31 such volunteers and I offer them my sincere gratitude.

HONORING THE 100TH ANNIVERSARY OF THE TRI CITIES KNIGHTS OF COLUMBUS COUNCIL 1098

HON. JERRY F. COSTELLO

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 28, 2006

Mr. COSTELLO. Mr. Speaker, I rise today to ask my colleagues to join me in recognizing the 100th Anniversary of the Tri Cities Knights of Columbus Council 1098.

In 1906, with an initial enrollment of 58 members, the Tri Cities Knights of Columbus Council 1098 was formed. The first Grand Knight was Mr. E. J. Sweeney and the early meetings were held in a hall in Madison, Illinois before moving to neighboring Granite City.

The years before World War I saw steady growth in membership and the establishment of the Knights of Columbus as a presence within the Tri Cities community. During the Great Depression and World War II, membership dwindled and it was only through the determination of the few dedicated members that the council survived. While most social activities for the members ceased during the war,

the council opened the doors of their facilities for the entertainment of the troops stationed at the Granite City Engineering Depot.

After World War II, membership grew rapidly. During the 1950's a circle of the Daughters of Isabella was established for the wives and daughters of members and a circle of the Columbian Squires was formed to promote youth activities.

Social and athletic activities for members and their families expanded and grew but service and acts of charity continued to be the cornerstones of the council. The first chairman of Catholic Charities in the Tri Cities area was a past Grand Knight and members continued to be driving forces in this organization.

Council 1098 has been a significant supporter of community, charitable and educational organizations. The Council has directly contributed in excess of \$100,000 annually in support of local Catholic education and provided more than \$60,000 in scholarships annually. They have also contributed more than \$15,000 a year to developmentally challenged service organizations.

While they have always focused on helping those within their community, Council 1098 has also extended its helping hands to those in need outside their boundaries. In response to the devastation wrought by Hurricane Katrina, the Council raised \$50,000 in Katrina Relief and continues to provide on-going support to Brother Knights on the gulf coast.

Tri Cities Knights of Columbus Council 1098 has seen many changes through the last 100 years but they have always stayed true to the Knights of Columbus goals of Charity, Unity and Fraternity.

Mr. Speaker, I ask my colleagues to join me in honoring the 100th Anniversary of the Tri Cities Knights of Columbus Council 1098 and wish the best to them for continued service in the future.

TRIBUTE TO THE LATE LARRY BLACK, OLYMPIC GOLD MEDALIST

HON. KENDRICK B. MEEK

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 28, 2006

Mr. MEEK of Florida. Mr. Speaker, I rise to bring to the attention of my colleagues the passing of a Miami native and a sports legend, sprint star Larry Black, who died last Wednesday, February 15, 2006.

Born on July 20, 1951 in Miami, Florida, Larry Black was an athlete of extraordinary ability and striking grace. He didn't run as fast as the wind; he was faster.

While still a student at North Carolina Central University, Larry Black won two medals at the 1972 Olympic Games in Munich. He won a gold medal for running the lead leg of Team USA's winning the 4x400 relay squad, and he also captured the silver medal in the 200 meters event, which he ran in 20.19 seconds.

Larry Black was an 11-time collegiate All-American who won four individual national championships and was a part of 3 national championship relay teams. He won NCAA outdoor titles in 1971 (220-yard) and 1972 (200m), and the NAIA indoor 60-yard dash crown in 1974. Black also set the NAIA Championship meet record in the 200m dash in 1972 (20.0 seconds) to help the Eagles win

the 1972 NAIA Outdoor Track & Field Championship in Billings, Montana. His record still stands today.

As a relay team member, Black won national championships in the 1970 NCAA outdoor 440-yard relay and the 1972 NAIA 4x100m (39.5 seconds) and 4x400m (3:04.8 minutes) relays. Both of these relay times still stand as meet records for hand-timing. For his efforts, he was selected as the 1972 NAIA Championships Herbert B. Marett Outstanding Performer. For the last 10 years, Black has been a personal trainer in Coral Gables.

Larry Black is survived by his wife Cheresse, 4 daughters and 2 grandsons. I know that my colleagues join me in sending to Larry Black's family our deepest condolences for their loss, and in celebrating the life of a man of extraordinary ability who had the discipline and desire to hone his talents so finely that he became the best in the nation and in the world.

HONORING SANDRA MACKINNON COSENZA ON THE OCCASION OF HER RETIREMENT

HON. ROSA L. DeLAURO

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 28, 2006

Ms. DeLAURO. Mr. Speaker, it is with great pleasure that I rise today to join the many family, friends and colleagues who have gathered to honor a very special woman, and my dear friend, Sandra MacKinnon Cosenza, as she celebrates her retirement. After more than thirty-four years of dedicated service, Sandy will be leaving Area Cooperative Education Services, one of six educational service centers that were formed under Connecticut State Statute in 1970. A result of recognizing that school districts must work together to meet the ever-changing needs of local education systems, these centers provide an environment where quality programs can be planned, developed and implemented—giving our young people access to the best educational opportunities possible.

Education is the cornerstone of success and the most critical link between our young people and their futures. Throughout our country, we look to our towns and cities to provide these invaluable skills to our children. That is what ACES is all about and its success would not have been possible without Sandy. As former Executive Director Peter Young recently described, for the first twenty years of its existence, Sandy was the heart of the ACES Personnel office—advertising vacancies, processing applications, providing orientation for new hires and ensuring that staff not only received their benefits but also met their specific needs. Everyone consulted with Sandy and welcomed her advice and suggestions. In addition, she built and improved staff spirit by organizing social events and took special care to provide the Governing Board with all that they needed.

Beyond her administrative skills was her commitment to the students of ACES. Though many of them will never know, Sandy's genuine care and concern for their education both inside and outside the classroom made all the difference in their lives. She began a Jesse tree which allowed staff to contribute clothing

and other gifts at Christmas for students who came from families in need. She fostered the notion of Holiday cards for ACES—cards designed by students which were used as an outreach tool to the school districts which they serve. It is from these special contributions to the ACES students that Sandy was able to pass on a very unique lesson—they learned the value and reward of giving back to their community. It is easy to see why Sandy will be missed by staff and students alike.

In addition to her career at ACES, Sandy has been married to her wonderful husband, Henry, for forty-two years and has raised two exceptional daughters, Robyn and Jennifer. She has also recently become a grandmother—a role which no doubt she will happily dedicate more of her time to in her retirement. I could not speak about Sandy without also personally thanking her for her many years of special friendship. She is more than a friend—she is family. Words cannot begin to express my appreciation and gratitude for the tireless support she has shown to me and my family.

And so, it is with deep admiration and affection that I stand today to join her husband, Henry; her children, Robyn and Jennifer; her son-in-law, Kevin, her grandson, Ian; family, friends and colleagues in extending my sincere congratulations to Sandra Cosenza as she celebrates her retirement. Sandy is a remarkable woman whose generosity and compassion has left an indelible mark on the lives of all of those who know her and many that do not. Though she will be enjoying her retirement years, I am certain that Sandy will continue to touch the lives of others—her extraordinary warmth and kind heart making all the difference. I am happy to extend my very best wishes to her for many more years of health and happiness.

TRIBUTE TO MEIKLEJOHN CIVIL
LIBERTIES INSTITUTE

HON. BARBARA LEE

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 28, 2006

Ms. LEE. Mr. Speaker, I rise today to highlight the efforts of the Meiklejohn Civil Liberties Institute (MCLI), a non-profit organization in my district. The MCLI, founded in 1965, is a think tank that works on national and international human rights issues as they relate to the U.S. In 1995, the Institute's Human Rights Reporting Project began using U.S. treaties as tools to work for human rights.

In 2005, the MCLI issued a report entitled Challenging U.S. Human Rights Violations Since 9/11 in response to the failure of the U.S. government to submit timely and accurate reports to the United Nations (UN). According to 3 U.N. treaties ratified by the U.S. in 1992 and 1994, the U.S. is required to submit regular reports to U.N. oversight committees about human rights abuses and enforcement measures at the local, State, and Federal levels.

On March 15, 2005, the Berkeley City Council passed Resolution 62,841 in which the City Council resolved to submit a copy of Challenging to the U.S. State Department, the U.N. High Commissioner for Human Rights, and the UN Human Rights Committee. On March 31, 2005, MCLI presented Challenging

to the U.S. State Department for use in the preparation of its late reports to the oversight committees.

Although the second and third reports for the International Covenant on Civil and Political Rights (ICCPR) treaty were due in 1998 and 2003, the U.S. State Department did not file a report until October 21, 2005. According to the MCLI, this combined second and third report fails to contain various instances of U.S. human rights violations and lack of enforcement measures. The combined U.S. Report will be discussed by the U.N. Human Rights Committee in March 2006 in New York and will be examined in greater detail by the committee in the summer of 2006 in Geneva.

The Challenging report raises important enforcement and reporting violations committed by the U.S. I encourage my colleagues to read this report for more information. The U.S. must comply with the treaties it signed in order to protect the rights of individuals both domestically and abroad and to realign the U.S. with the principles it was founded on. I appreciate the work of MCLI to promote and protect human rights around the globe and congratulate them on this report.

HONORING CAROLYN MEEKER

HON. MICHAEL BILIRAKIS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 28, 2006

Mr. BILIRAKIS. Mr. Speaker, I rise today to honor Carolyn Meeker, a community champion whose activism has been missed by those in the small community for which she once fought.

Carolyn Meeker was a community treasure in the tiny town of Lutz, located in my congressional district. A native New Yorker, she moved to Lutz in the mid-1960s and quickly became immersed in issues affecting her and her neighbors. She led the charge against suburban sprawl and excessive development. She successfully restricted zoning laws and helped impose limitations on public well field pumping.

Mrs. Meeker became a regular at Hillsborough County Commission meetings. She firmly, but politely, shared her well-reasoned arguments with commissioners, many of whom favored that which she opposed. Her arguments often carried the day because, as a long-time friend once noted, she let facts, not emotion, guide her.

She eventually ran for the Commission herself, narrowly losing the election but nonetheless continuing her crusade to protect the rural lifestyle which so many in Lutz love. She subsequently served on many County-appointed boards working for better growth management. She also headed the Lutz Civic Association. She died in 2003 after a determined fight against cancer.

Mr. Speaker, Carolyn Meeker was a shining example of what community service and citizenship is all about. Her life reminds me that we all share a responsibility to be civic-minded and to fight for that in which we believe. Many of my constituents are better off because she did.

HONORING THE 100TH ANNIVERSARY OF THE RADNOR FIRE COMPANY, SERVING RADNOR AND PARTS OF DELAWARE, MONTGOMERY AND CHESTER COUNTY, PA

HON. CURT WELDON

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 28, 2006

Mr. WELDON of Pennsylvania. Mr. Speaker, it is a great honor for me to rise today to congratulate the Radnor Fire Company for 100 years of dedicated service to the residents of Radnor, Tredyffrin and the surrounding communities in Pennsylvania.

On a historical note, after 30 years of service in 1904, the Wayne Hose Company & Wayne Chemical Company disbanded leaving no fire protection for the community. Following a devastating fire that completely destroyed the Wayne Suburban newspaper building in March of 1906, 24 men organized the Radnor Fire Company to protect the community and incorporated on March 15, 1906.

The Wayne steam plant agreed to sound the steam whistle if there was a fire and it sounded its first alarm on May 24, 1906 for a working house fire near Stafford train station. In that first year of existence the Radnor Fire Company responded to 13 fire calls.

In 1907, looking to improve the firefighting capabilities the members were tasked to find a motorized fire truck. Since none existed at that time they drew specifications and The Knox Company was hired to build the first motorized fire pump in the United States.

The firefighters of the Radnor Fire Company have an impressive record when it comes to firefighting. The fire company has fought such spectacular blazes including four at Villanova University, six at Valley Forge Military Academy, the Pennsylvania Fire Works Company explosion in Devon, the Wayne Opera House, Caley Nursing Home and crashes of P-40 fighter planes during World War II. During that time, the fire company manpower was augmented by a "school boy fireman"—Rick Taddeo, who is still a member today.

The first ambulance was purchased in 1947 with funds raised by the Rotary Club following the death of a Radnor firefighter. By the 1970's the fire company was responding to 390 fire and 890 ambulance calls annually. Today they answer nearly 800 fire and 4,000 ambulance calls annually.

From its beginning with a horse-drawn fire apparatus to the first motorized firefighting equipment to its modern new trucks of today, Radnor is a leader in firefighting capabilities and continues to protect the citizens of Radnor, portions of Tredyffrin and the surrounding communities.

I would like to take this opportunity to thank all those who have dedicated not only their time, but also their lives, to the safety of all Radnor residents as well as surrounding communities. As a former fire chief in Marcus Hook, I am aware of the risks firefighters face each day, under intense pressure, in life or death situations. Our thanks and appreciation can never repay those who put their lives on the line to ensure our safety. I am proud to recognize and commend the tremendous commitment, courage and dedication of the Radnor Fire Company members who continue
