As Co-Chairman of the U.S. Helsinki Commission, I have worked over the past four years with other Members of Congress and parliamentarians from around the world to fight anti-Semitism. I was pleased to have either authored or cosponsored three resolutions at the OSCE Parliamentary Assembly, which condemned anti-Semitism, while also being a principal sponsor to the Global Anti-Semitism Review Act that passed the Congress and was signed into law by President Bush in 2004. Internationally, the OSCE has held three international meetings focusing on anti-Semitism and has pledged to hold another major conference in Romania in 2007.

Mr. Speaker, while our struggle continues, we have made progress, moving governments and international organizations to begin to act. To reverse Edmund Burke's truism, what is necessary for the triumph of good over evil is for good men and women to take action.

SENATE COMMITTEE MEETINGS

Title IV of Senate Resolution 4, agreed to by the Senate on February 4, 1977, calls for establishment of a system for a computerized schedule of all meetings and hearings of Senate committees, subcommittees, joint committees, and committees of conference. This title requires all such committees to notify the Office of the Senate Daily Digest-designated by the Rules Committee-of the time, place, and purpose of the meetings, when scheduled, and any cancellations or changes in the meetings as they occur.

As an additional procedure along with the computerization of this information, the Office of the Senate Daily Digest will prepare this information for printing in the Extensions of Remarks section of the Congressional Record on Monday and Wednesday of each week.

Meetings scheduled for Thursday, February 2, 2006 may be found in the Daily Digest of today's RECORD.
