NOTIFICATION OF AN EXECUTIVE ORDER BLOCKING PROPERTY OF PERSONS IN CONNECTION WITH THE CONFLICT IN SUDAN'S DARFUR REGION—PM 46

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Banking, Housing, and Urban Affairs:

To the Congress of the United States:

Pursuant to the International Emergency Economic Powers Act (IEEPA), I hereby report that I have issued an Executive Order (the "order") blocking the property of persons in connection with the conflict in Sudan's Darfur region. In that order, I have expanded the scope of the national emergency declared in Executive Order 13067 of November 3, 1997, with respect to the policies and actions of the Government of Sudan, to address the unusual and extraordinary threat to the national security and foreign policy of the United States posed by the actions and circumstances involving Darfur, as described below.

The United Nations Security Council, in Resolution 1591 of March 29, 2005, condemned the continued violations of the N'djamena Ceasefire Agreement of April 8, 2004, and the Abuja Humanitarian and Security Protocols of November 9, 2004, by all sides in Darfur, as well as the deterioration of the security situation and the negative impact this has had on humanitarian assistance efforts. I also note that the United Nations Security Council has strongly condemned the continued violations of human rights and international humanitarian law in Sudan's Darfur region and, in particular, the continuation of violence against civilians and sexual violence against women and girls.

United Nations Security Council Resolution (UNSCR) 1591 determined that the situation in Darfur constitutes a threat to international peace and security in the region and called on Member States to take certain measures against persons responsible for the continuing conflict. The United Nations Security Council has encouraged all parties to negotiate in good faith at the Abuja talks and to take immediate steps to support a peaceful settlement to the conflict in Darfur, but has continued to express serious concern at the persistence of the crisis in Darfur in UNSCR 1651 of December 21, 2005.

Pursuant to IEEPA, the National Emergencies Act, and the United Nations Participation Act (UNPA), I have
