

SUPPORT COLLEGE LOAN INTEREST RATE CUTS AND MAKING COLLEGE MORE AFFORDABLE

(Mr. PAYNE asked and was given permission to address the House for 1 minute.)

Mr. PAYNE. Mr. Speaker, as a former teacher and as a member of the Education and Labor Committee, I am concerned by the fact that as the need for post-high school education increases in our country, so has the high price of attending college. Tuition fees at public universities have increased 41 percent after inflation since the year 2000.

A recent report highlighted my home State of New Jersey as having the highest college costs in the Nation for 4-year public institutions. Including tuition and room and board, it costs an average of \$17,515 to attend a public 4-year university or college in New Jersey, about \$5,600 over the national average. Because of these skyrocketing costs, many students and their families must take out student loans.

Unfortunately, thanks to the policies of the Bush administration in the past and of a Republican-controlled Congress, interest rates have increased as funding to college programs have been cut. Now this Congress has a chance to pursue a positive course by broadening college opportunities for all American students.

A Democratic bill coming before the House today, as part of the 100-hour agenda, will cut interest rates for the student loans, and, so, therefore, I ask, Mr. Speaker, that as our economy becomes more important day by day, it is important that we have a workforce that will be able to appreciate lower costs. This legislation will give more college-bound teens the ability to afford college, and that is why it should receive strong bipartisan support.

THE BRING THE TROOPS HOME AND IRAQ SOVEREIGNTY RESTORATION ACT

(Ms. LEE asked and was given permission to address the House for 1 minute.)

Ms. LEE. Mr. Speaker, the President said that critics of escalation have a responsibility, quite frankly, to offer an alternative. Today, Congresswoman LYNN WOOLSEY, Congresswoman MAXINE WATERS and myself will do just that. The Bring the Troops Home and Iraq Sovereignty Restoration Act is a rational alternative to escalation. It will repeal the authorization to use force, fully fund a 6-month withdrawal of U.S. forces from Iraq, provide economic aid to the Iraqi Government and fully fund the VA health care system for all veterans.

It will also prohibit permanent military bases in Iraq and U.S. control over Iraq's oil resources, and it will create a joint bipartisan committee to investigate how our Nation came to be misled into this unnecessary war and ensure that it never happens again.

It is time to bring this war and occupation to an end. It is time for military measures to be replaced by diplomacy. It is time to take the targets off our troops' backs and bring them home now. I am proud to say that today we will be introducing legislation to do just that.

I want to thank Congresswoman LYNN WOOLSEY, Congresswoman MAXINE WALTERS of the Progressive Caucus and the Out of Iraq Caucus for their leadership.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

(2) recognizes all the players, coaches, and support staff who were instrumental in this achievement.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Virginia (Mr. SCOTT) and the gentleman from Michigan (Mr. HOEKSTRA) each will control 20 minutes.

The Chair recognizes the gentleman from Virginia.

GENERAL LEAVE

Mr. SCOTT of Virginia. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days during which Members may insert material relevant to H. Res. 62.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Virginia?

There was no objection.

Mr. SCOTT of Virginia. Mr. Speaker, I want to thank the gentleman from Michigan (Mr. HOEKSTRA) for introducing this resolution that salutes Grand Valley State for their recent victory over the Northwest Missouri State Bearcats in the NCAA Division II national football championship in December.

Grand Valley State was led by quarterback Cullen Finnerty, who completed 15 of 33 passes for 225 yards and rushed for 115 yards on 22 carries for 340 yards of total offense, becoming the first quarterback in the history of the NCAA Division II national football

championship to pass for more than 200 yards and rush for more than 100 yards.

The game also saw tremendous plays by Bill Brechin, who made two first quarter interceptions.

I would also point out that Northwest Missouri State University also played an excellent game, and I congratulate them for their effort.

The Lakers are no strangers to this championship, having won in 2002, 2003 and 2005. It is also the second year that the Lakers have defeated the Bearcats in a championship game.

Much is due to the coaching of Chuck Martin, who was named Division II Coach of the Year for the second year. Clearly, the Lakers deserve to be recognized by the House for their outstanding accomplishments on the football field, and I urge my colleagues to support this resolution.

Mr. Speaker, I reserve the balance of my time.

Mr. HOEKSTRA. Mr. Speaker, I yield myself such time as I may consume.

I would like to thank my colleague from Virginia for bringing forward this resolution today. I think it is a wonderful opportunity to educate the colleague from Virginia on the talents that we have in the State of Michigan, especially in western Michigan. I am excited to see how well versed he has become about the Grand Valley State University football team. As he indicated, we rise today to congratulate the student athletes on the Grand Valley State University Lakers 2006 football team.

On December 16, 2006, the Lakers football team won the NCAA Division II football national championship by defeating the Northwest Missouri State University Bearcats 17–14. The Grand Valley State University football program has now won championships in 2002, 2003, 2005 and 2006.

The victory capped another story-book season for Coach Chuck Martin. He has coached his team to a 23–3

record, including a 10–1 post-season record after assuming coaching responsibility after a successful stint as the Lakers' defensive coordinator.

The Grand Valley State University seniors finished their 4-year run with the Lakers with a 52–4 record, making them the all-time winningest senior class in all of NCAA history.

□ 1045

Grand Valley student athletes have displayed great strength, ability and resolve during the 2006 season. They have made the great State of Michigan proud once again.

Mr. Speaker, I encourage all Members to support the passage of H. Res. 62.

Mr. Speaker, I include for the RECORD the full roster of this national championship team and their coaching staff.

Mr. EHLERS. Mr. Speaker, I rise today in support of H. Res. 62, a resolution congratulating the Grand Valley State University Lakers for winning the 2006 NCAA Division II Football National Championship.

Head Coach Chuck Martin and his team have helped to bring national reknown to GVSU's campuses in Allendale, Grand Rapids and throughout West Michigan with their excellence on the field. Over the past five years, the Lakers have won four National Championships in their division, a feat that has been duplicated at no other level of college football in the same time span.

The senior class of this team compiled a four-year record of 52–4, making them the winningest senior class of football players in NCAA history. Led by quarterback Cullin Finnerty, Eric Fowler and Mike McFadden—each of them named first-team Little All-America players by the Associated Press—the Lakers dominated their competition to an undefeated 15–0 season, culminating in a 17–14 championship victory over the Northwest Missouri State University Bearcats on December 16, 2006, in Florence, Alabama.

The game was witnessed by 7,000 fans in the stadium and by a worldwide audience including our soldiers in Iraq and elsewhere, who watched the game on the Armed Forces

TV Network. One GVSU official, my former press secretary, Chris Barbee, reported hearing from two soldiers in Iraq congratulating the team on its victory.

The Laker football team is emblematic of Grand Valley State University as a whole—a thriving, bustling university in West Michigan with more than 23,000 students and nearly 2,000 faculty and staff. The university, led by its new president Thomas J. Haas, is striving for excellence at all levels academic and athletic alike.

Congratulations again to Grand Valley State University, Coach Martin and his staff, and all the players, support staff and fans who made this championship a reality.

Mr. GRAVES. Mr. Speaker, today we will be considering H. Res. 62, a resolution congratulating the Grand Valley State University Lakers for winning the 2006 NCAA Division II Football National Championship. And although I will be supporting this resolution out of respect for my friend and colleague, Congressman PETER HOEKSTRA, I would like to take a moment to recognize the Northwest Missouri State University Bearcats.

This is the second consecutive year Northwest Missouri State University has made a run for the championship. Unfortunately, the football Gods were not kind to them at the championship game this year. However, the Northwest Missouri State University Bearcats are an exceptional football team with great team spirit.

Mr. Speaker, I proudly ask you to join me in recognizing the Northwest Missouri State University Bearcats football team for an outstanding 2006 season, and I look forward to cheering them on to the NCAA Division II Football Championship again next year.

Mr. HOEKSTRA. Mr. Speaker, I yield back the balance of my time.

Mr. SCOTT of Virginia. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by

the gentleman from Virginia (Mr. SCOTT) that the House suspend the rules and agree to the resolution, H. Res. 62.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds of those voting have responded in the affirmative.

Mr. SCOTT of Virginia. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX and the Chair's prior announcement, further proceedings on this question will be postponed.

TEMPORARY EXTENSION OF AUTHORIZATION OF PROGRAMS UNDER SMALL BUSINESS ACT AND SMALL BUSINESS INVESTMENT ACT OF 1958

Ms. VELÁZQUEZ. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 434) to provide for an additional temporary extension of programs under the Small Business Act and the Small Business Investment Act of 1958 through December 31, 2007, and for other purposes.

The Clerk read as follows:

H.R. 434

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. ADDITIONAL TEMPORARY EXTENSION OF AUTHORIZATION OF PROGRAMS UNDER THE SMALL BUSINESS ACT AND THE SMALL BUSINESS INVESTMENT ACT OF 1958.

The authorization for any program, authority, or provision, including any pilot program, that was extended through February 2, 2007, by section 1 of Public Law 109-
