EXPRESSING SUPPORT OF THE HOUSE FOR THOSE AFFECTED BY THE BRIDGE COLLAPSE IN MINNEAPOLIS, MINNESOTA

(Mrs. BACHMANN asked and was given permission to address the House for 1 minute.)

Mrs. BACHMANN. Mr. Speaker, at 7:10 this evening, 6:10 Central Standard Time, a tragedy occurred with the collapse of one of the most highly traveled bridges in Minneapolis, Minnesota.

While Minnesotans were making their way home from work and on to the Minnesota Twins game, the I-35W bridge suddenly came down. Even now, as we stand here this evening, search and rescue teams are searching the waters of the Mississippi River for survivors.

The Minnesota delegation remains committed to ensuring that Minnesota receives the resources necessary for recovery. I want to thank the House leadership, in particular Speaker PELOSI and Leader BOEHNER, for responding so quickly and agreeing to lend their support.

I would ask that all Americans would join with the Minnesota delegation in praying for those that are impacted by this disaster.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

tleman from Texas (Mr. POE) is recognized for 5 minutes.

(Mr. POE addressed the House. His remarks will appear hereafter in the Extensions of Remarks.)

## BRING OUR TROOPS HOME

The SPEAKER pro tempore. Under a previous order of the House, the gentlewoman from California (Ms. WOOLSEY) is recognized for 5 minutes.

Ms. WOOLSEY. Mr. Speaker, the sound of gunshots could be heard throughout Iraq last week. Unlike most days, however, it was not the sound of civil war. Instead, it was the sounds of celebration as Iraq won a pivotal soccer match over their Saudi rivals. The return to violence that is the new Iraqi way of life did not take long, however.

Most Iraqi families are living in unimaginable circumstances. Nearly one-third of the children are malnourished, and some 15 percent of Iraqis regularly cannot afford to eat. That's according to a recent Oxfam report.

The high for Baghdad today was forecast at 121 degrees. Electricity is available for about 2 hours a day. Children are out of school, and regular employment is becoming harder and harder to come by. In these conditions, it is hard to sustain hope. For a country so rich in resources, it is disturbing to hear the stories of families trapped in slums begging for clean drinking water. Mothers scourge to find books and paper for school lessons. It is no wonder. Over 4 million Iraqis have been displaced from their homes and have sought refuge in neighboring provinces or nations.

The United Nations estimates that 50,000 Iraqis leave their homes and become refugees every single month. That is the equivalent of one Biloxi or one Idaho Falls every month. It hits home even more when we think of a population the size of San Rafael or Petaluma, both in my congressional district. This is each month, Mr. Speaker; and the situation isn't getting any better.

We have spent half a trillion dollars on this occupation. Where has it gotten us? If only a fraction of the money we were spending on tanks and bombs was redirected to reconstruction and reconciliation, what a different country Iraq could be.

In my district in Marin and Sonoma counties alone, the taxpayers have shelled out \$1.5 billion for this Iraqi occupation. If we really wanted to make America safer, this same amount, just the money from my district alone, could have paid for nearly 29,000 public safety officers or 20,000 port container inspectors. That's the real way to defend our homeland.

We don't need to wait until September to see if the administration's efforts in Iraq are working. They haven't worked from the beginning. We were not met as liberators. We are not making America safer. Our continuing
