

Big Oil and bring the price down while we transition to a more sustainable model, and then we have got to invest in the new technologies that will lead us to energy independence and efficiency.

But, sadly, the Republican majority and the Bush White House have no interest in taking America in that direction. The petroleum industry is a very, very generous campaign contributor. Eighty-five percent of their massive contributions out of that obscene profit flowed to the Republican Party and the Bush White House last year, and they are not going to take them on. Well, we should take them on for the interest of America and the American people. And I tell you, this is one Member, and I believe there are other Members on this side and even a few on that side who are willing to take them on. We have to deal with the trade deficit, and part of that is getting a sustainable energy policy.

Eternal Father, creator of the universe, we come to You today believing that You hear our prayers and are concerned about the details of our lives. We thank You, O God, for the right to lift up Your holy name in this setting.

Today we not only seek blessings from Your omnipotent hands, we seek to honor You in thought, word and deed.

#### PLEDGE OF ALLEGIANCE

The SPEAKER pro tempore. Will the gentleman from Texas (Mr. POE) come forward and lead the House in the Pledge of Allegiance.

Mr. POE led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

#### ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore. Under clause 5(d) of rule XX, the Chair announces to the House that, in light of the resignation of the gentleman from Texas (Mr. DELAY), the whole number of the House is adjusted to 432.

#### MATRICULA CONSULAR CARD

(Mr. POE asked and was given permission to address the House for 1 minute.)

Mr. POE. Mr. Speaker, when Generalissimo Fox leaves office this year, the illegal Mexican citizens in America better hope they find someone who cares as much about them as he does. Since the Sly Fox cannot take care of his own people, he makes his problem our problem.

He has encouraged their careers by sending them north to the United States so they can have a career; and when they had no ID in our foreign land, his answer, the matricula consular card, a Mexican ID card for illegals in the United States.

Then this Fox of Mexico started creating a vast network of American businesses and banks that will accept these cards so his illegals can open up a U.S. bank account and wire money home, that is right, back to Mexico.

Ironically, even Mexican banks do not accept this matricula card. But U.S. banks do, and they help illegal immigrants send home more than \$12 billion every year, money that the United States Government ought to consider charging a 10 percent fee on, keep some of that money in America.

Mr. Speaker, be that as it may, the banks and businesses that do this are doing nothing more than encouraging illegal entry into the United States.

The Mexican Government may be controlling the United States immigration policy. In fact, since they are issuing IDs for people in our country

from their country and making sure it is accepted, it is just like American Express, the matricula card is everywhere you want to be, without that yearly fee.

That's just the way it is.

#### ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, the Chair will postpone further proceedings today on motions to suspend the rules on which a recorded vote or the yeas and nays are ordered, or on which the vote is objected to under clause 6 of rule XX.

Record votes on postponed questions will be taken after 6:30 p.m. today.

#### AMENDING RECLAMATION PROJECTS AUTHORIZATION AND ADJUSTMENT ACT OF 1992

Mr. RENZI. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 4013) to amend the Reclamation Projects Authorization and Adjustment Act of 1992 to provide for conjunctive use of surface and groundwater in Juab County, Utah.

The Clerk read as follows:

H.R. 4013

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*

#### SECTION 1. CONJUNCTIVE USE OF SURFACE AND GROUNDWATER IN JUAB COUNTY, UTAH.

Section 202(a)(2) of the Reclamation Projects Authorization and Adjustment Act of 1992 (Public Law 102-575) is amended by inserting "Juab," after "Davis,".

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Arizona (Mr. RENZI) and the gentlewoman from South Dakota (Ms. HERSETH) each will control 20 minutes.

The Chair recognizes the gentleman from Arizona.

#### GENERAL LEAVE

Mr. RENZI. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks and include extraneous material on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Arizona?

There was no objection.

Mr. RENZI. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, H.R. 4013, introduced by Congressman CHRIS CANNON, allows Juab County in Utah to become eligible for specific water supply funding under the Central Utah Project.

Currently, there are five counties in the State that are eligible to receive such funding, and this legislation adds Juab to this list. Water is scarce in southern Utah, and allowing Juab County to receive these funds will help maximize surface water flows and groundwater sources through what is known in the water arena as conjunctive use.

This practice is commonly used in our parched Western States, and its popularity increases each year. I commend Mr. CANNON of Utah for introducing this legislation. I urge my colleagues to support this noncontroversial and timely bill.

Mr. Speaker, I reserve the balance of my time.

Ms. HERSETH. Mr. Speaker, I yield myself such time as I may consume.

(Ms. HERSETH asked and was given permission to revise and extend her remarks.)

Ms. HERSETH. Mr. Speaker, we on this side of the aisle support passage of H.R. 4013. This bill would provide the opportunity for conjunctive use of surface and groundwater in Juab County, Utah. The Central Utah Project, as it was originally planned, would have provided Juab County with sufficient water supplies.

However, this project has evolved over time; and under current plans, Central Utah Project water would not be available to east Juab County. The pending legislation resolves this issue and would provide the county with an opportunity to develop needed water resources.

Mr. Speaker, I yield back the balance of my time.

Mr. RENZI. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Arizona (Mr. RENZI) that the House suspend the rules and pass the bill, H.R. 4013.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.
