

EXTENSIONS OF REMARKS

IN MEMORY OF COLONEL AUSTIN
CAPP'S SR.

HON. MIKE ROSS

OF ARKANSAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 18, 2007

Mr. ROSS. Madam Speaker, I rise today to honor the memory of my dear friend Colonel Austin Capps Sr. of Gurdon, Arkansas, who passed away April 14, 2007.

Colonel Capps was a leader and an inspiration to many throughout his years of service to his community and to the state of Arkansas. His dedicated commitment to making his beloved town of Gurdon and his state a better place to live was evident in everything he did.

Colonel Capps was a lifelong resident of Clark County and graduate of Ouachita Baptist University. Upon graduation, he was commissioned as a 2nd Lieutenant in the U.S. Army where he served during World War II in North Africa, Italy, and France. After the war, he returned to Gurdon where he continued serving his country by enlisting with the U.S. Army Reserves.

Colonel Capps' diligence to duty and service to those around him carried over into his business, Austin's Appliance and Furniture, which he operated in Gurdon for over 70 years. Due to his decades of hard work and commitment to improving the lives of Gurdon residents, I often thought of him as "Mr. Gurdon."

Colonel Capps was a devoted, lifelong member of the First Presbyterian Church of Gurdon where he served as an elder, Sunday School teacher, and member of the choir. He was a man of strong faith that was evident in all he did. He also served as member of the Board of Trustees of Baptist Hospital in Arkadelphia and as a faithful Gideon.

I send my deepest condolences to his two sons Colonel James Capps, Jr. of Hot Springs, AR, and William Roy Capps, of Gurdon, AR, to his two sisters Louise Mann of Houston, TX, and Alyene Fowler of Ft. Scott, KS; and to his seven grandchildren and 19 great grandchildren who affectionately called him "Big Daddy."

Colonel Capps will be missed by his family, his church, his community, and all those who knew him and called him a friend. I will continue to keep his family in my thoughts and prayers.

**A TRIBUTE TO LA SALLE HIGH
SCHOOL**

HON. ADAM B. SCHIFF

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 18, 2007

Mr. SCHIFF. Madam Speaker, I rise today to pay special recognition to La Salle High School as it celebrates its 50th anniversary.

La Salle High School was created in 1956 at the request of the archbishop of Los Angeles, who wanted a Catholic boys high school to serve the northern and eastern sections of the San Gabriel Valley. The school was created to fulfill the mission of its founder, Saint John Baptist de La Salle, "to give a human and Christian education to the young, especially the poor, according to the ministry which the Church has entrusted to the Christian Brothers." La Salle High School opened its doors in September of 1956 to 117 ninth grade students from 14 nearby communities.

Throughout its 50-year service, the growing La Salle High School has been committed to an ethnically diverse student body. Minorities now account for 45 percent of the student body, providing students with a culturally rich learning environment, and in 1989 the decision was made to begin enrolling women. In 1991, the first coeducational classes were offered at La Salle High School to freshman, sophomore, and junior classes.

La Salle High School challenges its students with a rigorous balance of college preparatory courses, religious education, and extracurricular enrichment activities. The school's diverse and inclusive student body has continually upheld the school's strong commitment to academic excellence. Since 1960, over 5,000 students have graduated from La Salle High School, and nearly 100 percent of the graduating class have gone on to attend public and private institutions of higher education across the Nation. In 2004, La Salle received a full 6-year accreditation from both the Western Association of Schools and Colleges and the Western Catholic Education Association.

For 50 years La Salle High School has fulfilled its commitment of service and education under the strong guidance of its faculty. With a philosophy focused on the uniqueness of the individual as a person with religious, intellectual, emotional, social, and physical potential, the faculty at La Salle High School has long provided its students with a solid educational, social, and spiritual foundation.

I ask all Members to join me today in honoring La Salle High School upon the celebration of its 50th anniversary. The entire community joins me in thanking La Salle High School for the outstanding educational opportunities that it has provided for the youth of California's 29th Congressional District.
