MILITARY CONSTRUCTION AND VETERANS AFFAIRS APPROPRIATIONS ACT, 2008

The SPEAKER pro tempore. Pursuant to the order of the House of today and rule XVIII, the Chair declares the House in the Committee of the Whole House on the state of the Union for the consideration of the bill, H.R. 2642.

□ 1155

IN THE COMMITTEE OF THE WHOLE

Accordingly, the House resolved itself into the Committee of the Whole House on the state of the Union for the consideration of the bill (H.R. 2642) making appropriations for military

construction, the Department of Veterans Affairs, and related agencies for the fiscal year ending September 30, 2008, and for other purposes, with Mr. LYNCH in the chair.

The Clerk read the title of the bill.

The CHAIRMAN. Pursuant to the order of the House of today, the bill is considered read the first time.

The gentleman from Texas (Mr. EDWARDS) and the gentleman from Mississippi (Mr. WICKER) each will control 30 minutes.

The Chair recognizes the gentleman from Texas.

Mr. EDWARDS. Mr. Chairman, I yield myself such time as I may consume.

Mr. Chairman, we now have before us the fiscal year 2008 Military Construction and Veterans Affairs Appropriations bill which will ensure the largest increase in VA health care spending in the 77-year history of the Veterans Affairs. There is \$6 billion over the 2007 level of funding, and \$3.8 billion over the President's request for 2008.

Mr. Chairman, this bill sends a clear message to America's servicemen and -women, their families and our veterans that a grateful Nation deeply respects their service and sacrifice.

The national commander of the Disabled American Veterans, Bradley Barton, went to the heart of what this bill is all about when he described it as "keeping faith with America's veterans."

The bill means our servicemen and -women will have more effective training facilities which will save lives and help them carry out their military missions. It means our military families, who sacrifice so much for our Nation, will have better housing, health care and day-care facilities.

This bill means we will honor our veterans in a meaningful way by providing them the health care and benefits we promised them when they put on our Nation's uniform.

It means we will have more qualified doctors and nurses to improve medical services to our veterans and to reduce waiting times for doctors' appointments. For veterans with traumatic brain injury, PTSD, mental health care issues and lost limbs, it means renewed hope to rebuild their lives.

For homeless veterans, it means the dignity of not having to live on the streets, and it means hope for the future. For veterans in rural areas and those who serve in the Guard and Reserves, this bill means needed care will be closer to home. For the 400,000 veterans, including combat wounded vets, who are having to wait far too long to have their benefits cases reviewed, it means over 11,000 new VA case workers to reduce the unacceptable delays in receiving earned benefits.

Mr. Chairman, before I mention some of the details of this bill, I want to express some much-deserved thanks. I want to begin with Chairman DAVE OBEY, the gentleman from Wisconsin, for his unwavering commitment and
