

In closing, Mr. Speaker, I commend both the University of Southern California's football team for its victory in the 2007 Rose Bowl; its coach, Pete Carroll; its athletic director, Mike Garrett; as well as the coaches, students, alumni, and staff who were instrumental in USC's Rose Bowl victory.

And I just need to add this: I want to also commend the University of Southern California and its president, Steven B. Sample, for taking in 130 students from New Orleans when their university had flooded. And they not only allowed them to come there and admitted them, but they gave them room and board at a time of great need.

So USC and its president have played a major role in the continuous success of the University of Southern California; the City of Los Angeles; and the people of the Golden State, California.

Mr. MCKEON. Mr. Speaker, I am happy that Ms. WATSON talked about all the other accomplishments of SC while I just talked about the football team. The football team was great, but it is nice to see that they are doing all of these other wonderful things, and I commend them for it. I urge our colleagues to support this resolution.

Mr. Speaker I yield back the balance of my time.

Mr. DAVIS of Illinois. Mr. Speaker, I agree with the ranking member. It does sound like Ms. WATSON is quite proud of the University of Southern California. As a matter of fact, I want to take this opportunity also to thank her and the University of Southern California for hosting one of our State of the African American Male conferences that I had the opportunity to attend with her.

It is indeed a great institution, not only in terms of its athletic prowess but also in terms of its scholarship and academic tradition. I urge support for this resolution.

Mrs. BONO. Mr. Speaker, I thank the gentleman for yielding me time. Mr. Speaker, I rise in support of H. Res. 126, as authored by my fellow Californian, Mrs. WATSON.

As an alumnus of the University of Southern California, I've had the pleasure of watching our football teams compete against some of the best teams in the country over the years. The recent record of success is undeniable, which is why I'm happy to offer my support of my alma matter and this Resolution.

This year's Rose Bowl included USC playing against a University of Michigan football team that was nationally ranked at number three in the country. The Wolverines, though laden with their own star-power, were simply unable to match the combined efforts of the Trojans on New Year's Day in January.

The players on offense for USC displayed one reason why the Trojans were ranked so highly at the end of the season, even while playing what was one of the most difficult schedules of any collegiate team in the country. Our offense was led by the tandem of John Booty and Dwayne Jarrett, who helped the Trojans to a second-half burst that was exciting for any USC supporter, young or old.

But they were not the only reason for an impressive 32-18 victory; the Trojans defense

held the University of Michigan offense to just 14 yards of total rushing, which is no simple feat given the running backs for the Wolverines.

The Trojans' win in January was part of a recent string of impressive marks, from winning a fifth consecutive Pac-10 Conference Championship to the team winning 56 of its last 60 games. Winning the 2007 Rose Bowl was an excellent way to end the team's season and should remain a motivating factor when this fall rolls around.

I'm hopeful all of our Members, and yes, even those who attended the University of Michigan, can offer their support of today's resolution that commends USC on its victory. And here's to hoping we can support a similar such Resolution next year.

Mr. DAVIS of Illinois. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Illinois (Mr. DAVIS) that the House suspend the rules and agree to the resolution, H. Res. 126.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the resolution was agreed to.

A motion to reconsider was laid on the table.

GENERAL LEAVE

Mr. DAVIS of Illinois. Mr. Speaker, I ask unanimous consent that each Member would have 5 legislative days in which to revise and extend their remarks.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Illinois?

There was no objection.

Mr. DAVIS of Illinois. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise to congratulate another college for their accomplishments. Mount Union College, located in Alliance, Ohio, is not only known as one of the top liberal arts colleges in the Midwest but also more recently for winning the NCAA Division III Football National Championship.

On December 16 of last year, the Mount Union College Purple Raiders captured their ninth NCAA Division III Football National Championship by defeating the University of Wisconsin-Whitewater Warhawks.

We know that such accomplishments are achieved through a group effort. I applaud the Purple Raiders coaching staff; the administration; student athletes; and, of course, the fans for a championship season.

I also want to extend my congratulations to the Wisconsin-Whitewater Warhawks for a well-played game and a successful season.

The Purple Raiders, whose purple parrot mascot is well known in northeastern Ohio, have achieved some notable athletic accomplishments, including nine national championships in the past 14 years, along with two of the longest winning streaks in college football.

Mr. Speaker, once again I commend and congratulate Mount Union College

for their dedication and success, not only for their athletic prowess but also for their academic achievement and academic reputation.

I urge support for this resolution.

Mr. Speaker, I reserve the balance of my time.

Mr. McKEON. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise today in support of House Resolution 103. This resolution congratulates the Mount Union College Purple Raiders for winning the 2006 NCAA Division III Football National Championship.

The Purple Raiders captured the title by defeating the University of Wisconsin-Whitewater Warhawks 35-16 in the Amos Alonzo Stagg Bowl on December 16 in front of 6,051 faithful fans.

Since 1990, and under the tutelage of Head Coach Larry Kehres, the Raiders have made 16 playoff appearances while posting college football's most wins and best winning percentage. Coach Kehres completed his 21st year at the helm of the Purple Raiders football fortunes in 2006 and has built one of the most successful programs in all of college football. His teams have won 17 Ohio Athletic Conference Championships while posting 15 undefeated regular seasons and have won nine Division III National Championships in the last 14 years. Along the way, Coach Kehres has compiled a phenomenal 246-20-3 record and the best career winning percentage for a head coach, at any division level, in the history of college football. For his efforts, Kehres has been named the AFCA Division III National Coach of the Year eight times.

I extend my congratulations to Head Coach Larry Kehres, all of the hard-working players, the fans, and to Mount Union College. I am happy to join my good friend and colleague Representative REGULA in honoring this exceptional team and all of its accomplishments and wish all involved continued success.

I ask my colleagues to support this resolution.

Mr. Speaker, I am happy to yield at this time such time as he may consume to the gentleman from Ohio (Mr. REGULA).

Mr. REGULA. Mr. Speaker, I thank my colleague from California for yielding.

Mr. Speaker, I rise in support of H. Res. 103, congratulating the Mount Union College Purple Raiders on their 2006 Division III Football National Championship.

As you know, Ohio is quite a football State; and while most people think of teams like Ohio State when they think of Ohio football, the team with the most amazing winning record is actually Mount Union College and its Purple Raiders. In December they beat the Wisconsin-Whitewater Warhawks in the Amos Alonzo Stagg Bowl.

The Purple Raiders from Mount Union College in Alliance have been a perpetually dominant team under the reign of Head Coach Larry Kehres and

staff, winning an astounding nine NCAA Division III Football Championships. The players who have come and gone through the Mount Union football program should also be honored for their superior work ethic on the football field and in the classroom. As an alumnus of Mount Union College, I take special pride that the students that remain in the football program all 4 years have an incredible 98 percent graduation rate. That is astounding, I think, everything considered in what we hear and so on. Such phenomenal scholastic and athletic achievement should not go unnoticed. These graduation rates are impressive for any higher education institution and are especially remarkable for college athletes.

The most recent NCAA victory comes as no surprise to those who have followed the Purple Raiders over the past two decades. They have had the two longest winning streaks in all of college football, with 54 consecutive victories from 1996 to 1999 and 55 victories from 2000 to 2003. The Purple Raiders also currently hold the second longest winning streak in all of college football, with 23 consecutive victories. With winning streaks like these, it is no shock that Larry Kehres has the best career winning percentage in any division level of college football ever, with a remarkable record of 246 wins, 20 losses, and 3 ties. That is a remarkable record.

Along with such incredible regular season records, the Purple Raiders have also won nine NCAA Division III championships, 17 Ohio Athletic Conference titles to go along with 15 perfect seasons. These statistics have all been achieved under the excellent coaching of Larry Kehres. His record has earned him the American Football Coaches Association Division III Coach of the Year a record eight times. Coach Kehres can certainly take great pride in the dexterity and proficiency he has instilled in the young athletes that have walked the halls of Mount Union College.

This year's players have yet again risen to the occasion and proved to be the best of Division III. The Purple Raiders finished first nationally in Division III football in total offense and second in total defense, which can only give a slight indication as to the work ethic of this team. The national title they achieved in 2006 was well earned by these athletes, coaches, and staff.

I would like to congratulate Mount Union College President Richard Giese; Coach Larry Kehres; his coaches; the faculty and staff; as well as the terrific and enthusiastic fans, and we have them, but especially all of the players for yet another undefeated year and national championship.

Mr. Speaker, 2006 was a great season, and I am sure it will not be the last for these Purple Raiders. As the great coach Vince Lombardi once said, "Being a champion means you are will-

ing to go longer, work harder, and give more than anyone else." The current Purple Raiders team and those of prior seasons, along with Coach Kehres, have proven the wisdom of this statement time and time again.

Mr. DAVIS of Illinois. Mr. Speaker, I reserve the balance of my time.

Mr. McKEON. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I am happy to be here to sing the praises of the Purple Raiders. When I heard Mr. REGULA talk about all of their accomplishments and then the 98 percent graduation rate, that really is impressive. I would like to meet Coach Kehres one day.

Mr. Speaker, I urge passage of this resolution.

Mr. Speaker, I yield back the balance of my time.

Mr. DAVIS of Illinois. Mr. Speaker, I want to congratulate Mr. REGULA for having such an outstanding institution in his district to represent. When you consider all of the football games that they have won, as well as the graduation rate and the kind of academics that they display, he has to indeed be proud. I am proud for him.

Mr. Speaker, I urge passage of this resolution.

Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Illinois (Mr. DAVIS) that the House suspend the rules and agree to the resolution, H. Res. 103.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the resolution was agreed to.

A motion to reconsider was laid on the table.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Illinois?
