

In 1994, Sam Carmen was selected as the MTEA Executive Director while continuing as the chief negotiator. As Executive Director, he was a leader in the successful establishment of the MPS/MTEA Teacher Mentor Program, the Joint Teacher Evaluation and Mentoring Program, the Milwaukee Teacher Education Center (MTEC), and the Milwaukee Partnership Academy. Most recently, Mr. Carmen was instrumental in the development and implementation of a collaborative strategic planning process with MPS and the Greater Milwaukee Committee entitled "Working Together, Achieving More."

Sam Carmen has been active in organizations including: Citizen Action of Wisconsin; the Urban Directors' Association, a national network of urban union executives; the UWM School of Education Dean's Community Advisory Committee; and the Holmes Partnership, a network of professional organizations working to improve teaching and learning for all children.

During Mr. Carmen's tenure, the MTEA established annual community outreach activities including: an art show and awards program for MPS students; a scholarship program for MPS graduates, particularly those pursuing teaching careers; and the Food for Our Future partnership with Hunger Task Force, a food drive and advocacy program.

Madam Speaker, for these reasons, I am honored to rise and pay tribute today to Sam Carmen's contributions to educational reform in the Fourth Congressional District.

ON THE PASSING OF THE HONOR- ABLE JUDGE RALPH M. BUR- NETT

HON. ROSCOE G. BARTLETT

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Monday, June 11, 2007

Mr. BARTLETT of Maryland. Madam Speaker, I rise today in honor and memory of a great constituent of the 6th District of Maryland—The Honorable Ralph M. Burnett, Jr. Ralph M. Burnett was a Maryland district court judge and pioneer in the fight against prostate cancer. Judge Burnett died from the disease on May 9, 2007 at the age of 64.

Judge Burnett was born in 1943 in Seneca Falls, N.Y., to the late Ralph M. Burnett, Sr., and Betty Burnett. He graduated from St. Paul's High School in 1961 and earned a BA from Dickinson College, in 1965. A Vietnam Veteran, Judge Burnett was sent to Korea and served as First Lieutenant in the U.S. Army until 1969. He then enrolled in the Baltimore School of Law and received a degree in 1972.

Judge Burnett began practicing law in Oakland, MD, and served as Garrett County's State Attorney from 1974–1978. In December of 1993, he was appointed an associate district court judge. He was also a member of the Executive Committee of the Maryland Judicial Conference, and served on the Editorial Board of Justice Matters until his passing.

Diagnosed with prostate cancer in 1996, Judge Burnett became a devoted advocate for the prostate cancer community. He served as chairman of the National Prostate Cancer Coalition, NPCC, from 1999–2001. Under his leadership, federal funding for prostate cancer research doubled and the NPCC tripled in size.

After stepping down as chairman, Judge Burnett stayed on as a board member and doggedly pursued more prostate cancer treatment options for patients. He was also an advocate for the Johns Hopkins University's Specialized Program of Research Excellence and served on several panels within the Department of Defense where he worked to leverage the DOD's investment in prostate cancer research and participated in discovering the lethal phenotype that causes the disease.

Judge Burnett is survived by his former wife, Lucy Burnett, a son, P. Chase Burnett and his wife Jaime, three grandchildren, Ian, Eli, and Sophie Burnett, a daughter, Catherine Burnett, and one sister, Clara Tordella.

Ralph M. Burnett's funeral was held on Saturday, May 12, at St. Paul's United Methodist Church in Oakland.

On behalf of the residents of the Sixth District, I am honored but humbled to offer this token of appreciation for the distinguished service of Ralph M. Burnett to others and his many accomplishments. I hope that this simple testament provides some comfort to ease the grief of his family, neighbors and friends over his loss.

IN HONOR OF JUDGE DAVID F. LEVI

HON. DORIS O. MATSUI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, June 11, 2007

Ms. MATSUI. Madam Speaker, I rise today in honor of Judge David Levi, one of our Nation's respected judges and a true friend. After 17 years of service on the Federal bench Judge Levi is retiring to become the next dean of Duke University's Law School. As his colleagues, friends and family gather to celebrate the next chapter of his life, I ask all of my colleagues to join me in saluting this outstanding public servant.

The son of Edward and Kate Levi, Judge Levi was born into a distinguished family that valued public service and the pursuit of knowledge to serve others. His father was the President of the University of Chicago and served as the United States Attorney General under President Gerald Ford, while his mother was equally committed to a variety of worthy pursuits. In 1972, Judge Levi graduated from Harvard, magna cum laude, with a degree in history and literature. Upon graduating from Stanford Law School in 1980, he clerked for Judge Ben Duniway of the Ninth Circuit Court of Appeals and followed that by clerking for Supreme Court Justice Lewis Powell.

After his tenure with Justice Powell ended, Judge Levi returned to California and began a renowned career with the U.S. Attorney's Office in Sacramento. From 1983 to 1986 he served as Assistant United States Attorney and worked in the office's criminal division. In 1986 Judge Levi was appointed by President Ronald Reagan as the United States Attorney for the Eastern District of California. As the U.S. Attorney, Judge Levi led one of the most successful public corruption prosecutions in the state's history.

In 1990 Judge Levi was nominated by President George H.W. Bush to become a U.S. District Judge of the Eastern District of California. Since 2003, he has served as the Chief Judge of the District. After over a decade and half on the federal bench he has earned a reputation as one who still approaches each case, large and small, with a commitment to tirelessly examine all of the facts and treat each case with the utmost of importance.

Judge Levi also is a national leader on legal reform. Recognizing his keen intellect, former Chief Justice William Rehnquist appointed him to the Advisory Committee on the Federal Rules of Civil Procedure in 1994, which Judge Levi chaired from 2000–2003. Four years ago, Justice Rehnquist named Judge Levi as Chairman of the Judicial Conference Committee on Rules of Practice and Procedure. In these roles he has revised and brought a much needed dose of reform to the rules of procedure in federal courts, making the courts more efficient, accurate and fair.

Madam Speaker, as Judge David Levi leaves the bench to become the dean of Duke University's prestigious law school, I am truly honored to pay tribute to a friend and dedicated public servant. I ask all of my colleagues to join with me in wishing David, his wife Nancy and their sons William and Joseph continued success and happiness in all of their future endeavors.

HONORING THE ALFRED E.
ZAMPELLA SCHOOL

HON. STEVEN R. ROTHMAN

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Monday, June 11, 2007

Mr. ROTHMAN. Madam Speaker, I rise today in recognition of the Alfred E. Zampella School, whose outstanding work has been rewarded with the Heart of Gold Award for the Second Kindest School in New Jersey for the third year in a row.

The Kindness is Contagious program began in New Jersey several years ago as a way to encourage students, teachers, parents, and the community to work together to perform "acts of kindness." At the beginning of the school year, students are taught about the values of compassion and generosity; they are then given journals to record their individual acts of kindness at home and at school while teachers, administrators, school personnel, and parents recognize and reinforce these acts. By the end of the school year, these important values are integrated into the daily education of students.

The students in the Alfred E. Zampella School—from the Pre-Kindergarten class to the Eighth Grade—have performed 53,926 acts of benevolence, empathy, thoughtfulness, and compassion in the past school year. It is clear by the sheer number of acts, that kindness is truly contagious in this school. These individual acts ranged from picking up a piece of trash in the cafeteria to a school-wide penny collection to raise money for leukemia research. The students not only learned how to improve their school community but also discovered the valuable life lesson of doing good works for other people—not for the recognition, but because it makes another person's life better.

Madam Speaker, I ask my colleagues to join with me today in commending Principal Sandra Frierson, the staff, and students of the Alfred E. Zampella School for the tens of thousands of acts of kindness they have performed. They are a great credit to our country and its steadfast spirit of generosity and goodwill.

TRIBUTE TO ALICE R. BARHAM

HON. KENDRICK B. MEEK

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Monday, June 11, 2007

Mr. MEEK of Florida. Madam Speaker, I rise today to pay tribute to the late Alice R. Barham, a warm and wonderful person who passed away on Tuesday, June 5, 2007.

Her family and friends will memorialize her at a "going home" celebration to be held on

Saturday, June 9, 2007 at Mt. Tabor Baptist Church in Miami, FL.

Mrs. Barham was a mother, grandmother, sister, and nurse. However, more than that, she was one of the most caring people I have ever met. Born on July 17, 1938 to John and Ruth Stephens, of Atlanta, Georgia and christened Alice Ruth.

Alice Barham was one of the most caring people I have ever met, and so it was natural for her to choose a profession in which she could help people in pain and in need of comfort, and in a very personal way. She began her career in nursing at Jackson Memorial Hospital in the Pediatric Nursing Unit in the Skaggs and Woodard building. Later in her career, she became a Public Health Nurse for the Miami Dade County Health Department and worked in Liberty Square and James E. Scott housing projects providing health services to the underserved residents in the community. Alice was also employed at Mt. Sinai Hospital before eventually going to the Miami Dade County Public Schools System as a Public Health Nurse and biology teacher and retiring.

Mrs. Barham had the ability to soothe people who were hurt, calm people who were worried and bring comfort to people who were afflicted. Children were naturally attracted to her, as was she to them. She had a remarkable gift, and she was generous in sharing it so freely with so many people in our community. I could not begin to estimate the number of people whose lives she touched and whose path she made a little easier.

Mrs. Alice Barham was also my dear friend, and a dear friend to my family, and she played a very instrumental role in the lives of my children. I am deeply saddened by her passing, but I am grateful for having had her in my life. My heart goes out to her family and I thank them for sharing this phenomenal woman with us. Indeed, the legacy she leaves behind will live on in the people she helped throughout her career and life.

HONORING THE WORK OF DEBRA
STEINBERG, RECIPIENT OF THE
NATIONAL ETHNIC COALITION OF
ORGANIZATIONS' 2007 ELLIS IS-
LAND MEDAL OF HONOR

HON. JERROLD NADLER

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, June 11, 2007

Mr. NADLER. Madam Speaker, I rise today to congratulate Debra Brown Steinberg for her reception of the 2007 Ellis Island Medal of Honor.

Through its Ellis Island Medals program, the National Ethnic Coalition of Organizations (NECO) honors United States Citizens whose life and work show dedication to community service and the preservation of ethnic heritage. Ms. Steinberg joins an elite group of medalists, who represent several industries and come from many different backgrounds.

Debra Steinberg is an accomplished attorney who has devoted time in her professional life to advancing civil rights. Most commendable is her pro bono representation of families of 9/11 victims. Determined to protect the rights of this group in need, Ms. Steinberg assisted in drafting The September 11th Family

Humanitarian Relief and Patriotism Act, H.R. 1071. I am proud to be an original co-sponsor of this bill. As a founding member of "Project 9/11," a consortium of lawyers formed in October 2001, Ms. Steinberg provided legal services for families of victims of the September 11th attacks, including those seeking citizen status. Collectively, these lawyers devoted many hours of their lives to this fight.

Once again, I offer my heart-felt congratulations to Ms. Steinberg at the time of this venerable distinction, the 2007 Ellis Island Medal of Honor. As representative of the 8th Congressional District of New York, I am honored to have such a distinguished citizen working in my district to improve the lives of all Americans and their families.

STEM CELL RESEARCH
ENHANCEMENT ACT OF 2007

SPEECH OF

HON. EDDIE BERNICE JOHNSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 7, 2007

Ms. EDDIE BERNICE JOHNSON of Texas. Mr. Speaker, I strongly support S. 5, the Stem Cell Research Enhancement Act of 2007. This bill directs the Secretary of Health and Human Services to support a comprehensive program of embryonic stem cell research.

In my 14 years with the Committee on Science and Technology, I have exhibited a firm and consistent commitment to scientific research. That includes stem cell research.

Nearly all of the scientific societies are strong supporters of this legislation, and many have contacted me urging support of S. 5. The bill supports the development of techniques to derive stem cells from non-embryo sources for the improved understanding of and treatments for diseases.

Mr. Speaker, this bill that will enable critically important, ethical stem cell research. The President vetoed such legislation in the past, and I hope that he will listen to the majority of Americans and support this measure.
