HONORING MICHAEL D. THOMAS

HON. GUS M. BILIRAKIS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 15, 2007

Mr. BILIRAKIS. Madam Speaker, I rise today to honor Michael D. Thomas, who was killed on April 27, 2007 in Hirat Province, Afghanistan, in support of Operation Enduring Freedom. Michael was a sniper, a weapons sergeant and a combat medic assigned to the 1st Battalion, 7th Special Forces Group, Fort Bragg, NC, and was killed when his unit came under rocket-propelled grenades and small-arms fire.

I did not have the privilege of knowing Staff Sergeant Thomas personally but by all accounts he was a dedicated family man who was devoted to serving his country. He grew up in Seffner, FL, and joined the military police in 1991, serving in Somalia and in Korea. After already having served in the military police for 13 years and with only 3½ years until he could retire, he volunteered to be a Green Beret. At 34, Michael was one of the oldest in his unit, which earned him the nickname "Gramps."

Michael was a highly decorated soldier. His awards and commendations include the Army Commendation Medal, the Army Achievement Medal, the Good Conduct Medal, the National Defense Service Medal, the Korean Defense Medal, the Parachutist Badge and the Special Forces Tab.

Michael was an avid Tampa Bay Buccaneer fan who visited the team's training camp whenever he could. I've been told that he decorated his Fort Bragg room with Buccaneer memorabilia, including signed footballs and helmets. He was also an accomplished guitarist who liked watching movies and going for long walks with his wife, Teresa.

Madam Speaker, my heart aches for Michael's family. He leaves behind his wife, Teresa, his children, Diana and Craig, his sisters, Krista and Cassie, his brother, Jaye, his granddaughter, Alexis, and his parents, Debbie and Robert Kirkpatrick. May God bless the Thomas family and continue to watch over the country that Staff Sergeant Thomas so loved. We shall never forget him.

IN HONOR OF V. LANE RAWLINS AND HIS SERVICE TO WASHINGTON STATE UNIVERSITY

HON. CATHY McMORRIS RODGERS

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 15, 2007

Mrs. McMORRIS RODGERS. Madam Speaker, I rise today to recognize V. Lane Rawlins for his 7 years of leadership as the ninth president of Washington State University (WSU). President Rawlins used those 7 years to build a focused direction for the University, linking world-class research with outstanding undergraduate education.

Part of this world-class research has come from the Agriculture Research Service facility at Johnson Hall, a project that I am proud to have worked on with President Rawlins. This facility provides a place for federal and state research scientists to work together with the academic community in support of technology-based research programs in wheat, barley, and grain legumes.

Providing quality education is key to increasing America's competitiveness and creating a skilled, 21st century workforce. One of my first acts in Congress was to introduce legislation that would reauthorize and strengthen the WWAMI program. I applaud President Rawlins for his support of this important program that recruits and trains primary care doctors to practice in underserved areas like the rural communities of Eastern Washington.

President Rawlins has made it a priority to develop Washington State University campuses statewide. In particular, the Nursing Building at Washington State University Spokane will allow students involved in the nursing and dental programs at WSU to start their first year of training in Spokane and participate in the WWAMI program.

Madam Speaker, I rise today to commend President Rawlins for his outstanding work as the ninth president of Washington State University. I invite my colleagues to join me in thanking President V. Lane Rawlins for his years of service to the University and the Eastern Washington community.

HONORING THE LIFE OF ARNOLD
SHENOFSKY

HON. MARCY KAPTUR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 15, 2007

Ms. KAPTUR. Madam Speaker, I rise to recognize the life of Arnold Shenofsky of Toledo, Ohio. Arnie passed from this life at the age of 92 on March 31, 2007, leaving a legacy of love and friendship to many and rejoining his wife Jessica.

Coming to Toledo as a toddler, Arnie was a lifelong resident. He went to work at the former Willys Overland Jeep plant during World War II, and went on to the United Auto Workers International Union staff in 1951. Of note, he never missed a union convention beginning in 1941.

More than a labor leader, Arnie was an accomplished accordion player and performed in various events throughout the United States and Canada, including each of those UAW conventions. His music was appreciated, but children knew him best as Uncle Arnie the clown. He willingly gave of his talents as both accordionist and clown to all sorts of charitable causes, putting a smile on the face of everyone he met. A family man and friend of the neighborhood at heart, it is the measure of the man that all who knew him were fond of him.

He was beloved by his family and thousands in our community. The festive mood set by his joyous music, tens of thousands of balloon animals lovingly given to children, endless gifts given to strangers and friends alike, demonstrated an extraordinarily kind heart that shone through his sparkling eyes and effervescent smile. His spirit lifted every occasion and he gave and gave and gave. Arnie Shenofsky helped define Toledo as a caring community. It was my privilege to know him and witness firsthand how his presence lent splendor to every event, large and small. Many times, he chose not to speak but to let you know what he was feeling through his music. How fortunate we have been that he shared his gifts of the heart with us for nine decades.

Through the decades of his life Arnold Shenofsky sought to always be a helper, a healer, a friend to young and old alike. He was the same person with both notables and neighbors, and was truly beloved by his family. His sisters, brothers, and children and their families have mourned their loss even as they celebrate a life well lived. They carry his flame in their hearts, always.

TRIBUTE TO JERRY BERRY

HON. MARION BERRY

OF ARKANSAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 15, 2007

Mr. BERRY. Madam Speaker, I rise here today to pay tribute to a dear friend, Jerry Berry of Success, Arkansas, a fine businessman, farmer, friend and devoted family member who spent his entire life serving his community and making others happy.

Jerry was born November 29, 1939, in Success, AR, and lived there his entire life. In 1969, he opened Success Grain Inc., and it has been a family owned business its entire time in operation. In addition to running the family business, Jerry served as mayor of Success, AR, for 12 years. Some of his biggest accomplishments during his time include building a new playground and fire department, installing a new sewer system and paving all of the roads in the city.

Jerry was a man of true character. He was the type of friend that would rush to help you regardless of the time of day or circumstance because he genuinely cared about people. Jerry never had a bad day—he was always upbeat and would put the needs of others before himself because he was truly devoted to helping people.

I ask my colleagues to join me in recognizing Jerry Berry and celebrating his lifetime of achievements. Jerry was a loyal friend to me and although I am saddened by this loss, I feel very fortunate for the time and friendship we shared together. He will be remembered by many as a devoted community leader, a genuine friend and a great American.

HONORING DR. MURIEL PETIONI

HON. CHARLES B. RANGEL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 15, 2007

Mr. RANGEL. Madam Speaker, I rise today to bring attention to the great accomplishments of one of this Nation's most accomplished community activists and physicians, Dr. Muriel Marjorie Petioni.

Dr. Petioni has been a role model for all women and is especially beloved in my Congressional District. Born on January 1, 1914, in Trinidad, young Petioni immigrated to the U.S. in 1919, settling with her family in New York City, where her father soon became a prominent Harlem physician and activists in the Caribbean nationalist movement. She followed her father and other relatives into the medical field, working locally at Harlem Hospital after she graduated from Howard University's School of Medicine in 1937.

Her community and its residents have never been far from Dr. Petioni's mind. After a short break during the 1940s to get married and start a family, she returned to the medical profession in 1950, setting up her practice in the same office that her father had decades earlier. She maintained that practice for over 40 years, working diligently to ensure that hard-working residents and their families received the proper attention they deserved. When Harlem Hospital stumbled on financial difficulties in the 1980s, she founded the Friends of Har-

lem Hospital Center to raise private funding for the institution.

Dr. Petioni has also been a tireless educator, working hard to open up the doors of college and medical school to all underrepresented groups, especially women and African Americans. In 1974, she founded the Susan Smith McKinney Steward Medical Society for Women, a professional association of black women physicians. Named after the first African American female doctor, the organization provides institutional support for students and its members. Dr. Petioni has also worked with the Coalition of 100 Black Women to develop mentorship programs to encourage and guide young black women into the medical field.

Dr. Petioni's efforts have also led to her involvement with local government officials to ensure equal access to healthcare. She served for 30 years as a school physician for Central Harlem for the New York City Department of Health and as supervising physician for East and Central Harlem from 1980–1984. Today, Petioni is on the board of a number of non-profit institutions and government agencies, including the Upper Manhattan Empowerment Zone, the Columbia School of Social Work, the Harlem Council of Elders, and the New York and Harlem branches of the American Cancer Society.

Numerous organizations and institutions have deservedly showered Dr. Petioni with awards and other honors. The venerable National Medical Association, which has named their annual Women in Medicine Luncheon after her. This May, New York's Barnard College is bestowing her with The Barnard Medal of Distinction, the school's highest award, for her "service to the Harlem community as a physician, community activist and philanthropist for over 70 years."

It is great to see such a good friend receive the accolades she so rightly deserves for the years of service that she has given to our community and Nation. Going strong at 93 years of age, she continues to be a trailblazer and an inspiration, a New Year's Day gift to us all that has touched the lives of countless children and families.

TAIWAN'S BID TO JOIN THE
WORLD HEALTH ORGANIZATION

HON. THOMAS G. TANCREDO

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 15, 2007

Mr. TANCREDO. Madam Speaker, I spoke recently in support of Taiwan's bid to join the World Health Organization.

Unfortunately, despite the fact that Taiwan has a world-class health care system and is willing and able to make meaningful contributions to the WHO's efforts, Chinese pressure to block Taiwan's efforts once again triumphed over fairness and common sense.

President Chen recently penned an editorial that was printed in the Washington Post that I would like to commend to my colleagues. In the piece, President Chen makes an eloquent and indisputable case for why Taiwan deserves membership in this and other international organizations.

I hope my colleagues will take the time to read the editorial, and to support Taiwan's future endeavors to contribute to international organizations like the WHO.
