Resolved, That the House of Representatives recognizes the 100th anniversary of Robstown, Texas, and commends all of the residents of Robstown and all other individuals who call Robstown home.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Missouri (Mr. CLAY) and the gentleman from California (Mr. ISSA) each will control 20 minutes.

The Chair recognizes the gentleman from Missouri.

GENERAL LEAVE

Mr. CLAY. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Missouri?

There was no objection.

Mr. CLAY. Mr. Speaker, as a member of the House Committee on Oversight and Government Reform, I'm pleased to join my colleagues in the consideration of H. Res. 785, which recognizes the 100th anniversary of Robstown, Texas.

H. Res. 785, which was introduced by Representative SOLOMON P. ORTIZ on October 30, 2007, was reported from the oversight committee on November 8, 2007, by a voice vote. This measure has been cosponsored by 53 Members.

Known as the "Biggest Little Town in Texas," Robstown is known for its international trade, oil and involvement in the agriculture and cotton industries.

Mr. Speaker, I commend my colleague for the recognition of the 100th anniversary of this historic town, and I urge the swift passage of this bill.

Mr. Speaker, I reserve the balance of my time.

Mr. ISSA. Mr. Speaker, I thank the gentleman from Missouri, and I join with him in urging the passage of this important commemorative piece of legislation recognizing, as the gentleman said, the "Biggest Little Town in Texas," on its 100th anniversary.

Certainly Robstown, Texas, located in north central Nueces County, which was established in 1906 by a real estate developer from Iowa, says a great deal about the development of Texas and of the Texas-Mexican railroad connection from the Port of Laredo to the Port of Corpus Christi and along State Highway 44. The sustainability of the small town both before, during and after the Industrial Revolution, throughout a period of development in Texas, took it from a State that was rural in every

sense to a State today that is both filled with high-tech and with world headquarters.

Mr. Speaker, I join with my colleagues in urging quick support and ratification of this bill.

Mr. Speaker, I reserve the balance of my time.

Mr. CLAY. Mr. Speaker, I yield as much time to my friend from Texas (Mr. ORTIZ) as he would like to consume.

Mr. ORTIZ. Mr. Speaker, let me thank Chairman CLAY and my good friend Mr. ISSA for bringing this bill to the floor, and I want today to congratulate and honor the "Biggest Little Town in Texas."

Robstown has been "Celebrating a Century" this year as the city turns 100 years old. This centennial celebration and resolution are especially important to me because Robstown, a city of about 14,000 people, is my hometown.

I was born and reared and raised there, attended the public schools there, and had my first job as a printer's devil with the local newspaper, the Robstown RECORD.

Cotton and vegetable farming played an important role in the history and economy of Robstown, named after prominent local leader Robert Driscoll.

Robstown is a town where citizens are deeply committed to public service. We've sent sons and daughters to shape the history of local, State and Federal offices. They have all served in our military. They've distinguished themselves in military services.

We've had county commissioners, sheriffs, district attorneys, district judges, Federal judges, State representatives, and this proud Member of the Congress, who came out from this little town of 14,000 people.

Robstown also has a great athletic tradition. Gene Upshaw, of the National Football League and a great football star, came from this little town of Robstown.

Humberto "Lefty" Barrera, bantam-weight boxer on the historic 1960 Olympic team who later earned an engineering degree at night school, also called Robstown "my hometown."

Kathryn Grandstaff, from Robstown, she married Bing Crosby, who we all know.

Our students also excel in the classroom, including the Robstown High School Cotton Pickers band, and they have achieved much in the fields of athletics and academics.

All year long we have recognized the "Century of Celebration," which included a formal celebration on June 1.

One of the greatest traditions is the annual Cottonfest held in October. This year was the biggest ever event that we've had. We have live music, arts and crafts, a sports competition, cookoffs, contests, carnivals and historical exhibits that provide something for everyone in the community.

We also have so much to look forward to as our town continues to grow. Robstown enters the 21st century at

the crossroads of international trade due to its proximity to railroads, interstate highways, seaports and airports. It is the hub in that area.

Robstown will serve as a hub by connecting major railway companies, the Texan-Mexican railway, Kansas City Southern and Union Pacific, with direct links to Corpus Christi, Brownsville, Houston, San Antonio and Laredo.

Robstown is also home to the new county fairgrounds and an entertainment venue.

My hometown is the future home of an inland port, which will be the first such port in the United States, and the future home of an Army storage facility.

And no trip to Robstown would be complete without a good filling yourself up with south Texas' best barbecue at Joe Cotten's. Cotten's is an iconic restaurant where many of you have joined me for lunch in south Texas style. It is where Presidential candidates, athletes, business people, cowboys, riders, astronauts, generals, admirals and other celebrities and thousands of others, they even fly on their helicopters to eat at Joe Cotten's.

Robstown is the best of our communities in south Texas, friendly, family-oriented and proud of their history.

It was in Robstown where my mother taught me my most important lesson: to always serve the community that gave you so many opportunities growing up. To whom much is given, much is expected.

Please join me in honoring Robstown on the city's 100th anniversary, and I join my friends Chairman CLAY and Mr. ISSA today for bringing this bill to the floor.

Mr. ISSA. Mr. Speaker, I yield back.

Mr. CLAY. Mr. Speaker, I urge all of my colleagues to join with the pride of Robstown, Texas (Mr. ORTIZ) and pass H. Res. 785.

Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Missouri (Mr. CLAY) that the House suspend the rules and agree to the resolution, H. Res. 785.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the resolution was agreed to.

A motion to reconsider was laid on the table.

TURRILL POST OFFICE BUILDING

Mr. CLAY. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 4009) to designate the facility of the United States Postal Service located at 567 West Nepessing Street in Lapeer, Michigan, as the "Turrill Post Office Building".

The Clerk read the title of the bill.

The text of the bill is as follows:

H.R. 4009

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Missouri (Mr. CLAY) and the gentleman from California (Mr. ISSA) each will control 20 minutes.

The Chair recognizes the gentleman from Missouri.

GENERAL LEAVE

Mr. CLAY. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Missouri?

There was no objection.

Mr. CLAY. Mr. Speaker, as a member of the House Committee on Oversight and Government Reform, I’m pleased to join my colleague from California in the consideration of H.R. 4009, which names a postal facility in Lapeer, Michigan, after the Turrill family.

H.R. 4009, which was introduced by Representative CANDICE MILLER on October 30, 2007, was reported from the oversight committee on November 11, 2007, by voice vote. This measure, which has been cosponsored by 14 Members, has the support of the entire Michigan congressional delegation.

The Turrill family dates back to the earliest settlers in the Lapeer area. They are a strong representation of what Lapeer is founded upon and are remembered as honest, hardworking farmers and leaders within the community. Dr. Miner Turrill arrived in Lapeer in 1832 and was the first postmaster of the county. When Lapeer was incorporated as a city in 1869, James Turrill was the first mayor. The City of Lapeer is historically touched by the efforts made by the Turrill family and their dedication as public servants.

Mr. Speaker, I urge swift passage of this bill.

Mr. Speaker, I reserve the balance of my time.

Mr. ISSA. Mr. Speaker, I, too, have reviewed the post office naming and find it to be one of the most thoughtful and merit-oriented namings that we have had in a long time.

And with that, I yield 10 minutes to the gentlelady from Michigan (Mrs. MILLER), the author of this bill.

□ 1400

Mrs. MILLER of Michigan. I appreciate the gentleman’s yielding.

Mr. Speaker, as a representative in this House for the great community of Lapeer, Michigan, I rise in very, very strong support of this resolution to honor one of the founding families of this great community. Lapeer, Michi-

gan, is truly an all-American city. Its population is just under 10,000 people, and it serves as the county seat for the County of Lapeer. The community is located at the base of Michigan’s Thumb, and its heritage is deeply based in the agricultural tradition of Michigan. In fact, it is home to mainly family farms. Families have tilled the fertile soil of this area since the community’s founding, and today these farms continue to serve as an important part of our breadbasket in Michigan. The community has always been home to the pioneering spirit and the can-do attitude that exemplifies America. And no family represents the spirit of this great community more than the Turrill family.

In 1832, 5 years before Michigan joined the Union as a State, Dr. Miner Turrill settled in Lapeer with his elderly parents, and the Turrills became the third known family, actually, to settle in that area. Dr. Turrill and his family quickly became respected leaders in the community, and upon the opening of the Lapeer United States Post Office in 1833, Dr. Turrill became the area’s first postmaster. For that alone it is fitting that the Lapeer Post Office be named in their honor. But the Turrills gave back so much more to this fine community.

During the Civil War, many members of the Turrill family served the cause of freedom on behalf of the Union. This included Captain J.H. Turrill, who made the ultimate sacrifice on behalf of the Union when he was killed in action at Antietam in 1862. In fact, the Lapeer Post of the Grand Army of the Republic was named in his honor and served as a gathering point for all of the veterans of that conflict from the area.

In 1869, Lapeer was incorporated as a city in Michigan, and the voters elected James Turrill to serve as the first mayor of this community. The Turrills continued throughout the years to provide leadership to this great community, and they have been honored in many ways. Today you can drive on Turrill Avenue in Lapeer. Or you might live in Turrill Estates. And your children might attend the Turrill Elementary School in the Lapeer community schools. The people of this community have always honored the dedication to community and the contributions made by the Turrill family.

Earlier this year, Mr. Speaker, I contacted the Lapeer County Historical Society, and I spoke to them about my desire to name the post office in Lapeer after a distinguished citizen from the community worthy of the honor. And I asked for their guidance and assistance on who was deserving of such an honor, and this was their response:

“The Lapeer County Historical Society recommends that the Lapeer Post Office be named the Turrill Post Office. The Turrill family dates back to the earliest settlement in the Lapeer area. They have always been remembered as honest, hardworking farmers and lead-

ers of the Lapeer community . . . A committee was appointed and met on July 6 to review a 2-page list of names. Turrill was the unanimous choice.”

Mr. Speaker, it is entirely appropriate that this House take this action today to honor one of the pioneering families in a great Michigan community, a family that worked hard to give back to the community, a family that took a leadership role in shaping the community, earned its respect, and has a highly valued place in the history of Lapeer, Michigan.

I want to thank the members of the Lapeer Historical Society for their assistance and their guidance in this effort. And I thank the leadership today for bringing this legislation to the floor, and I will thank the Members of this House for their expected support in honoring this great family. And I certainly thank the members of the Turrill family who did so much to make Lapeer the wonderful community that it has become.

Mr. ISSA. Mr. Speaker, I yield back the balance of my time.

Mr. CLAY. Mr. Speaker, I would like to urge my colleagues to adopt H.R. 4009, and I yield back the balance of my time.

The SPEAKER pro tempore (Mr. BLUMENAUER). The question is on the motion offered by the gentleman from Missouri (Mr. CLAY) that the House suspend the rules and pass the bill, H.R. 4009.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.

NATIONAL CARDIOPULMONARY RESUSCITATION AND AUTOMATED EXTERNAL DEFIBRILLATOR AWARENESS WEEK

Mr. DAVIS of Illinois. Mr. Speaker, I move to suspend the rules and agree to the concurrent resolution (H. Con. Res. 215) supporting the designation of a week as “National Cardiopulmonary Resuscitation and Automated External Defibrillator Awareness Week,” as amended.

The Clerk read the title of the concurrent resolution.

The text of the concurrent resolution is as follows:

H. CON. RES. 215

Whereas heart disease remains the leading cause of death in the United States;

Whereas heart disease affects men, women, and children of every age and race in the United States, regardless of where they live;

Whereas annually approximately 325,000 coronary heart disease deaths occur out of hospital or in an emergency room;

Whereas approximately 95 percent of sudden cardiac arrest victims die before arriving at the hospital;
