#### ADDITIONAL STATEMENTS

##### TRIBUTE TO SANDY BUCHANAN

• Mr. BUNNING. Mr. President, today I pay tribute to Sandy Buchanan of Cold Spring, KY, for her 41 years of service and devotion to the Disabled American Veterans. Her steadfast support reinforces her organization's honorable goal of building better lives for America's disabled veterans and their families.

The Disabled American Veterans is a service organization for the brave men and women who have become sick and disabled as a result of wartime military service. Founded in 1920, this organization serves veterans who have fought in combat since World War I.

Ms. Buchanan began work as a key-punch operator for the Disabled American Veterans on October 12, 1964. In her four decades of service, she has helped the organization grow from supporting 178,864 members to representing 1.3 million members. Over the years, she has risen to the position of executive assistant at the National Headquarters in Cold Spring, KY. During her tenure, Ms. Buchanan has served combat veterans of every war and conflict since World War I.

I now ask my fellow colleagues to join me in thanking Ms. Buchanan for her dedication and commitment to the Disabled American Veterans. Her devotion to our Nation's combat heroes serves as an example to all citizens of the Commonwealth.●

##### CONGRATULATING ST. ELIZABETH MEDICAL CENTER

• Mr. BUNNING. Mr. President, today I rise to congratulate St. Elizabeth Medical Center of northern Kentucky. St. Elizabeth has been named as a magnet hospital by the American Nurses Credentialing Center.

Designation as a magnet hospital by this organization is an extremely prestigious honor, so much so that some have called it the Nobel Prize of hospital nursing. Fewer than 200 providers have received this recognition. This puts St. Elizabeth in the company of only 3 percent of U.S. hospitals.

Just as the award it has received indicates, St. Elizabeth acts as a magnet for nursing. It offers the exceptional quality of nursing care and attracts and retains the most talented nurses. Not only is this good news for St. Elizabeth, but it is good news for the community—they know that if they go to this facility, they will be receiving some of the best care in the country. I

am extremely excited that northern Kentucky is receiving the nursing care that it deserves.

I congratulate St. Elizabeth Medical Center on this achievement. Everyone involved with this institution is an inspiration to the citizens of Kentucky. I look forward to all that St. Elizabeth accomplishes in the future.●
