HON. JON C. PORTER

OF NEVADA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 9, 2006

Mr. PORTER. Mr. Speaker, I rise today to honor Bill Boyd who died on December 21, 2005. Bill will be remembered for his contributions to the Southern Nevada Officials Association as a baseball umpire and to the youth of Henderson and Las Vegas as a mentor and friend.

Bill began his career as an umpire in San Diego, where he was president and instructional chair-person of the Baseball Umpires Association from 1986 to 1993. He was also a football coach at three different high schools in the San Diego area. His most famed pupil was current NFL player John Lynch, whom he coached at Torrey Pines High School in Del Mar, California. In 1995, Bill moved with his family to Henderson and began serving as an umpire. He umpired Division I collegiate baseball in the Mountain West conference and the Western Athletic Conference, and was an alternate umpire for the Las Vegas 51s.

Youth Baseball, however, was his passion. Bill could be seen at almost every youth play-off game or tournament in the area. He umpired at the American Legion World Series and many other youth sporting events, including football around the Las Vegas Valley. He cared for everyone around him and showed it through his dedicated service and good example, on and off the field.

Mr. Speaker, today, as I stand on the floor of the House, I am honored for the opportunity

to pay tribute to Bill Boyd and the great life that he lived.

TRIBUTE TO ORANGEBURG COUNTY

HON. JAMES E. CLYBURN

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 9, 2006

Mr. CLYBURN. Mr. Speaker, I rise today to commend Orangeburg County, South Carolina upon their receipt of the All-America County Award. This award, the oldest and most prestigious civic award in existence, recognizes communities for their outstanding problem solving efforts through local collaboration. It gives me great pleasure to acknowledge their tremendous achievement.

I would also like to applaud the efforts of the local leaders that have worked so hard and accomplished so much. They include the Orangeburg County Council: John H. Rickenbacker, Harry F. Wimberly, Clyde B. Livingston, Heyward H. Livingston, Johnny Ravenell, and Johnnie Wright, Sr.; the Orangeburg County Administrator: Bill Clark; and the Orangeburg County Development Commission: B. Jeannine Kees, George R. Dean, Joey A. Williamson, Jr., E. J. Ayers, Willie R. Canteley, Barron Driskell, James C. Hunter, Jr., Ken Middleton, Marion F. Moore, Harry Nesmith, Alva Whetsell, Jr., and C. Gregory Robinson.

Community pride has spurred many of the creative ideas leading to Orangeburg County's All-America County Award. This honor is a testament to business, government, and education communities working together for the good of the whole. These partnerships can be seen throughout the county. With this cooperative approach by the entire "county community," improvements have been made to the quality of life for all citizens in the County of Orangeburg. Inventive initiatives have been implemented in the following areas: community development and revitalization, creative funding for public infrastructure, and improvement of the lives of "at-risk" children.

Revitalization and community development have also been achieved in all 17 municipalities. This economic development achievement reflects 100 percent participation of local areas, including the following: Orangeburg, Livingston, North, Neeses, Woodford, Norway, Branchville, Santee, Rowesville, Springfield, Holly Hill, Eutawville, Bowman, Cordova, Cope, Vance, and Ellore.

Funding through the Penny Sales Tax Capital Project has provided critical infrastructure investment in road construction, water and wastewater facilities, and other important areas such as parks and recreational projects. The original penny tax in 1998 funded 116 projects across the county, totaling \$53 million in investment. The renewal in 2004 provides investment funds for 108 projects totaling \$71 million.

Creative youth and outreach projects such as Healing Species, a 3rd grade curriculum, which uses neglected and abused dogs in crime prevention seminars, have improved the lives of "at-risk" children county-wide. Created by Orangeburg County, the program is now being replicated nationally. The Youth Enhancement Summit is another successful community collaboration. Partnering with the County, South Carolina State University, and the South Carolina Department of Juvenile Justice, the initiative brings children's service agencies across the entire county together to improve their overall effectiveness.

Additionally, Orangeburg County's Community of Character effort is a collaborative initiative to partner with all segments of the community such as education, business, industry, family, faith, government, media, and civic. It establishes a community culture that encourages, recognizes, and rewards good character. Orangeburg County is one of only two counties in South Carolina, and 28 counties nationwide who have passed character resolutions.

Mr. Speaker, I ask that you and my colleagues join me in commending Orangeburg County for its well-deserved distinction as All-America County. Orangeburg County continues to make great strides in education, economic growth, and community development. Its dedicated citizens work everyday to create new promise. I am proud to represent them in this body and of their hard work and vision.
