“(a) **IN GENERAL.**—The requirements of this section are met with respect to an association health plan if—

“(1) the benefits under the plan consist solely of health insurance coverage; or

“(2) if the plan provides any additional benefit options which do not consist of health insurance coverage, the plan—

“(A) establishes and maintains reserves with respect to such additional benefit options, in amounts recommended by the qualified actuary, consisting of—

“(i) a reserve sufficient for unearned contributions;

“(ii) a reserve sufficient for benefit liabilities which have been incurred, which have not been satisfied, and for which risk of loss has not yet been transferred, and for expected administrative costs with respect to such benefit liabilities;

“(iii) a reserve sufficient for any other obligations of the plan; and

“(iv) a reserve sufficient for a margin of error and other fluctuations, taking into account the specific circumstances of the plan; and

“(B) establishes and maintains aggregate and specific excess/stop loss insurance and solvency indemnification, with respect to such additional benefit options for which risk of loss has not yet been transferred, as follows:

“(i) The plan shall secure aggregate excess/stop loss insurance for the plan with an attachment point which is not greater than 125 percent of expected gross annual claims. The applicable authority may by regulation provide for upward adjustments in the amount of such percentage in specified circumstances in which the plan specifically provides for and maintains reserves in excess of the amounts required under subparagraph (A).

“(ii) The plan shall secure specific excess/stop loss insurance for the plan with an attachment point which is at least equal to an amount recommended by the plan’s qualified

actuary. The applicable authority may by regulation provide for adjustments in the amount of such insurance in specified circumstances in which the plan specifically provides for and maintains reserves in excess of the amounts required under subparagraph (A).

“(iii) The plan shall secure indemnification insurance for any claims which the plan is unable to satisfy by reason of a plan termination.

Any person issuing to a plan insurance described in clause (i), (ii), or (iii) of subparagraph (B) shall notify the Secretary of any failure of premium payment meriting cancellation of the policy prior to undertaking such a cancellation. Any regulations prescribed by the applicable authority pursuant to clause (i) or (ii) of subparagraph (B) may allow for such adjustments in the required levels of excess/stop loss insurance as the qualified actuary may recommend, taking into account the specific circumstances of the plan.

“(b) MINIMUM SURPLUS IN ADDITION TO CLAIMS RESERVES.—In the case of any association health plan described in subsection (a)(2), the requirements of this subsection are met if the plan establishes and maintains surplus in an amount at least equal to—

“(1) \$500,000, or

“(2) such greater amount (but not greater than \$2,000,000) as may be set forth in regulations prescribed by the applicable authority, considering the level of aggregate and specific excess/stop loss insurance provided with respect to such plan and other factors related to solvency risk, such as the plan’s projected levels of participation or claims, the nature of the plan’s liabilities, and the types of assets available to assure that such liabilities are met.

“(c) ADDITIONAL REQUIREMENTS.—In the case of any association health plan described in subsection (a)(2), the applicable authority may provide such additional requirements relating to reserves, excess/stop loss insurance, and indemnification insurance as the applicable authority considers appropriate. Such requirements may be provided by regulation with respect to any such plan or any class of such plans.

“(d) ADJUSTMENTS FOR EXCESS/STOP LOSS INSURANCE.—The applicable authority may provide for adjustments to the levels of reserves otherwise required under subsections (a) and (b) with respect to any plan or class of plans to take into account excess/stop loss insurance provided with respect to such plan or plans.

“(e) ALTERNATIVE MEANS OF COMPLIANCE.—The applicable authority may permit an association health plan described in subsection (a)(2) to substitute, for all or part of the requirements of this section (except subsection (a)(2)(B)(iii)), such security, guarantee, hold-harmless arrangement, or other financial arrangement as the applicable authority determines to be adequate to enable the plan to fully meet all its financial obligations on a timely basis and is otherwise no less protective of the interests of participants and beneficiaries than the requirements for which it is substituted. The applicable authority may take into account, for purposes of this subsection, evidence provided by the plan or sponsor which demonstrates an assumption of liability with respect to the plan. Such evidence may be in the form of a contract of indemnification, lien, bonding, insurance, letter of credit, recourse under applicable terms of the plan in the form of assessments of participating employers, security, or other financial arrangement.

“(f) MEASURES TO ENSURE CONTINUED PAYMENT OF BENEFITS BY CERTAIN PLANS IN DISTRESS.—

“(1) PAYMENTS BY CERTAIN PLANS TO ASSOCIATION HEALTH PLAN FUND.—

“(A) IN GENERAL.—In the case of an association health plan described in subsection (a)(2), the requirements of this subsection are met if the plan makes payments into the Association Health Plan Fund under this subparagraph when they are due. Such payments shall consist of annual payments in the amount of \$5,000, and, in addition to such annual payments, such supplemental payments as the Secretary may determine to be necessary under paragraph (2). Payments under this paragraph are payable to the Fund at the time determined by the Secretary. Initial payments are due in advance of certification under this part. Payments shall continue to accrue until a plan’s assets are distributed pursuant to a termination procedure.

“(B) PENALTIES FOR FAILURE TO MAKE PAYMENTS.—If any payment is not made by a plan when it is due, a late payment charge of not more than 100 percent of the payment which was not timely paid shall be payable by the plan to the Fund.

“(C) CONTINUED DUTY OF THE SECRETARY.—The Secretary shall not cease to carry out the provisions of paragraph (2) on account of the failure of a plan to pay any payment when due.

“(2) PAYMENTS BY SECRETARY TO CONTINUE EXCESS/STOP LOSS INSURANCE COVERAGE AND INDEMNIFICATION INSURANCE COVERAGE FOR CERTAIN PLANS.—In any case in which the applicable authority determines that there is, or that there is reason to believe that there will be: (A) a failure to take necessary corrective actions under section 809(a) with respect to an association health plan described in subsection (a)(2); or (B) a termination of such a plan under section 809(b) or 810(b)(8) (and, if the applicable authority is not the Secretary, certifies such determination to the Secretary), the Secretary shall determine the amounts necessary to make payments to an insurer (designated by the Secretary) to maintain in force excess/stop loss insurance coverage or indemnification insurance coverage for such plan, if the Secretary determines that there is a reasonable expectation that, without such payments, claims would not be satisfied by reason of termination of such coverage. The Secretary shall, to the extent provided in advance in appropriation Acts, pay such amounts so determined to the insurer designated by the Secretary.

“(3) ASSOCIATION HEALTH PLAN FUND.—

“(A) IN GENERAL.—There is established on the books of the Treasury a fund to be known as the ‘Association Health Plan Fund’. The Fund shall be available for making payments pursuant to paragraph (2). The Fund shall be credited with payments received pursuant to paragraph (1)(A), penalties received pursuant to paragraph (1)(B); and earnings on investments of amounts of the Fund under subparagraph (B).

“(B) INVESTMENT.—Whenever the Secretary determines that the moneys of the fund are in excess of current needs, the Secretary may request the investment of such amounts as the Secretary determines advisable by the Secretary of the Treasury in obligations issued or guaranteed by the United States.

“(g) EXCESS/STOP LOSS INSURANCE.—For purposes of this section—

“(1) AGGREGATE EXCESS/STOP LOSS INSURANCE.—The term ‘aggregate excess/stop loss insurance’ means, in connection with an association health plan, a contract—

“(A) under which an insurer (meeting such minimum standards as the applicable authority may prescribe by regulation) provides for payment to the plan with respect to aggregate claims under the plan in excess of

an amount or amounts specified in such contract;

SEC. 1002. FINDINGS.

Congress makes the following findings:

- (1) The Government of the United States has an obligation to its citizens to secure its borders and ensure the rule of law in its communities.
- (2) The Government of the United States must strengthen international border security efforts by dedicating adequate and significant resources for technology, personnel, and training for border region enforcement.
- (3) Federal immigration policies must adhere to the United States tradition as a nation of immigrants and reaffirm this Nation's commitment to family unity, economic opportunity, and humane treatment.
- (4) Immigrants have contributed significantly to the strength and economic prosperity of the United States and action must be taken to ensure their fair treatment by employers and protection against fraud and abuse.
- (5) Current immigration laws and the enforcement of such laws are ineffective and do not serve the people of the United States, the national security interests of the United States, or the economic prosperity of the United States.
- (6) The United States cannot effectively carry out its national security policies unless the United States identifies undocumented immigrants and encourages them to come forward and participate legally in the economy of the United States.
- (7) Illegal immigration fosters other illegal activity, including human smuggling, trafficking, and document fraud, all of which undermine the national security interests of the United States.
- (8) Illegal immigration burdens States and local communities with hundreds of millions of dollars in uncompensated expenses for law enforcement, health care, and other essential services.
- (9) Illegal immigration creates an underclass of workers who are vulnerable to fraud and exploitation.
- (10) Fixing the broken immigration system requires a comprehensive approach that pro-

vides for adequate legal channels for immigration and strong enforcement of immigration laws which will serve the economic, social, and security interests of the United States.

(11) Foreign governments, particularly those that share an international border with the United States, must play a critical role in securing international borders and deterring illegal entry of foreign nationals into the United States.

(12) Federal immigration policy should foster economic growth by allowing willing workers to be matched with willing employers when no United States worker is available to take a job.

(13) Immigration reform is a key component to achieving effective enforcement and will allow for the best use of security and enforcement resources to be focused on the greatest risks.

(14) Comprehensive immigration reform and strong enforcement of immigration laws will encourage legal immigration, deter illegal immigration, and promote the economic and national security interests of the United States.

SEC. 1502. BILATERAL EFFORTS WITH MEXICO TO REDUCE MIGRATION PRESSURES AND COSTS.

(a) **FINDINGS.**—Congress makes the following findings:

(1) Migration from Mexico to the United States is directly linked to the degree of eco-

nomic opportunity and the standard of living in Mexico.

(2) Mexico comprises a prime source of migration to the United States.

(3) Remittances from Mexican citizens working in the United States reached a record high of nearly \$17,000,000,000 in 2004.

(4) Migration patterns may be reduced from Mexico to the United States by addressing the degree of economic opportunity available to Mexican citizens.

(5) Many Mexican assets are held extra-legally and cannot be readily used as collateral for loans.

(6) A majority of Mexican businesses are small or medium size with limited access to financial capital.

(7) These factors constitute a major impediment to broad-based economic growth in Mexico.

(8) Approximately 20 percent of Mexico's population works in agriculture, with the majority of this population working on small farms and few on large commercial enterprises.

(9) The Partnership for Prosperity is a bilateral initiative launched jointly by the President of the United States and the President of Mexico in 2001, which aims to boost the social and economic standards of Mexican citizens, particularly in regions where economic growth has lagged and emigration has increased.

(10) The Presidents of Mexico and the United States and the Prime Minister of Canada, at their trilateral summit on March 23, 2005, agreed to promote economic growth, competitiveness, and quality of life in the agreement on Security and Prosperity Partnership of North America.

(b) **SENSE OF CONGRESS REGARDING PARTNERSHIP FOR PROSPERITY.**—It is the sense of Congress that the United States and Mexico should accelerate the implementation of the Partnership for Prosperity to help generate economic growth and improve the standard of living in Mexico, which will lead to reduced migration, by—

(1) increasing access for poor and under served populations in Mexico to the financial services sector, including credit unions;

(2) assisting Mexican efforts to formalize its extra-legal sector, including the issuance of formal land titles, to enable Mexican citizens to use their assets to procure capital;

(3) facilitating Mexican efforts to establish an effective rural lending system for small- and medium-sized farmers that will—

(A) provide long term credit to borrowers;

(B) develop a viable network of regional and local intermediary lending institutions; and

(C) extend financing for alternative rural economic activities beyond direct agricultural production;

(4) expanding efforts to reduce the transaction costs of remittance flows in order to increase the pool of savings available to help finance domestic investment in Mexico;

(5) encouraging Mexican corporations to adopt internationally recognized corporate governance practices, including anti-corruption and transparency principles;

(6) enhancing Mexican efforts to strengthen governance at all levels, including efforts to improve transparency and accountability, and to eliminate corruption, which is the single biggest obstacle to development;

(7) assisting the Government of Mexico in implementing all provisions of the Inter-American Convention Against Corruption (ratified by Mexico on May 27, 1997) and urging the Government of Mexico to participate fully in the Convention's formal implementation monitoring mechanism;

(8) helping the Government of Mexico to strengthen education and training opportunities throughout the country, with a par-

ticular emphasis on improving rural education; and

(9) encouraging the Government of Mexico to create incentives for persons who have migrated to the United States to return to Mexico.

(c) **SENSE OF CONGRESS REGARDING BILATERAL PARTNERSHIP ON HEALTH CARE.**—It is the sense of Congress that the Government of the United States and the Government of Mexico should enter into a partnership to examine uncompensated and burdensome health care costs incurred by the United States due to legal and illegal immigration, including—

(1) increasing health care access for poor and under served populations in Mexico;

(2) assisting Mexico in increasing its emergency and trauma health care facilities along the border, with emphasis on expanding prenatal care in the United States-Mexico border region;

(3) facilitating the return of stable, incapacitated workers temporarily employed in the United States to Mexico in order to receive extended, long-term care in their home country; and

(4) helping the Government of Mexico to establish a program with the private sector to cover the health care needs of Mexican nationals temporarily employed in the United States.

SEC. 1002. FINDINGS.

Congress makes the following findings:

(1) The Government of the United States has an obligation to its citizens to secure its borders and ensure the rule of law in its communities.

(2) The Government of the United States must strengthen international border security efforts by dedicating adequate and significant resources for technology, personnel, and training for border region enforcement.

(3) Federal immigration policies must adhere to the United States tradition as a nation of immigrants and reaffirm this Nation's commitment to family unity, economic opportunity, and humane treatment.

(4) Immigrants have contributed significantly to the strength and economic prosperity of the United States and action must be taken to ensure their fair treatment by employers and protection against fraud and abuse.

(5) Current immigration laws and the enforcement of such laws are ineffective and do not serve the people of the United States, the national security interests of the United States, or the economic prosperity of the United States.

(6) The United States cannot effectively carry out its national security policies unless the United States identifies undocumented immigrants and encourages them to come forward and participate legally in the economy of the United States.

(7) Illegal immigration fosters other illegal activity, including human smuggling, trafficking, and document fraud, all of which undermine the national security interests of the United States.

(8) Illegal immigration burdens States and local communities with hundreds of millions of dollars in uncompensated expenses for law enforcement, health care, and other essential services.

(9) Illegal immigration creates an underclass of workers who are vulnerable to fraud and exploitation.

(10) Fixing the broken immigration system requires a comprehensive approach that provides for adequate legal channels for immigration and strong enforcement of immigration laws which will serve the economic, social, and security interests of the United States.

(11) Foreign governments, particularly those that share an international border with the United States, must play a critical role in securing international borders and deterring illegal entry of foreign nationals into the United States.

(12) Federal immigration policy should foster economic growth by allowing willing workers to be matched with willing employers when no United States worker is available to take a job.

(13) Immigration reform is a key component to achieving effective enforcement and will allow for the best use of security and enforcement resources to be focused on the greatest risks.

(14) Comprehensive immigration reform and strong enforcement of immigration laws will encourage legal immigration, deter illegal immigration, and promote the economic and national security interests of the United States.

(1) IN GENERAL.—The Secretary of State is authorized to enter into an agreement to establish and administer a labor migration facilitation program jointly with the appropriate official of a foreign government whose citizens participate in the temporary worker program authorized under section 101(a)(15)(H)(v)(a) of the Immigration and Nationality Act (8 U.S.C. 1101(a)(15)(H)(v)(a)).

(2) PRIORITY.—In establishing programs under subsection (a), the Secretary of State shall place a priority on establishing such programs with foreign governments that have a large number of nationals working as temporary workers in the United States under such section 101(a)(15)(H)(v)(a). The Secretary shall enter into such agreements not later than 3 months after the date of enactment of this Act or as soon thereafter as is practicable.

(3) ELEMENTS OF PROGRAM.—A program established under paragraph (1) may provide for—

(A) the Secretary of State, in conjunction with the Secretary of Homeland Security and the Secretary of Labor, to confer with a foreign government—

(i) to establish and implement a program to assist temporary workers from such a country to obtain nonimmigrant status under such section 101(a)(15)(H)(v)(a);

SEC. 1502. BILATERAL EFFORTS WITH MEXICO TO REDUCE MIGRATION PRESSURES AND COSTS.

(a) FINDINGS.—Congress makes the following findings:

(1) Migration from Mexico to the United States is directly linked to the degree of economic opportunity and the standard of living in Mexico.

(2) Mexico comprises a prime source of migration to the United States.

(3) Remittances from Mexican citizens working in the United States reached a record high of nearly \$17,000,000,000 in 2004.

(4) Migration patterns may be reduced from Mexico to the United States by addressing the degree of economic opportunity available to Mexican citizens.

(5) Many Mexican assets are held extra-legally and cannot be readily used as collateral for loans.

(6) A majority of Mexican businesses are small or medium size with limited access to financial capital.

(7) These factors constitute a major impediment to broad-based economic growth in Mexico.

(8) Approximately 20 percent of Mexico's population works in agriculture, with the majority of this population working on small farms and few on large commercial enterprises.

(9) The Partnership for Prosperity is a bilateral initiative launched jointly by the President of the United States and the President of Mexico in 2001, which aims to boost the social and economic standards of Mexican citizens, particularly in regions where economic growth has lagged and emigration has increased.

(10) The Presidents of Mexico and the United States and the Prime Minister of Canada, at their trilateral summit on March 23, 2005, agreed to promote economic growth, competitiveness, and quality of life in the agreement on Security and Prosperity Partnership of North America.

(b) SENSE OF CONGRESS REGARDING PARTNERSHIP FOR PROSPERITY.—It is the sense of Congress that the United States and Mexico should accelerate the implementation of the Partnership for Prosperity to help generate economic growth and improve the standard of living in Mexico, which will lead to reduced migration, by—

(1) increasing access for poor and underserved populations in Mexico to the financial services sector, including credit unions;

(2) assisting Mexican efforts to formalize its extra-legal sector, including the issuance of formal land titles, to enable Mexican citizens to use their assets to procure capital;

(3) facilitating Mexican efforts to establish an effective rural lending system for small- and medium-sized farmers that will—

(A) provide long term credit to borrowers;

(B) develop a viable network of regional and local intermediary lending institutions; and

(C) extend financing for alternative rural economic activities beyond direct agricultural production;

(4) expanding efforts to reduce the transaction costs of remittance flows in order to increase the pool of savings available to help finance domestic investment in Mexico;

(5) encouraging Mexican corporations to adopt internationally recognized corporate governance practices, including anti-corruption and transparency principles;

(6) enhancing Mexican efforts to strengthen governance at all levels, including efforts to improve transparency and accountability, and to eliminate corruption, which is the single biggest obstacle to development;

(7) assisting the Government of Mexico in implementing all provisions of the Inter-American Convention Against Corruption (ratified by Mexico on May 27, 1997) and urging the Government of Mexico to participate fully in the Convention's formal implementation monitoring mechanism;

(8) helping the Government of Mexico to strengthen education and training opportunities throughout the country, with a particular emphasis on improving rural education; and

(9) encouraging the Government of Mexico to create incentives for persons who have migrated to the United States to return to Mexico.

(c) SENSE OF CONGRESS REGARDING BILATERAL PARTNERSHIP ON HEALTH CARE.—It is the sense of Congress that the Government of the United States and the Government of Mexico should enter into a partnership to examine uncompensated and burdensome health care costs incurred by the United States due to legal and illegal immigration, including—

(1) increasing health care access for poor and underserved populations in Mexico;

(2) assisting Mexico in increasing its emergency and trauma health care facilities along the border, with emphasis on expanding prenatal care in the United States-Mexico border region;

(3) facilitating the return of stable, incapacitated workers temporarily employed in the United States to Mexico in order to re-

ceive extended, long-term care in their home country; and

(4) helping the Government of Mexico to establish a program with the private sector to cover the health care needs of Mexican nationals temporarily employed in the United States.

“(1) PREMIUM RATES.—Premium rates for health benefit plans to which this title applies shall be subject to the following provisions relating to premiums:

“(A) INDEX RATE.—The index rate for a rating period for any class of business shall not exceed the index rate for any other class of business by more than 20 percent.

“(B) CLASS OF BUSINESSES.—With respect to a class of business, the premium rates charged during a rating period to small employers with similar case characteristics for the same or similar coverage or the rates that could be charged to such employers under the rating system for that class of business, shall not vary from the index rate by more than 25 percent of the index rate under subparagraph (A).

“(C) INCREASES FOR NEW RATING PERIODS.—The percentage increase in the premium rate charged to a small employer for a new rating

period may not exceed the sum of the following:

“(i) The percentage change in the new business premium rate measured from the first day of the prior rating period to the first day of the new rating period. In the case of a health benefit plan into which the small employer carrier is no longer enrolling new small employers, the small employer carrier shall use the percentage change in the base premium rate, except that such change shall not exceed, on a percentage basis, the change in the new business premium rate for the most similar health benefit plan into which the small employer carrier is actively enrolling new small employers.

“(ii) Any adjustment, not to exceed 15 percent annually and adjusted pro rata for rating periods of less than 1 year, due to the claim experience, health status or duration of coverage of the employees or dependents of the small employer as determined from the small employer carrier’s rate manual for the class of business involved.

“(iii) Any adjustment due to change in coverage or change in the case characteristics of the small employer as determined from the small employer carrier’s rate manual for the class of business.

“(D) UNIFORM APPLICATION OF ADJUSTMENTS.—Adjustments in premium rates for claim experience, health status, or duration of coverage shall not be charged to individual employees or dependents. Any such adjustment shall be applied uniformly to the rates charged for all employees and dependents of the small employer.

“(E) USE OF INDUSTRY AS A CASE CHARACTERISTIC.—A small employer carrier may utilize industry as a case characteristic in establishing premium rates, so long as the highest rate factor associated with any industry classification does not exceed the lowest rate factor associated with any industry classification by more than 15 percent.

“(F) CONSISTENT APPLICATION OF FACTORS.—Small employer carriers shall apply rating factors, including case characteristics, consistently with respect to all small employers in a class of business. Rating factors shall produce premiums for identical groups which differ only by the amounts attributable to plan design and do not reflect differences due to the nature of the groups assumed to select particular health benefit plans.

“(G) TREATMENT OF PLANS AS HAVING SAME RATING PERIOD.—A small employer carrier shall treat all health benefit plans issued or renewed in the same calendar month as having the same rating period.

“(H) RESTRICTED NETWORK PROVISIONS.—For purposes of this subsection, a health benefit plan that contains a restricted network provision shall not be considered similar coverage to a health benefit plan that does not contain a similar provision if the restriction of benefits to network providers results in substantial differences in claims costs.

“(I) PROHIBITION ON USE OF CERTAIN CASE CHARACTERISTICS.—The small employer carrier shall not use case characteristics other than age, gender, industry, geographic area, family composition, group size, and participation in wellness programs without prior approval of the applicable State authority.

“(J) REQUIRE COMPLIANCE.—Premium rates for small business health benefit plans shall comply with the requirements of this subsection notwithstanding any assessments paid or payable by a small employer carrier as required by a State’s small employer carrier reinsurance program.

“(2) ESTABLISHMENT OF SEPARATE CLASS OF BUSINESS.—Subject to paragraph (3), a small employer carrier may establish a separate class of business only to reflect substantial

differences in expected claims experience or administrative costs related to the following:

“(5) LIMITATION ON TRANSFERS.—A small employer carrier shall not transfer a small employer involuntarily into or out of a class of business. A small employer carrier shall not offer to transfer a small employer into or out of a class of business unless such offer is made to transfer all small employers in the class of business without regard to case characteristics, claim experience, health status or duration of coverage since issue.

“(6) SUSPENSION OF THE RULES.—The applicable State authority may suspend, for a specified period, the application of paragraph (1) to the premium rates applicable to one or more small employers included within a class of business of a small employer carrier for one or more rating periods upon a filing by the small employer carrier and a finding by the applicable State authority either that the suspension is reasonable when considering the financial condition of the small employer carrier or that the suspension would enhance the efficiency and fairness of the marketplace for small employer health insurance.

“(2) PREMIUM VARIATION DURING TRANSITION.—

“(A) TRANSITION STATES.—During the transition period described in paragraph (1), small group health insurance coverage offered in a non-adopting State that had in place premium rating band requirements or premium limits that varied by less than 12.5

“(3) NONAPPLICATION WHERE OBTAINING RELIEF UNDER STATE LAW.—Subsection (a)(1) shall not supercede any State law in a nonadopting State to the extent necessary to permit individuals or the insurance department of the State (or other State agency) to obtain relief under State law to require an eligible insurer to comply with the Model Small Group Rating Rules or transitional model small group rating rules.

“(4) NO EFFECT ON PREEMPTION.—In no case shall this part be construed to limit or affect in any manner the preemptive scope of sections 502 and 514 of the Employee Retirement Income Security Act of 1974. In no case shall this part be construed to create any cause of action under Federal or State law or enlarge or affect any remedy available under the Employee Retirement Income Security Act of 1974.

“(c) EFFECTIVE DATE.—This section shall apply, at the election of the eligible insurer, beginning in the first plan year or the first calendar year following the issuance of the final rules by the Secretary under the Model Small Group Rating Rules or, as applicable, the Transitional Model Small Group Rating Rules, but in no event earlier than the date that is 12 months after the date of enactment of this title.
