

been all about, and we need to make sure that the members of this institution, of the United States House of Representatives, be the representative body that they were elected to be and do the right thing by our kids.

Mr. RYAN of Ohio. I totally agree and that's the point. Every argument that has been put in front of this piece of legislation is a phony argument that doesn't stand the scrutiny of any kind of debate.

Ms. WASSERMAN SCHULTZ. It's just because when the facts don't meet their views, they make them up.

Mr. RYAN of Wisconsin. It's socialized medicine and then people are going to private health care. You say that it's a Democratic ploy and we have all this Republican support. The President says he's for the program, but 840,000 kids would get knocked off of it. It just doesn't work.

So I'm glad we're here to clean it up and come do our job. So good seeing everybody.

Did I announce last night, I wanted to announce before we close that Kelly Pavlik from Youngstown won the middleweight title on Saturday and what a great kid he is.

Mr. MEEK of Florida. We're all happy for him.

Mr. RYAN of Wisconsin. So Youngstown, Ohio, is now the home of the WBO/WBC middleweight champion of the world.

Mr. MEEK of Florida. I'm pretty sure there's some tourism dollars in there somewhere.

Mrs. JONES of Ohio. I just want to say, on behalf of other Members of the House of Representatives, I am so proud of this 30 Something Working Group. I'm proud to have been able to participate in this time with Mr. MEEK, under his great leadership; and Mr. RYAN, under his great leadership; and Ms. WASSERMAN SCHULTZ, under her great leadership. You're continuing to fight on behalf of the people of America, and I'm thankful to be considered 30 something.

Mr. MEEK of Florida. I just want to say that you have increased our stock. To have a chair of a full committee with us two days in a row and to have a cardinal to join us at the last minute, even though a member of the 30 Something Working Group here on the floor with Mr. RYAN and myself, I mean, in the light of other Members, they really may feel we have moved up in the world to have these two gentle ladies here with us but yet powerful.

Mr. RYAN of Wisconsin. We just hang out in the glow.

Mr. MEEK of Florida. Mr. Speaker, with that we would like to thank the Speaker and the Democratic leadership for allowing us to have this hour. We would like for the Members, if they want to get a copy of the letter that Chairwoman TUBBS JONES read into the RECORD, they can go on www.speaker.gov and also all of the groups that support and the folks, the Republican Senators, of why SCHIP should be overridden or passed.
