DEAR MR. SPEAKER: As a result of my election Thursday as Majority Leader, this letter is to inform you that I resign as Chairman of the Committee on Education and the Workforce and from further service on that Committee. During my five years of service as Chairman on the Committee on Education and the Workforce, the Committee has overseen and enacted 131 public laws designed to improve the lives of all Americans.

I also resign from the Committee on Agriculture on which I have served since being elected to Congress. I would ask that Conference Rule 2 be invoked with respect to my status on both Committees. I am humbled by my peers' decision to elect me as our Majority Leader and I look forward to working with you in that capacity.

Sincerely,

JOHN A. BOEHNER,
Chairman.

The SPEAKER pro tempore. Without objection, the resignation is accepted. There was no objection.

Hon. J. DENNIS HASTERT,
Speaker, House of Representatives,
Washington, DC.

DEAR MR. SPEAKER: This is to notify you formally, pursuant to Rule VIII of the Rules of the House of Representatives, that I have been served with a subpoena, issued by the District Court of Johnson County, Kansas, for testimony in a criminal case.

ADMINISTRATION CUTS OFF FEDERAL FUNDS TO OSU STUDY

(Mr. INSLEE asked and was given permission to address the House for 1

minute and to revise and extend his remarks.)

Mr. INSLEE. Mr. Speaker, we have another concern today arising about the administration's potential abuse of the scientific process in making policy.

Today, the Associated Press reported that the Bureau of Land Management under this administration has suspended funding for the final year of a study from Oregon State University on the impact of logging in national forests burned by wildfires.

Findings of these studies were published last month in the magazine Science, and they suggested that the administration's stance on salvage logging runs counter to the real goals regarding forest regeneration and fire prevention. I am concerned in this case that we have seen yet another situation where funding may have been frozen to punish scientific results legitimately conducted at Oregon State University, and that is why I have called on the Interior Department's inspector general today to investigate whether or not this in fact has occurred.

Did Daniel Donato and his research team from OSU lose funding because of this cause? Is this another punishment situation? We need to find out. We have got to respect science and use it accordingly.

DEAR MR. SPEAKER: I hereby respectfully resign my seat on the House Energy and Commerce Committee effective February 7, 2006. I would like to express my deep gratitude to you and Chairman Barton for the opportunity to serve and look forward to continuing to work with you in the future.
