

**MOMENT OF SILENCE IN MEMORY OF THE LATE HONORABLE JENNIFER DUNN**

(Mr. HASTINGS of Washington asked and was given permission to address the House for 1 minute.)

Mr. HASTINGS of Washington. Madam Speaker, it is with great sadness that I inform the House of Representatives of the untimely death of our dear friend and former colleague, Jennifer Dunn, this morning.

Words cannot express the shock and sorrow that I feel today.

I know that all of you join me in keeping her family, sons Reagan, Bryant and stepson Angus Thomson, and her loving husband, Keith Thomson, in our thoughts and prayers.

All of us who have served with Jennifer Dunn in the House have known the kindness, the wit and political savvy that she embodied. She was vibrant, enjoyed life, and she always had a kind word for everyone.

She was known, Madam Speaker, as a fierce advocate when it came to supporting Republican women for election, both locally in our State of Washington and nationally.

On a personal note, for 32 years she was my friend, fellow Ronald Reagan activist, my State party chairman and colleague in the House where she served the Eighth District of Washington from 1993 to 2005.

Always positive, dignified and poised in everything that she did. A loving wife and mother, as well as a political leader with great skill.

Today, Washington State and our Nation has lost a giant, a true leader and a stateswoman in every sense of the word. Madam Speaker, she will be dearly missed.

I yield to my friend, the senior Democrat from Washington (Mr. DICKS).

Mr. DICKS. I appreciate Congressman HASTINGS yielding to me, and I just want to echo his words. Our regrets go out to Jennifer Dunn's family, to her husband, Keith, and to her sons, Reagan, named after Ronald Reagan, by the way, and Bryant and Angus.

Jennifer Dunn was a great leader in our State. She was the first woman Republican chairman of the State Republican Party. She was elected to the Congress, was on the Ways and Means Committee. She always was willing to reach out across the aisle and work on projects. Congressman LARSEN reminded me of her efforts on the Wild Sky program which was enacted this year, something she worked on for many years. She was a leader on trade issues and tax reform issues. She will be missed.

I appreciated the fact she was always willing to cross the aisle and work with Democrats or whoever to get legislation enacted. She was a great advocate for tax issues. She will be missed by all of us. We pass on our condolences to her family.

Mr. HASTINGS of Washington. Madam Speaker, I know a number of Members want to express their views,

and we will afford them that opportunity.

Madam Speaker, I ask the House to join the delegation from Washington State in observing a moment of silence in honor of our former colleague.

**IN MEMORY OF THE LATE HONORABLE CHARLES VANIK**

(Ms. KAPTUR asked and was given permission to address the House for 1 minute.)

Ms. KAPTUR. Madam Speaker, I rise to inform the House that in addition to the loss of Ohio's beloved colleague PAUL GILLMOR today and former Congresswoman Jennifer Dunn, we have lost a beloved friend and indefatigable colleague when Ohio Congressman Charles Vanik passed away last week at the age of 94.

I know that Congressman REGULA and I, along with all of our delegation, feel this loss as deeply as we feel the others. I wanted to just mention to our colleagues that Congressman Vanik served from 1955 until 1981 and was affectionately known as Ohio's third Senator.

He is probably most remembered for his landmark legislation, the Jackson-Vanik amendment, that continues to connect U.S. trade policy to human rights. We in Ohio will always remember him as a true champion and leader on Medicare, Social Security and the plight of the poorest Americans.

I would like to yield to my colleague, my beloved friend, RALPH REGULA, now for some words.

Mr. REGULA. I thank the gentle lady for yielding, and I also would like to mention the loss of Charlie Vanik. I think for the people of Ohio, his greatest legacy is he joined John Seiberling and myself in creating the Cuyahoga Valley National Park, and it was his leadership that was vital in getting that legislation passed. Millions of Ohioans and others enjoy the great outdoors in this 33,000-acre park that serves our State so well, and that was a wonderful legacy that Charlie Vanik left as part of his service in this Congress.

Ms. KAPTUR. I thank the gentleman. We will never forget his good humor.

I would just ask for 10 seconds to say to my colleagues in terms of my neighbor, PAUL GILLMOR, with whom I served over 20 years in this body, we just happened to be flying over Ohio this past week to assess the flood damage in his district. My last memory of him is actually climbing out of the Apache helicopter we were both in. There were just the two of us with the Ohio National Guard, and he extended his hand to me to help me get out of the helicopter after a very long day in many communities, including Bucyrus and Findlay. I have many memories, but I shall never forget that. He was a gentleman of this House.

I thank my colleagues very much.

**MOMENT OF SILENCE IN MEMORY OF THE LATE HONORABLE PAUL GILLMOR**

(Mr. REGULA asked and was given permission to address the House for 1 minute.)

Mr. REGULA. Madam Speaker, I know that Leader BOEHNER has already informed the House of the untimely death of our colleague, PAUL GILLMOR, but I want to just add to that. I will be offering a resolution of bereavement after we have finished the suspensions for the day, which will be very shortly, for those who might want to comment.

It is a tremendous loss for Ohio. PAUL was a leader in the Ohio senate over a number of years, 22 years to be exact. He was a leader here on the Financial Services Committee. But most importantly, he was a person who cared about the people of Ohio. He made a tremendous effort to represent them well. It is evident by a number of awards that he received and so on. I won't take the time to go into that now, but all of you knew PAUL.

I think something that many were not aware of, he was chosen as the vice president of the International NATO Group, the parliamentary group that is made up of something like 22 nations, and they elected him as the number two person in their leadership responsibilities. It is a tribute to him and to Ohio and to this body that he was chosen for that assignment.

Madam Speaker, I would like if we would all rise and recognize his loss, too, in a moment of silence.

**ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE**
