

We have passed lots and lots of bills. We passed in December the Border Protection, Antiterrorism, and Illegal Immigration Control Act. Any help from the Democrats? No.

We are working hard to protect the American people in the way that they should be protected. And one of the ways that we need to be doing that is to be reducing the spending of the Federal Government and reducing the burden on hardworking Americans.

We also need to make sure that we maintain our freedom so that we can do all the other things that we want to do. That is what the Republicans are doing.

What you hear out of the Democrats is a lot of empty rhetoric, and I am afraid that it just won't wash anymore, because the Truth Squad is going to be around all the time calling their hand on the things that they are saying that are simply not true.
