200TH ANNIVERSARY OF THE
TOWN OF CICERO, NEW YORK

HON. JAMES T. WALSH

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, June 8, 2007

Mr. WALSH of New York. Madam Speaker, I rise today in recognition of the town of Cicero's 200th anniversary. Located on the southern shore of Oneida Lake, the town of Cicero serves as a northern suburb of metropolitan Syracuse. The town was named after the great Roman orator Marcus Tullius Cicero.

The town of Cicero was one of the townships of the former Central New York Military Tract. The CNY Military Tract was land reserved for soldiers who served in the American Revolution. Cicero became a part of the town of Lysander when Onondaga County was formed in 1794. The town of Cicero split from the town of Lysander in 1807. The town of Cicero also included the town of Clay until 1827 when the township was divided.

The town contains a rich history on involvement within Central New York. The town of Cicero was crucial to the building of the Erie Canal. The construction of the canal brought many settlers into the town, expanding its

growth. The town of Cicero was also extensively involved within the salt industry. The salt industry provided many people with jobs, either making barrels or in furnishing lumber. When the salt mines dried up, the town's residents turned to the agriculture and dairy industries.

Over its history, the town of Cicero has changed drastically. From a small farming community, Cicero has transformed into one of the fastest growing suburbs of the region.

It has been an honor for me to represent the town of Cicero and its citizens for close to 20 years. The town of Cicero has provided the Central New York region with a prime example of a successful township filled with great people. The residents of the town of Cicero should be proud of their rich heritage. I congratulate them as they celebrate their first 200 years, and wish them nothing but the best for next 200 more.

CELEBRATING THE LIFE OF ROLAND
KELLY OF SOUTH BEND,
INDIANA

HON. JOE DONNELLY

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Monday, June 11, 2007

Mr. DONNELLY. Madam Speaker, today I rise to honor the life of Roland Kelly, a 16-year member of the South Bend Common Council, World War II veteran, and beloved member of the community. Mr. Kelly lost his battle with a strep infection on May 26, 2007.

Born and raised in Port Chester, New York, Mr. Kelly enlisted in the United States Navy at age 17 to serve in WWII. He graduated from the University of Notre Dame in 1950 and remained in South Bend to work in broadcasting until 1972. At WSBT-TV, Mr. Kelly served as the news anchor and the news director. Though a natural in front of the camera, Mr. Kelly began a new career at the local bank where he served as the Vice President and Director of Marketing, and he would retire as the Director of Business Development. Throughout his life, he dedicated himself to bettering the community through volunteering and mentoring.

Mr. Kelly was a member of many boards and committees, but most notably he sat on the South Bend Common Council as Vice-President until his death. Described as the "peacemaker" by fellow council members, he sponsored an anti-gun ordinance in 1991 and was instrumental in including gay, lesbian, bisexual, and transgender people in anti-discrimination laws. Mr. Kelly was also influential in revamping a tax abatement ordinance which has fostered millions of dollars of new investment in our community. Committees he sat on included the Information and Technology committee and the Community and Economic Development committee, and he was chairperson of the Community Relations committee. For his dedication to the community, Mr. Kelly was inducted into the South Bend Community Hall of Fame in 2001.

Our community has lost a beloved family member, generous friend, devoted father, dotting grandfather, and Notre Dame's most enthusiastic fan. He was described as a "ham at heart" and was often seen performing in theatre and music groups. Off-stage, Mr. Kelly never missed an opportunity to share a witty story.

Mr. Kelly leaves behind three children, seven grandchildren, a great-grandson, and countless friends. His ever-present energy and humor will be dearly missed. It is with great pride that I celebrate the life and service of Roland Kelly.

HONORING THE MERCURY 13
WOMEN

SPEECH OF

HON. SHEILA JACKSON-LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 6, 2007

Ms. JACKSON-LEE of Texas. Mr. Speaker, I rise in support of H. Res. 421, to honor the trailblazing accomplishments of the "Mercury 13" women, whose efforts in the early 1960s

demonstrated the capabilities of American women to undertake the human exploration of space.

The 13 women who participated in this program demonstrated the willingness and capability that women all around the world, past and present, possess, and in many cases must possess to overcome an indictment of sexism and discrimination that our society often presents. Although their participation in these tests and trials yielded no concrete results, the 13 women trailblazers ought to be recognized for having endured and overcome such grueling physical, medical and psychological astronautical fitness examinations.

These 13 women—Jerrri Cobb, Wally Funk, Irene Leverton, Myrtle “K” Cagle, Jane B. Hart, Gene Nora Stumbough (Jessen), Jerrri Sloan (Truhill), Rhea Hurrle (Woltman), Sarah Gorelick (Ratley), Bernice “B” Trimble Steadman, Jan Dietrich, and the late Marlon Dietrich and Jean Hixson—all surpassed society’s expectations of rejections, by proving that although women are typically smaller and lighter than men, women are still fit to be good occupants in cramped space vehicles. These women attempted the dream that many others only dreamed of—flying the newest and the fastest craft.

Mr. Speaker, though few Americans know the names of the 13 women trailblazers, their valiant attempts to earn the opportunity to fly a spacecraft call for worldwide recognition. Because of the secrecy of the test programs, these women never received the recognition for their accomplishments, which laid that critical groundwork for women who have reached and those who are seeking to reach the skies. We can show our gratitude and appreciation for these women trailblazers by honoring them with the passing of this bill.

As a representative of the 18th Congressional District of Texas, home to an integral number of space exploration projects, centers, businesses, and constituents employed in the space industry, I strongly support legislation that seeks to inspire, motivate and recognize those individuals who assist with the improvement and advancement of space exploration.

Mr. Speaker, I urge all of my colleagues to join me in supporting H. Res. 421 to honor the trailblazing accomplishments of the 13 female pilots of Mercury 13.

RECOGNIZING THE TRAVIS REGIONAL ARMED FORCES COMMITTEE ON THE OCCASION OF THEIR 10-YEAR ANNIVERSARY

HON. ELLEN O. TAUSCHER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, June 11, 2007

Mrs. TAUSCHER. Madam Speaker, I rise to recognize the Travis Regional Armed Forces Committee (TRAFAC) as they celebrate their 10-year anniversary.

The TRAFAC is comprised of over 150 business and civic leaders who work together to support the men and women of Travis Air Force Base. The mission of the TRAFAC is to “maintain liaison with personnel at Travis Air Force Base, promote the mission of the base

to the community, and enhance the importance of the facility as an instrument of national security.”

The TRAFAC meets monthly on base to receive updates from the Commanders of the 60th AMW, 349 AMW Reserve, and 615 CRW and to recognize airmen from the various wings for going “above and beyond” in their service.

In addition, the TRAFAC hosts various events throughout the year to bring the communities surrounding the base and base personnel closer together. Events include the Military Recognition Night, NCO Night, and Commander’s Night. The TRAFAC also hosts a Contractor’s Breakfast to educate businesses about bidding for contracts on base.

Moreover, the TRAFAC was instrumental in working with the local community to ensure the Base Realignment and Closure Panel understood the vital role of Travis AFB in securing the Nation.

A great deal of the TRAFAC’s success is due in part to the leadership of the Fairfield-Suisun and Vacaville Chambers of Commerce and the Committee’s own leadership. Past Presidents include Don Erickson, 1997–1998, Bev Dorsett, 1998–1999, Al Lavezzo, 1999–2000, Len Augustine, 2000–2001, Gary Falati, 2001–2002, Dale Baumler, 2002–2003, Ben Huber, 2003–2004, Bud Ross, 2004–2005, Ray Schoch, 2005–2006, and Foy McNaughton, 2006–2007.

Over the years I have had the opportunity to work with the TRAFAC to support Travis AFB, both locally and in Washington, and have had the opportunity to support their nomination as the best base support organization in the Air Mobility Command.

As the TRAFAC celebrates their 10-year anniversary, I would like to thank current and past members of TRAFAC for their dedication to the men and women of Travis AFB and recognize them for their support of the base and its vital mission.
